Recitals

A. The Trustor and the Beneficiaries are parties to
a Loan and Security Agreement dated as of March 22, 1989, as
amended by an Amendment Agreement dated as of June 30, 1990,
an Amendment Agreement dated as of April 30, 1991, and an
Amendment Agreement dated as of March 26, 1992 (the Loan and
Security Agreement, as amended, is referred to herein as the
"Loan Agreement").

B. The Trustor's duties and obligations under the
Loan Agreement and other documents and instruments related to
the Loan Agreement are secured by a Deed of Trust, Mortgage,
Security Agreement, Financing Statement and Assignment of
Proceeds, Rents and Leases dated as of March 22, 1989 (the
"Original Deed of Trust"), given by the Trustor to First
American Title Company of Nevada as trustee (the "Trustee")
for the benefit of the Beneficiaries. The Original Deed of
Trust was filed for recording on March 23, 1989 and was
recorded as File No. 126896 in Book 195 at Page 441 in the
official real property records of Eureka County, Nevada. The
Original Deed of Trust was filed for recording on March 23,
1989 and was recorded as File No. 272529, in Book 670 at Page
30 in the official real property records of Elko County,
Nevada.

C. The Original Deed of Trust was previously amended by a First Amendment to Deed of Trust, Mortgage, Security Agreement, Financing Statement and Assignment of Proceeds, Rents and Leases dated as of March 26, 1992 (the "First Amendment") between Trustor and Beneficiaries. The First Amendment was filed for recording on March 30, 1992 and was recorded as File No. 140376 in Book 233 at Page 95 in the official real property records of Eureka County, Nevada. The First Amendment was filed for recording on March 30, 1992 and was recorded as File No. 319253 in Book 779 at Page 365 in the official real property records of Elko County, Nevada. For purposes of this First Supplement, "Deed of Trust" shall mean the Original Deed of Trust as amended by the First Amendment. Capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Deed of Trust, unless the context requires otherwise.

D. The Deed of Trust provides, among other things, that certain property acquired by the Trustor subsequent to the date of the Original Deed of Trust shall secure the obligations.

E. The Trustor and the Beneficiaries desire to enter into this First Supplement to specifically describe, and to place of record specific descriptions of, certain property, rights and interests acquired by the Trustor since the date of the original Deed of Trust which are subject to the lien of the Deed of Trust, and to ratify and confirm the lien and security interest created under the Deed of Trust. For purposes of this First Supplement, the property, rights and interests described on Exhibit A, Exhibit B, Exhibit C, Exhibit D and Exhibit E attached hereto are referred to collectively herein as the "First Supplement Properties".

Agreement

In exchange for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Trustor and the Beneficiaries agree as follows:

1. Additional collateral. The Trustor hereby acknowledges, confirms and agrees that the First Supplement Properties constitute Mortgaged Property for all purposes of the Deed of Trust. The Trustor has granted, mortgaged, pledged, assigned, transferred and conveyed, and does hereby grant, mortgage, pledge, assign, transfer and convey, to the Trustee, and to its successors and assigns, in trust, with power of sale, for the benefit and security of Beneficiaries under and subject to the terms and conditions set forth in the Deed of Trust, the First Supplement Properties.

2. Effect of First Supplement. Section 1 of this First Supplement and the Exhibits hereto are intended to specifically describe, and to place of record specific descriptions of, certain property, rights and interests which constitute Mortgaged Property for purposes of the Deed of Trust and which were acquired by the Trustor subsequent to the date of the Original Deed of Trust. Nothing in this First Supplement shall have the effect of, nor shall it be construed as, (a) limiting, restricting, narrowing or reducing, in any manner or to any degree whatsoever, the property, rights or interests that constitute Mortgaged Property, (b) releasing or waiving the lien or security interest of the Deed of Trust as to any property, right or interest constituting Mortgaged Property, or (c) an acknowledgment, admission or agreement of any Beneficiary that the Exhibits hereto constitute a complete and comprehensive listing of the Mortgaged Property, whether acquired by Trustor prior to, on or subsequent to the date of the Original Deed of Trust. Although the Exhibits hereto are intended to describe Mortgaged Property acquired by the Trustor subsequent to the date of the Original Deed of Trust, some items set forth thereon may have also been listed on the Exhibits to the Original Deed of Trust or acquired by Trustor prior to the date of the Original Deed of Trust that are not listed on the Exhibits hereto that other items described on the Exhibits to the Original Deed of Trust are no longer subject to the Deed of Trust. Beneficiaries expressly reserve all rights which they may have, including, without limitation, all liens and security interests, under the Deed of Trust.

3. Confirmation and Ratification. The Trustor, as a Colorado corporation, ratifies and confirms each and every provision of the Deed of Trust and restates the Original Deed of Trust to be effective as of March 22, 1989 and the First Amendment to be effective as of March 26, 1992. Each Beneficiary ratifies and confirms each and every provision of the First Amendment and restates the First Amendment to be effective as of March 26, 1992. The Original Deed of Trust and the First Amendment are hereby incorporated in their entireties into this First Supplement by this reference.

4. Governing Law. This First Supplement shall be construed and enforced in accordance with and governed by the laws of the State of Nevada.

5. Execution in Counterparts. This First Supplement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original, and all of which taken together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties have caused this
First Supplement to be duly executed as of the day and year
first above written.
