Two authorized signatures are required to render any written statement by or on behalf of this bank legally binding. Of these signatures, at least one must be a Category A signature.

The members of the Board of Management represent the Bank in all matters; their signatures are valid for all Branches and Offices of this Bank. All other signatories are authorized to sign only for that Branch or Office under which they are listed. The signatories marked with an asterisk * are authorized to make dispositions for our account with our foreign correspondents and are identical to those recorded in our abridged printed Signature List.

The authorization of the Category B signatories is limited as follows: Their power to sign extends to all normal banking operations, including the endorsement of bills of exchange; they are not authorized, however,

to issue or accept bills of exchange, to take up loans, to conduct law suits.

For international payment orders and advices up to an amount of DM 50.000,- (or the equivalent in foreign currency) only one signature from this list is required.

The signatures on international payment orders, advices, computerized cheques issued in our international payment operations and cheques issued by us and drawn on Bayerische Vereinsbank AG, New York may be real or facsimile. These facsimile signatures (see page 13) are valid for all branches of our bank.

One control mark or one signature not in this list will suffice on dispatch notices, collection orders, debit and credit advices etc. up to DM 50.000,- (or equivalent in foreign currency) provided a note to this effect is printed on the form concerned. Computerized debit and credit advices must not bear a signature if provided with a note to this effect.

Confirmations of foreign exchange contracts do not bear signatures.

Tous les actes engageant la Banque doivent, pour être valables, porter les signatures de deux signataires indiqués dans le présent recueil, au moins une de ces signatures devant être de la catégorie A.

Les membres du Directoire sont représentants de la Banque dans toutes les affaires; leurs signatures sont valables pour toutes les succursales. Les autres signatures sont valables uniquement pour la succursale de la Banque à laquelle appartient le signataire. Les signataires marqués d'un astérisque * - qui sont les mêmes que ceux indiqués dans notre recueil publié en abrégé sous forme d'imprimé - sont autorisés à prendre des dispositions pour notre compte auprès de nos correspondants étrangers.

Le droit de signer des chargés de procurations spéciales de la catégorie B se limite aux affaires courantes de la Banque, y inclus l'endossement de lettres de change. Ils ne sont pas autorisés à

tirer et accepter des traites, faire des emprunts, intenter des procès.

Les signatures de ce recueil peuvent figurer isolément sur les ordres de paiement à l'étranger et sur les avis ne dépassant pas DM 50.000,- (ou contre-valeur en monnaie étrangère).

Les ordres de paiement à l'étranger, les avis et les chèques établis automatiquement par nous dans le cadre d'opérations de paiement à l'étranger ainsi que les chèques émis par nous et tirés sur la Bayerische Vereinsbank AG, New York (Union Bank of Bavaria) peuvent être signés soit manuellement, soit de façon fac-similés. Ces fac-similés de signatures (see page 13) sont valables pour toutes nos succursales.

En ce qui concerne les bordereaux d'envoi, les ordres d'encaissement, les avis de débit et de crédit, etc. ne dépassant pas DM 50.000,-, une marque ou signature de contrôle, ne figurant pas dans ce recueil, est suffisante pour autant que le formulaire en question soit muni d'une mention correspondante. Les avis de débit et de crédit traités par l'informatique ne portent pas de signatures pour autant qu'ils soient munis d'une mention correspondante.

Les confirmations d'opérations de change ne sont pas munies de signatures.
