ARTICLE I.

Description of Bonds of the CC Series

§1.01. Establishment of Bonds of the CC Series. There shall be and hereby is established a new series of Bonds to be issued under and secured by the Indenture and to be designated as the Company's "First Mortgage Bonds, 12% Series CC due 2022" (herein sometimes referred to as "Bonds of the CC Series").

§1.02. Terms of Bonds of the CC Series. The Bonds of the CC Series shall be evidenced by a single registered Bond in the principal amount and denomination of One Hundred Fifteen Million Dollars (\$115,000,000) due June 1, 2022; it shall bear interest at the rate per annum shown in its title, payable semi-annually on June 1 and December 1 of each year, commencing December 1, 1992. Interest on the Bonds of the CC Series shall be computed on the basis of a 360-day year of twelve 30-day months. The Bonds of the CC Series shall be dated as provided in §2.08 of the original Indenture as modified by §2.03 of the Twelfth Supplemental Indenture.

The single Bond of the CC Series shall be numbered 1 and shall upon issuance be delivered by the Company to and registered in the name of the Indenture Trustee and shall be transferable only as required to effect an assignment thereof to a successor trustee under the Collateral Trust Indenture. Bonds issued upon transfer shall be numbered from 2 upwards and issued in the same \$115,000,000 denomination but, to the extent that payments of principal and premium, if any, shall theretofore have been made on the Securities, the Indenture Trustee shall

duly note on the Bond of the CC Series a like amount of principal in the Schedule of Designations and Prepayments of Principal.

It is expected that the Company, pursuant to the Collateral Trust Indenture, will furnish directly to the Indenture Trustee at its principal corporate trust office all funds required for any and all payments of principal of, and interest and premium on, Securities. Any such payment may be made in any coin or currency of the United States which is legal tender for the payment of public and private debts. The obligation of the Company to make any payment of the principal of or interest on the portion of the Bond of the CC Series that is designated as Designated Mortgage Bonds (as such term is defined in the Collateral Trust Indenture and hereinafter called "Designated Mortgage Bonds"), whether at their stated maturity or upon redemption (including any redemption pursuant to Section 404 of the Collateral Trust Indenture), shall be fully or partially, as the case may be, deemed to have been paid or otherwise satisfied and discharged to the extent that at the time any such payment shall be due, the then due principal of (and premium, if any) or interest on the Securities to which such Designated Mortgage Bonds relate shall have been fully or partially paid, deemed to have been paid or otherwise satisfied and discharged. In addition, such obligation to make any payment of the principal of or interest on the portion of the Bond of the CC Series that is designated as Designated Mortgage Bonds at any time shall be deemed to have been satisfied and discharged to the extent that the amount of the Company's obligation to make any payment of the principal of or interest on the portion of the Bond of the CC Series that is designated as Designated Mortgage Bonds exceeds the obligation of the Company at that time to make any payment on the applicable Redemption Date or Stated Maturity (each as defined in the Collateral Trust Indenture) of the principal of (and premium, if any) or interest on the Securities to which such portion of the Bond of the CC Series that is designated as Designated Mortgage Bonds relates. The obligation of the Company to make any payment of the principal of or interest on the Bond of the CC Series other than the portion that is designated as Designated Mortgage Bonds shall be deemed to have been satisfied and discharged in full at the time any such payment shall be stated to be due.

Unless payment then is or has been made pursuant to the next preceding paragraph, payment of the principal of, and premium, if any, and interest on the single Bond of the CC Series shall be made in any coin or currency of the United States which at the time of payment is legal tender for the payment of public and private debts at the principal corporate trust office of the Indenture Trustee on or prior to the

business day preceding the due date for such payment. Any such payment of principal, premium and interest shall be credited as and used to make a corresponding payment of principal, premium and interest on the Securities.

