Ruby Hill Mining Company caused to be made and performed on or for the benefit of said claims, the annual labor and improvements required by the laws of the United States and the State of Nevada, which work was done in August 1991 for the assessment year ending at 12:00 o'clock Meridian, September 1, 1991.

There was expended for said labor and improvements an amount in excess of Thirty Thousand Dollars (\$30,000.00+), and they were made at the expense of Ruby Hill Mining Company. The annual labor and improvements for said claims consisted of:

Roads were improved and graded, drill sites were constructed, and eleven (11) reverse circulation drill holes were completed for a total of over 1,500 feet of drilling. The drilling was done by Boyles Bros. Drilling Company under agreement with Ruby Hill Mining Company. Samples were collected and sent to Skyline Labs, Inc. for assay.

The work was done on various claims including the Jackson M.S. 98, Wilson M.S. 97 Gulch M.S. 2872, Adams and Farren M.S. 116, Carson M.S. 68, Madeline East M.S. 119, Wonder No. 1, Jumbo and others.

The above named and described unpatented lode mining claims and adjoining patented lode mining claims comprise a contiguous group of lode mining claims owned in common by Ruby Hill Mining Company. The said labor was performed and improvements made for the benefit of each and all of said mining claims comprising said contiguous group, as a part of a general plan of development and they tend to improve and develop each and all of said mining claims. The amount expended for the value of said labor and improvements is not less than One Hundred Dollars (\$100.00) for each of the mining claims comprising said contiguous group. The said expenditure was made in good faith for the purpose of developing said contiguous group of mining claims and was intended as annual labor and improvements for each and all of the above and described unpatented lode mining claims.
