The work of location consisted of making a claim map as provided in NRS 517.040.

This Certificate of Location and the location of this claim are made without waiver of any rights previously acquired by the locator and do not constitute the abandonment by the locator of any senior unpatented mining claim owned or held by the locator. This location is made for the purpose of asserting continuous possession and for the location and appropriation under the mining law of all minerals and interests within the boundaries of the claim.

Dated the 18th day of December, 1991.