The Trustees may conclusively presume that the obligation of the Company to pay the principal of and premium, if any, and interest on the Bond of the CC Series as the same shall become due and payable at maturity or upon redemption shall have been duly and punctually paid or deemed to have been paid or otherwise satisfied and discharged in full unless and until it shall have received notice in writing to the contrary from the Indenture Trustee, specifying the amount of funds required to make such payment after giving effect to Section 403(a) of the Collateral Trust Indenture.

The Indenture Trustee, by acceptance of the single Bond of the CC Series, shall agree to make the notations on the Schedule of Designations and Prepayments required by the Collateral Trust Indenture and to surrender said Bond to the Trustee upon the circumstances set forth in Section 406 or 503 of the Collateral Trust Indenture. Following any surrender of the single Bond of the CC Series in part under this paragraph, a new single Bond of the CC Series for a like principal amount, less the principal amount of this Bond that has been paid, deemed to have been paid or otherwise satisfied and discharged or surrendered for cancellation pursuant to Section 406 or 503 of the Collateral Trust Indenture, will be issued to such transferee in exchange therefor.

If any of the following events of default occurs under Section 6.01 of the Collateral Trust Indenture, it shall be deemed to be the corresponding default under Section 10.01 of the Indenture as hereafter provided: (i) default in the payment of any interest upon any Security when such interest becomes due and payable shall be deemed to be a default, under Section 10.01(a) of the Indenture, in the due and punctual payment of a like amount of interest on the Bond of the CC Series, (ii) default in the payment of the principal of (or premium, if any, on) any Security at the stated maturity thereof or upon redemption thereof shall be deemed to be a default, under Section 10.01(b) of the Indenture, in the due and punctual payment of a like amount of principal of the Bond of the CC Series, (iii) default in the deposit of any sinking fund payment when and as due by the terms of a Security shall be deemed to be a default under Section 10.01(d) of the Indenture, (iv) a default in the performance, or breach, of any covenant or warranty of the Company as described in Section 6.01(4) of the Collateral Trust Indenture shall be deemed to be a default under Section 10.01(d) of the Indenture, (v) the occurrence of an

event described in Section 6.01(5) of the Collateral Trust Indenture shall be deemed to be a default under Section 10.01(e) of the Indenture, (vi) the occurrence of an event described in Section 6.01(6) of the Collateral Trust Indenture shall be deemed to be a default under Section 10.01(f) of the Indenture and (vii) occurrence of an event of default provided in an indenture supplemental to the Collateral Trust Indenture shall be deemed to be a default under Section 10.01(d) of the Indenture.

Any notice affecting or relating to the Bonds of the CC Series required or permitted to be given under the Indenture may be given by mailing the same by first class mail, postage prepaid, to the Indenture Trustee at its address as the same appears on the Bond Register for the Bonds of the CC Series. The certificate of the Trustee that such mailing has been effected shall be conclusive evidence of compliance with the requirements of §1.02 and of §16.08 of the Original Indenture as modified by §2.07 of the Twelfth Supplemental Indenture, whether or not the Indenture Trustee receives such notice.

The Trustee hereunder shall, by virtue of its office as such Trustee, be the Registrar and Transfer Agent of the Company for the purpose of registering and transferring Bonds of the CC Series, and shall maintain a bond register for the Bonds of the CC Series.

§1.03. Prepayment Provisions of the Bonds of the CC Series. The Bond of the CC Series shall be redeemable at the option of the Company at any time, but only to the extent that such Bond of the CC Series is (i) a Designated Mortgage Bond which the Company has incurred the obligation under the Collateral Trust Indenture to redeem, or (ii) not a Designated Mortgage Bond, and shall not otherwise be redeemable pursuant to the requirements of the Indenture, except pursuant to the provisions of clause 2 of Section 6.05 of the Original Indenture.

