# EIGHTH AMENDMENT TO CAMPBELL/SIMPSON TONKIN SPRINGS VENTURE LIMITED PARTNERSHIP MINING LEASE

#### RECITALS

- A. Lyle F. Campbell has assigned his interest in the Lease and the property covered by the Lease to The Lyle F. Campbell Trust. Lyle F. Campbell is the sole trustee of The Lyle F. Campbell Trust.
- B. TSGMC assigned the Lease to Homestake Mining Company of California ("Homestake").
- C. Homestake assigned the Lease to the Tonkin Springs Venture Limited Partnership ("Venture").
- D. The boundary line referenced in Article 33 of the Lease has been modified and surveyed. A Certificate of Survey of the boundary line has been recorded in the official records of Eureka County in Book \_\_\_\_\_ at Page \_\_\_\_\_ File No. 140729.
- E. The Venture has relocated certain of the unpatented mining claims covered by the Lease and has located additional claims within the Area of Interest to the Lease.
- F. Campbell/Simpson has conveyed to the Venture all of Campbell/Simpson's right, title and interest in and to the TSG unpatented mining claims numbers 156, 157, 163 and 164; and the Venture has conveyed to Campbell/Simpson all of the Venture's right, title and interest in and to the TSG unpatented mining claims numbers 228, 229, 230, 231, 232, 260, 261 and 292.
- G. Campbell/Simpson and the Venture desire to amend the Lease to describe the property now covered by the Lease and to amend Articles 6, 32 and 33 of the Lease.

#### THEREFORE, the parties agree as follows:

- 1. The mining property covered by the Lease is described in Exhibit A attached hereto ("Mineral Prospect").
- 2. Article 6 of the Lease is deleted in its entirety and the following inserted in its place:
  - "Manner of Payment. (a) Each payment to be made by Lessee to Lessor after the effective date hereof shall be made on or before the date such payment shall be required to be made hereunder, provided, however, that the Advance Minimum Royalty shall be paid between January 1st and 15th of each year.
  - (b) Lessee shall, at least ten days prior to the date by which Lessor intends to make each such payment (except Production Royalty where in kind payment is taken), obtain Lessor's written instruction as to the manner of payment. If Lessor fails to provide such instruction, such payment shall be deemed received by Lessor if Lessee wires seventy percent (70%) thereof to the account (number 103-180-6) of Mr. Lyle F. Campbell at the First Interstate Bank of Nevada, N.A. 1 East First Street, Reno, Nevada 89502 and wires the remaining thirty percent (30%) thereof to the account (number 21-233307) of Julian E. Simpson and Jean C. Simpson at the First Hawaiian Bank, Kahului Branch, Box 157, Kahului, Maui, Hawaii 96732.
  - (c) If Lessee fails to pay or shall incorrectly pay some portion of any payment due hereunder, this Lease shall terminate absolutely if Lessee within thirty (30) days after Lessee's receipt of written notice from Lessor of its error or failure, shall fail to rectify the same."
- 3. Article 32 of the Lease is deleted in its entirety and the following inserted in its place:
  - " Area of Interest. (a) During the term of this Lease either Lessor or Lessee shall have the right to locate new unpatented mining claims in the vicinity of the Mineral Prospect; provided, however, that if any such new mining claim is located wholly or partially within the area described in Exhibit B ("Area of Interest"), the rights of the parties with respect to such new mining claim shall be as follows:
  - (i) Except as provided in subsection (b), if any such new mining claim is located by Lessee, Exhibit

"A" hereto shall be modified and amended to include the same and Lessee shall assign such claim, without warranty, express or implied, to Lessor within sixty days after recording such claim with the Bureau of Land Management.

- (ii) If such new mining claim is located by Lessor, then Lessor shall, within thirty days after recording the same, give Lessee written notice thereof setting forth the description of the claims and the facts upon which Lessor bases its conclusions that Leased Substances might exist therein. Within forty-five days after receipt of such notice. Lessee shall have the right to make such new claim subject to all of the terms and provisions of this Lease by giving Lessor written notice of Lessee's decision to do so. If Lessee fails to give Lessor such notice within the forty-five day period required by this Article 32, Lessor shall then hold such new mining claim free and clear of the terms and provisions of this Lease.
- (b) Lessee shall have no obligation whatsoever to Lessor with respect to the following properties and such properties shall not become part of the Mineral Prospect:
- (i) Any claim, property or interest acquired by Lessee by any means other than by location under the Federal and State of Nevada mining laws; and/or
- (ii) Any claim, property or interest acquired by Lessee at arms-length and in good faith within the Area of Interest under any lease or purchase agreement (or the like) with any party other than Lessor and any relocations or amendments of such mining claims or locations of open fractions within the outer boundaries of such leased or purchased area."
- 4. Article 33 of the Lease is deleted in its entirety and the following inserted in its place:
  - "Boundary Agreement. (a) The parties wish to establish a precise boundary between claims owned by each of them to avoid any disputes and uncertainties which might affect their right to explore, develop and mine their properties. This Boundary Agreement is the sole boundary agreement between the parties and supersedes any prior agreements between them with respect to such boundary.
  - (b) The parties have established a boundary and have caused a survey to be made of such a boundary ("Common Boundary Line"). The metes and bounds description of the Common Boundary Line is attached as

Exhibit C ("Metes and Bounds of Common Boundary Line"). A copy of the plat of the survey of the Common Boundary Line is attached hereto as Exhibit D ("Certificate of Survey"). In the event of any conflict between the boundary shown on the plat and the metes and bounds description, the metes and bounds description shall govern.

- (c) The parties hereby establish vertical boundaries, as follows:
- (i) All ores and minerals within the surface boundaries of the mining claims subject to this Lease, which claims are located north of the Common Boundary Line and within the Area of Interest ("Leased Claims") extended downward vertically to the center of the earth are and shall be owned by Lessor subject to the terms and conditions of this Lease and Lessee shall have no right, title or interest in such ores and minerals except for the leasehold rights to such ores and minerals created by this Lease for so long as this Lease remains in effect.

Lessor waives all extralateral rights appertaining to the Leased Claims insofar as such extralateral rights would give Lessor any right, title, or interest (including but not limited to the right to receive royalties under this Lease) in and to ores and minerals outside of the boundaries of the Area of Interest extended vertically downward to the center of the earth.

(ii) All ores and minerals within the surface boundaries of Lessee's claims, which claims are located south of the Common Boundary Line and outside the Area of Interest ("Lessee's Claims") extended downward vertically to the center of the earth are and shall be owned by Lessee and Lessor shall have no right, title or interest in or to such ores and minerals.

Lessee waives all extralateral rights appertaining to Lessee's Claims insofar as such extralateral rights would give Lessee any right, title, or interest in and to ores and minerals inside the boundaries of the Area of Interest extended vertically downward to the center of the earth."

- 5. The original Exhibit C to the Lease dated January 1, 1986 is stricken and superseded by the provisions of this agreement and Exhibits B, C and D to this Eighth Amendment.
  - 6. Except as amended by this Eighth Amendment and the prior

seven amendments, the Lease remains in full force and effect.
