

THIS IS TO CERTIFY that the M 42 Lode Mining Claim was located by Windfall Venture, a Colorado Partnership, whose post office address appears below, on the 3rd day of September, 1992. The original location Certificate for this claim, which is recorded in Book 239 at Page 462 of the official records in the office of the Recorder of Eureka County, Nevada, incorrectly stated that the claim was located on July 3, 1992. This Amended Certificate of Location is being posted on the location monument of the claim and recorded to correct that error, as well as to secure the benefits of NRS 517.200.

The general course of the lode or vein is North and South. The claim is situate in the southern portion of the Eureka (unorganized) Mining District, Eureka County, Nevada.

The Locator claims 25 feet North and 1475 feet South from the location monument, and a width of 300 feet on each side of the center of the vein or lode along the entire length of the claim.

In compliance with NRS Sections 517.040, 517.050 and other applicable portions of NRS, a map was prepared and recorded with the Eureka County Recorder at the time of recordation of the original Location Certificate for this claim.

Each corner and side center of the claim is marked with a plastic pipe at least 3" in diameter, at least 4 feet long, set one foot of its length in the ground, said posts being located and marked as follows:

"NW COR M 42"; thence East for a distance of 450 feet to a post marked, "NE COR M 42"; thence South for a distance of 750 feet to a post marked, "ESC M 42"; thence South for a distance of 750 feet to a post marked, "SE COR M 42"; thence West for a distance of 450 feet to a post marked, "SW COR M 42"; thence North for a distance of 750 feet to a post marked, "WSC M 42"; thence North for a distance of 750 feet to the NW Corner, the point of beginning.

This claim lies within an unsurveyed portion of T. 17 N., R. 53 E., MDB&M, Eureka County, Nevada, and lies mostly within the Northwest 1/4 of Section 4 of said Township, as protracted. The Northwest corner of this claim is approximately 11,720 feet south and 12,315 feet east of the northwest corner of Section 30, T. 18 N., R. 53 E., MDB&M (triangulation station "Ditto" of the Cadastral Engineers). All work necessary to complete the location of this claim was performed by September 30, 1992.

Dated this 13th day of October, 1992.
