NEWMONT GOLD COMPANY, being duly sworn, deposes and says: That at least one hundred dollars' worth of development work was performed upon or for the benefit of each of the Mining Claims Listed in Exhibit "A". attached hereto.

The patented mining claims are situated in the Maggie Creek Mining District, County of Eureka, State of Nevada. The work was done during the assessment work period ending with the period January 1 - August 31, 1991. That the owner of these patented mining claims is Newmont Gold Company as set forth as Exhibit A attached hereto.

Said work was done at the expense of Newmont Gold Company, the owner of said patented mines or mining claims, for the purpose of relieving the same from tax assessment.

The work was performed by Newmont Gold Company, Newmont Exploration Limited, and others over the entire claim group.

The work was done continuously during the January 1 - August 31, 1991 period, and work is continuing at this date.

The work consisted of: 14 reverse-circulation, and conventional holes drilled for a total of over 14,000 feet of mineral exploration. Additional work includes construction of drill sites and assay cost for all drill cuttings samples. Mining within these claims removed close to 3.4 million tons of ore and waste rock and includes additional production drilling and assay costs.

Work was done in several places on the patented claim group, and upon unpatented claims. All work was done for the benefit of mining claims listed in Exhibit "A" annexed hereto. The claims form a contiguous group.