In the event of a redemption in accordance with the provisions of the preceding paragraph, the Indenture Trustee shall forthwith make notation of the principal amount of the Bond of the CC Series so redeemed on the Schedule of Designations and Prepayments printed thereon, and shall promptly notify the Trustee of the amount of such payment and that notation of such payment has been duly made.

All portions of the single Bond of the CC Series which may from time to time be paid or prepaid in accordance with this Section 1.03 shall thereupon be deemed to be funded, and no such portion may be reissued, so long as any portion of said Bond of the CC Series is outstanding.

§1.04. Form of Bonds of the CC Series. The Bonds of the CC Series and the Trustee's authentication certificate to be executed on the Bonds of said series shall be substantially in the forms following, respectively:

Notwithstanding the foregoing, the obligation of the Company to make any payment of the principal of or interest on the portion of this Bond that is designated as Designated Mortgage Bonds (as such term is defined in the Collateral Trust Indenture), whether at maturity, upon redemption (including any redemption pursuant to Section 404 of the Collateral Trust Indenture) or otherwise, shall be fully or partially, as the case may be, deemed to have been paid or otherwise satisfied and discharged to the extent that at the time any such payment shall be due, the then due

principal of (and premium, if any) or interest on the Securities to which such Designated Mortgage Bonds relate, shall have been fully or partially paid, deemed to have been paid or otherwise satisfied and discharged. In addition, such obligation to make any payment of the principal of or interest on the portion of this Bond that is designated as Designated Mortgage Bonds at any time shall be deemed to have been satisfied and discharged to the extent that the amount of the Company's obligation to make any payment of the principal of or interest on the portion of this Bond that is designated as Designated Mortgage Bonds exceeds the obligation of the Company at that time to make any payment on the applicable Redemption Date or Stated Maturity (as such terms are defined in the Collateral Trust Indenture) of the principal of (and premium, if any) or interest on the Securities to which such portion of this Bond that is designated as Designated Mortgage Bonds relates. The obligation of the Company to make any payment of the principal of or interest on this Bond other than the portion that is designated as Designated Mortgage Bonds shall be deemed to have been satisfied and discharged in full at the time any such payment shall be stated to be due.

The holder of this Bond by acceptance hereof agrees that whenever any designation or payment on account of the principal of this Bond is made or occurs under any provision of the indenture referred to below (the "Indenture") or the Collateral Trust Indenture, the holder hereof shall promptly note on the Schedule of Designations and Prepayments the date and amount of each such designation or payment of principal, and shall promptly notify the Trustee of the amount of each such designation or payment and that the notation of designation or payment has been duly made, and further agrees to surrender this Bond to the Trustee for cancellation when all principal of, premium, if any, and interest on this Bond shall have been duly paid.

Unless payment then is or has been made pursuant to the second preceding paragraph, the principal of and interest on this Bond will be paid in lawful money of the United States of America and will be payable at the principal corporate trust office of the Indenture Trustee by check or wire transfer to the order of the Indenture Trustee in Federal funds immediately available at said office of the Indenture Trustee, in each case on or prior to the business day preceding the due date for such payment. The holder of this Bond by acceptance hereof agrees that any such payment of principal or interest on this Bond shall be credited as and used to make a corresponding payment of principal, premium or interest on the Securities.

This Bond is the single registered bond of the Company of the series specified in the title hereof, and is issued in the

