NOTICE OF INTENTION TO HOLD MILLSITES

Please record this notice of intention to hold millsites in the office of the Recorder of Eureka County, Nevada.

General Mineral Development Company, a Nevada limited partnership, hereby gives notice of its intention to hold the millsites listed on Exhibit A attached hereto and made a part hereof, situated in the above county and state, the certificates of location of which are of record in the office of said County Recorder, in the book and at the page set opposite the name of the millsite, and are on file in the State Office of the Bureau of Land Management, Reno, Nevada. A copy of this notice will be filed in said office on or before December 30, 1992.

This notice of intention to hold millsites is filed pursuant to the provisions of the Code of Federal Regulations, Title 43, Sub-part 3833, and the Federal Land Policy and Management Act of 1976.

The name and mailing address of the owner of the millsites is General Mineral Development Company, a Nevada limited partnership, whose mailing address is P. O. Box 11856, Reno, Nevada 89510.

The owner intends to continue to use the claim-related sites for mining or milling purposes.

The reason that the annual assessment work has not been performed or an affidavit of assessment work performed or a detailed report of geological, geochemical or geophysical survey has not been filed is that annual assessment work is not required for millsites.
