

AMENDED AFFIDAVIT OF ANNUAL ASSESSMENT WORK

STATE OF COLORADO)
) ss.
COUNTY OF MESA)

TO WHOM IT MAY CONCERN:

THE UNDERSIGNED, W. L. Wilson, as President of Idaho Resources Corporation, certifies that there was expended more than ONE HUNDRED DOLLARS (\$100.00) on or for the benefit of the CH 26 unpatented lode mining claim, whose location certificate is recorded in Book 88 of the Official Records of Eureka County, Nevada, at Page 138. The serial number assigned to this claim by the BLM is NMC 169083. Such money was expended for development, labor and improvements as the annual assessment work for the assessment year ending September 1, 1991. The claim is situate in the Red Hills (unorganized) Mining District, Eureka County, Nevada, and is owned by Idaho Resources Corporation, a Nevada corporation, whose post office address is P. O. Box 2183, Grand Junction, Colorado 81502.

The purpose of this Affidavit is to correct a typographical error in the Affidavit of Annual Assessment Work which was recorded in the Official Records of the recorder of said Eureka County on September 26, 1991, in Book 225 at Page 564 et. seq. That affidavit incorrectly listed this claim as the CG 26, rather than the CH 26. Other facts about the nature, timing and character of the work performed are correctly stated in such original affidavit.

Dated this 10th day of December, 1991.