aggregate principal amount of \$115,000,000 in order to secure by the lien of the Indenture hereinafter mentioned the obligation of the Company to pay duly and punctually the principal of (and premium, if any) and interest on Outstanding Securities (as defined in the Collateral Trust Indenture) in accordance with the terms thereof, and the Collateral Trust Indenture, and evidences the Bonds of a series of an authorized issue of bonds of the Company, known as First Mortgage Bonds, not limited as to maximum principal amount except as otherwise provided in the Indenture hereinafter mentioned, all issued or issuable in one or more series (which several series may be of different denominations, dates and tenor) under and equally secured (except insofar as any sinking fund, established in accordance with the provisions of the Indenture hereinafter mentioned, may afford additional security for other Bonds of any particular series) by an Indenture of Mortgage dated as of December 1, 1940, duly executed and delivered by the Company's predecessor, Sierra Pacific Power Company, a Maine corporation, and duly assumed by the Company by means of the Tenth Supplemental Indenture hereinafter mentioned, to The New England Trust Company (now State Street Bank and Trust Company by succession, herein sometimes called the "Trustee"), and Leo W. Huegle (now Gerald R. Wheeler by succession), as Trustees, as supplemented and modified by the First Supplemental Indenture, dated as of August 1, 1947, by the Second Supplemental Indenture, dated as of April 1, 1948, by the Ninth Supplemental Indenture, dated as of June 1, 1964, by the Tenth Supplemental Indenture, dated as of March 31, 1965, by the Twelfth Supplemental Indenture, dated as of July 1, 1967, by the Fourteenth Supplemental Indenture, dated as of November 1, 1972, by the Fifteenth Supplemental Indenture, dated as of May 1, 1974, by the Seventeenth Supplemental Indenture, dated as of July 1, 1976, by the Eighteenth Supplemental Indenture, dated as of August 1, 1977, by the Nineteenth Supplemental Indenture, dated as of April 1, 1978, and by the Twentieth Supplemental Indenture, dated as of October 1, 1978, and as supplemented by all other indentures supplemental thereto including a Twenty-ninth Supplemental Indenture, dated as of June 1, 1992, executed and delivered by the Company (or executed and delivered by its predecessor and duly assumed by the Company) to said Trustees, to which Indenture of Mortgage and all indentures supplemental thereto (herein sometimes collectively called the "Indenture") reference is hereby made for a description of the property mortgaged and pledged as security for said bonds, the rights and remedies and limitations on such rights and remedies of the registered owner of this Bond in regard thereto, the terms and conditions upon which said bonds are secured thereby, the terms and conditions upon which additional bonds and coupons may be issued thereunder and the rights, immunities and obligations of the Trustees under said Indenture; but neither the foregoing reference to said Indenture, nor any provision of this Bond or of said Indenture,

shall affect or impair the obligation of the Company, which is absolute, unconditional and unalterable, to pay at the maturity herein provided the principal of and premium, if any, and interest on this Bond as herein provided.

Said Indenture, among other things, provides that no bondholder or bondholders may institute any suit, action or proceeding for the collection of this Bond, or claim for interest thereon, or to enforce the lien of said Indenture, if and to the extent that the institution or prosecution thereof or the entry of a judgment or a decree therein would, under applicable law, result in the surrender, impairment, waiver or loss of the lien of said Indenture upon any property subject thereto.

To the extent permitted and as provided in said Indenture, modifications or alterations of said Indenture, or any indenture supplemental thereto, and of the bonds issued thereunder and of the rights and obligations of the Company and the rights of the bearers or registered owners of the bonds and coupons, if any, may be made with the consent of the Company and with the written approvals or consents of the bearers or registered owners of not less than seventy-five per centum (75%) in principal amount of the bonds outstanding, and unless all of the bonds then outstanding under said Indenture are affected in the same manner and to the same extent by such modification or alteration, with the written approvals or consents of the bearers or registered owners of not less than seventy-five per centum (75%) in principal amount of the bonds of each series outstanding, provided, however, that no such alteration or modification shall, without the written approval of or consent of the bearer or registered owner of any bond affected thereby, (a) impair or affect the right of such bearer or registered owner to receive payment of the principal of and interest on such bond, on or after the respective due dates expressed in such bond, or to institute suit for the enforcement of any such payment on or after such respective dates, except that the holders of not less than seventy-five per centum (75%) in principal amount of the bonds outstanding may consent on behalf of the bearers or registered owners of all of the bonds to the postponement of any interest payment for a period of not exceeding three (3) years from its due date, or (b) deprive any bearer or registered owner of the bonds of a lien on the mortgaged and pledged property, or (c) reduce the percentage of the principal amount of the bonds upon the consent of which modifications may be effected as aforesaid.

