

The undersigned hereby certifies that there was done at least \$100.00 worth of labor and/or improvements upon or for all of the following claims situated in Eureka County, Nevada:

(Afghan and Afghan-Ext claims as listed on Exhibit "A" attached hereto.)

That the Certificate of Location of each and all of the above referenced claims have been filed for record in the offices of the County Recorder of Eureka County, in the town of Eureka, and the Nevada BLM, in the City of Reno, and such certificates are hereby referred to, and by such reference made a part hereof, for all particulars therein shown.

That said labor was performed intermittently during the period between September 1, 1991 and September 1, 1992. That such work to advance the development of said claims consisted of trenching located on Afghan 1, 3 and 5.

That said trenching was done by Stephen M. Sutherland, P. O. Box 5114, Reno, Nevada 89513, who has a B.S. in Geology from Mackay School of Mines, University of Nevada, Reno, Nevada and fifteen years experience in evaluation and development of mineral deposits. Said work was done on behalf of Lyle F. Campbell and/or the Lyle F. Campbell Trust, owner. The program was conducted with the cognizance and approval of Lyle F. Campbell, P. O. Box 7377, Reno, Nevada 89510, a B.Sc. in Mining Engineering, a graduate of the University of Minnesota, Minneapolis, MN, who has more than forty years of professional experience in engineering, mining and exploration.

The work resulted in discovery of high gold values indicating a strong potential for an ore body which will dictate location of exploration drill holes as well as further trenching to aid in further delineating an ore reserve.

That such work was done and performed for the development and benefit of each and all of the unpatented lode mining claims, all being contiguous. The amount of money expended and value of such labor, services and improvements was in excess of \$7,100.00. That all expenditures were made by or for Lyle F. Campbell, the Lyle F. Campbell Trust and/or others for the purpose of complying with the laws of the United States and of the state of Nevada in the performance of annual assessment work to maintain title to unpatented lode mining claims; that such work was done by or for and on behalf of and for the benefit of Lyle F. Campbell and/or the Lyle F. Campbell Trust, owner of the unpatented lode mining claims.

Subscribed and sworn to before me this 29th day of October, 1992.