If any of the following events occurs under Section 6.01 of the Collateral Trust Indenture, it shall be deemed to be the corresponding default under Section 10.01 of the Indenture as set forth hereafter: (i) default in the payment of any interest

upon any Security when such interest becomes due and payable shall be deemed to be a default, under Section 10.01(a) of the Indenture, in the due and punctual payment of a like amount of interest on this Bond, (ii) default in the payment of the principal of (or any premium, if any, on) any Security at the stated maturity thereof or upon redemption thereof shall be deemed to be a default, under Section 10.01(b) of the Indenture, in the due and punctual payment of a like amount of principal of this Bond, (iii) default in the deposit of any sinking fund payment, when and as due by the terms of a Security, shall be deemed to be a default under Section 10.01(d) of the Indenture, (iv) default in the performance, or breach, of any covenant or warranty of the Company as described in Section 6.01(4) of the Collateral Trust Indenture shall be deemed to be a default under Section 10.01(d) of the Indenture, (v) occurrence of an event described in Section 6.01(5) of the Collateral Trust Indenture shall be deemed to be a default under Section 10.01(e) of the Indenture, (vi) the occurrence of an event described in Section 6.01(6) of the Collateral Trust Indenture shall be deemed to be a default under Section 10.01(f) of the Indenture and (vii) occurrence of an event of default provided in an indenture supplemental to the Collateral Trust Indenture shall be deemed to be a default under Section 10.01(d) of the Indenture.

In case an event of default as defined in said Indenture shall occur, the principal of this Bond may become or be declared due and payable before maturity in the manner and with the effect provided in said Indenture. The holders, however, of certain specified percentages of the bonds at the time outstanding, including in certain cases specified percentages of bonds of particular series, may in the cases, to the extent and under the conditions provided in said Indenture, waive defaults thereunder and the consequences of such defaults.

This Bond has been issued and delivered to, registered in the name of and pledged with the Indenture Trustee in trust for the ratable benefit of the Holders (as defined in the Collateral Trust Indenture) from time to time of the Outstanding Securities and shall not be sold, assigned, pledged, mortgaged, transferred or otherwise disposed of except as required to effect (a) an assignment to a successor Indenture Trustee under the Collateral Trust Indenture or (b) a surrender to the Trustee (i) to effect an exchange, in accordance with applicable law, in connection with any Federal or State bankruptcy, insolvency, reorganization or similar proceeding involving the Company, (ii) to effect an exchange by the Company with the Indenture Trustee of any Mortgage Bonds (as defined in the Collateral Trust Indenture) upon payment or deemed payment or other satisfaction and discharge of a portion of any Mortgage Bonds, (iii) to effect a surrender or an exchange of any Mortgage Bonds pursuant to Section 406 of the Collateral Trust Indenture or (iv) to obtain

the final payment due on any Mortgage Bonds as required by the terms of the Indenture. Any such transfer or surrender shall be made at the principal corporate trust office in Boston, Massachusetts of the Trustee, upon surrender and cancellation of this Bond. Following any such transfer or such surrender of this Bond in part, and unless such transfer or surrender has been made in connection with the satisfaction and discharge of the Collateral Trust Indenture, a new fully registered Bond of the same series for a like principal amount, less the principal amount of this Bond that has been paid, deemed to have been paid or otherwise satisfied and discharged or surrendered for cancellation pursuant to Section 406 or 503 of the Collateral Trust Indenture, will be issued to such transferee in exchange therefor as provided in the Indenture. The Company hereby waives any right to make a charge for such an exchange or transfer of this Bond. The Company and the Trustees may deem and treat the Indenture Trustee as the absolute owner hereof for the purpose of receiving payment and for all other purposes.

The Trustees may conclusively presume that the obligation of the Company to pay the principal of and interest on the Bond of this series as the same shall become due and payable shall have been duly and punctually paid or deemed to have been paid or otherwise satisfied and discharged in full unless and until it shall have received notice in writing to the contrary from the Indenture Trustee, specifying the amount of funds required to make such payment after giving effect to Section 403(a) of the Collateral Trust Indenture.

This Bond shall be redeemable at the option of the Company at any time, but only to the extent that this Bond is (i) a Designated Mortgage Bond which the Company has incurred the obligation under the Collateral Trust Indenture to redeem, or (ii) not a Designated Mortgage Bond, and shall not otherwise be redeemable pursuant to the requirements of the Indenture, except as provided in this paragraph. In case all or substantially all of the electric properties of the Company are sold to or taken through the exercise of the right of eminent domain or the right to purchase by any municipal or governmental body or agency, the principal of this Bond will, upon receipt by the Company of payment or compensation, become due and payable before maturity at the principal amount thereof and accrued interest thereon, all as provided in said Indenture.

In the event of a redemption in accordance with the provisions of the preceding paragraph, the Indenture Trustee shall forthwith make notation of the principal amount of this Bond so redeemed on the Schedule of Designations and Prepayments printed hereon, and shall promptly notify the Trustee of the amount of such payment and that notation of such payment has been duly made.

The holder of this Bond, pursuant to the terms of Section 402 of the Collateral Trust Indenture, hereby waives its right, pursuant to Section 4.03 of the Indenture, to the deposit of moneys for redemption before the redemption date.

The Company and the Trustee and any paying agent may deem and treat the person in whose name this Bond shall be registered upon the Bond register for the Bonds of the CC Series as the absolute owner of such Bond for the purpose of receiving payment of or on account of the principal of and interest on this Bond and for all other purposes, whether or not this Bond be overdue, and neither the Company nor the Trustee nor any paying agent shall be affected by any notice to the contrary; and all such payments so made to such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon this Bond to the extent of the sum or sums so paid.

Before any transfer of this Bond by the registered holder or his or its legal representative will be recognized or given effect by the Company or the Trustee, the registered holder shall note hereon the date to which interest has been paid as well as the amounts of all principal prepayments hereon, and shall notify the Company and the Trustee of the name and address of the transferee and shall afford the Company and the Trustee the opportunity of verifying the notation as to payment of interest and principal. By the acceptance hereof the holder of this Bond and each transferee shall be deemed to have agreed to indemnify and hold harmless the Company and the Trustee against all losses, claims, damages or liability arising out of any failure on the part of the holder or of any such transferee to comply with the requirements of the preceding sentence.

It is part of the contract herein contained that each registered owner hereof by the acceptance hereof waives all right of recourse to any personal liability of any incorporator, stockholder, officer or director, past, present or future, of the Company, as such, or of any predecessor or successor corporation, howsoever arising, for the collection of any indebtedness hereunder; and as a part of the consideration for the issue hereof releases from all such liability each such incorporator, stockholder, officer or director, all as provided in said Indenture.

Each registered owner hereof by his acceptance hereof waives any right to exchange any unpaid portion of this Bond for another Bond under §4.01 of the Indenture.

This Bond has not been registered under the Securities Act of 1933, as amended, and may not be offered or sold in

contravention of said Act and is not transferable except to a successor trustee under the Collateral Trust Indenture.

This Bond shall not become or be valid or obligatory for any purpose until the authentication certificate endorsed hereon shall have been signed by the Trustee.

IN WITNESS WHEREOF, Sierra Pacific Power Company has caused this Bond to be executed in its name and behalf by the manual or facsimile signature of its Treasurer, and its corporate seal, or a facsimile thereof, to be affixed or printed hereon and attested by the manual or facsimile signature of its Secretary or one of its Assistant Secretaries.
