A. Trustor and Beneficiaries are parties to a Loan  
and Security Agreement dated as of March 22, 1989 (the "Original  
Loan Agreement"). The Original Loan Agreement was previ-  
ously amended by an Amendment dated as of June 30,  
1990, an Amendment dated as of April 30, 1991, and  
an Amendment Agreement dated as of March 26, 1992 (collect-  
ively, the "Prior Loan Agreement Amendments"). Concurrently  
with the execution and delivery of this Second Amendment, the  
Original Loan Agreement is being further amended by an Amend-  
ment Agreement dated as of December 1, 1992 (the "Current Loan  
Agreement Amendment"). The Original Loan Agreement, as  
amended by the Prior Loan Agreement Amendments and the Current  
Loan Agreement Amendment, is referred to herein as the "Loan  
Agreement".

B. Trustor's duties and obligations under the Loan  
Agreement and other documents and instruments associated with  
the Loan Agreement are secured by, among other collateral,  
certain property interests located in Eureka County, Nevada,  
and in Elko County, Nevada, described on Exhibits A through E  
attached hereto. These property interests are covered by a  
Deed of Trust, Mortgage, Security Agreement, Financing State-  
ment and Assignment of Proceeds, Rents and Leases dated as of

March 22, 1989 (the "Original Goldstrike Deed of Trust"), given by Trustor to First American Title Company of Nevada as trustee (the "Trustee") for the benefit of Beneficiaries. The Original Goldstrike Deed of Trust was filed for recording on March 23, 1989, and was recorded as File No. 126896, in Book 195 at Page 441, in the official real property records of Eureka County, Nevada. The Original Goldstrike Deed of Trust was filed for recording on March 23, 1989, and was recorded as File No. 319253, in Book 779 at Page 365, in the official real property records of Elko County, Nevada. The Original Goldstrike Deed of Trust was also previously supplemented by a First Supplement to Deed of Trust, Mortgage, Security Agreement, Financing Statement and Assignment of Proceeds, Rents and Leases dated as of August 14, 1992, (the "First Deed of Trust Supplement") between Trustor and Beneficiaries. The First Deed of Trust Amendment was filed for recording on March 30, 1992, and was recorded as File No. 140376, in Book 233 at Page 95, in the official real property records of Eureka County, Nevada. The Original Goldstrike Deed of Trust, as amended by the First Deed of Trust Supplement, is referred to herein as the "Goldstrike Deed of Trust." Unless the context requires otherwise capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Goldstrike Deed of Trust, or, if such terms are not defined in the Goldstrike Deed of Trust, such terms shall have the meanings ascribed to them in the Loan Agreement.

D. In conjunction with the current Loan Agreement Amendment, Trustor is entering into certain transactions and arrangements with various affiliates of Trustor, including, without limitation, Barrick Capital Corporation, an Irish corporation ("Barrick Capital"), and Barrick Financeco Inc., a Delaware corporation ("Financeco"). The current Loan Agreement Amendment is necessary to facilitate these transactions, which may be generally described as follows:

C. The Original Goldstrike Deed of Trust was previously amended by a First Supplement to Deed of Trust, Mortgage, Security Agreement, Financing Statement and Assignment of Proceeds, Rents and Leases dated as of March 26, 1992 (the "First Deed of Trust Amendment") between Trustor and Beneficiaries. The First Deed of Trust Amendment was filed for recording on March 30, 1992, and was recorded as File No. 140376, in Book 233 at Page 95, in the official real property records of Eureka County, Nevada. The First Deed of Trust Amendment was filed for recording on March 30, 1992, and was recorded as File No. 319253, in Book 779 at Page 365, in the official real property records of Elko County, Nevada. The Original Goldstrike Deed of Trust was also previously supplemented by a First Supplement to Deed of Trust, Mortgage, Security Agreement, Financing Statement and Assignment of Proceeds, Rents and Leases dated as of August 14, 1992, (the "First Deed of Trust Supplement") between Trustor and Beneficiaries. The First Deed of Trust Supplement was filed for recording on November 2, 1992, and was recorded as File No. 142922, in Book 241 at Page 214, in the official real property records of Eureka County, Nevada. The First Deed of Trust Supplement was filed for recording on November 2, 1992, and was recorded as File No. 328888, in Book 801 at Page 596, in the official real property records of Elko County, Nevada. The Original Goldstrike Deed of Trust, as amended by the First Deed of Trust Supplement, is referred to herein as the "Goldstrike Deed of Trust." Unless the context requires otherwise capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Goldstrike Deed of Trust, or, if such terms are not defined in the Goldstrike Deed of Trust, such terms shall have the meanings ascribed to them in the Loan Agreement.

1. Trustor is selling to Barrick Capital certain items of its existing plant, machinery and equipment (the "Transferred Property") pursuant to a Bill of Sale for Existing Equipment dated as of December 1, 1992 (the "Transferred Property Bill of Sale"). The Transferred Property is described more particularly on Exhibit F attached hereto. The Transferred Property is currently subject to the Goldstrike Deed of Trust and will remain subject to the Goldstrike Deed of Trust after the sale.

2. Upon the consummation of the sale referred in the immediately preceding paragraph 1, Barrick Capital is leasing the Transferred Property to Trustor pursuant to a Lease of Existing Equipment dated December 1, 1992 (as amended and supplemented from time to time, the "Existing Equipment Lease").

3. Trustor and various third party vendors are parties to certain executory contracts more particularly described on Exhibit G attached hereto (the "Executory Contracts") pursuant to which such third party vendors are obligated to manufacture, produce or obtain for Trustor certain items of plant, machinery and equipment (the "Contract Property"). Title to or ownership of a portion of the Contract Property has vested in Trustor (the "Vested Contract Property"). Neither title to nor ownership of the remaining portion of the Contract Property has vested in Trustor (the "Non-vested Contract Property"). Trustor is selling and assigning to Barrick Capital, pursuant to a Bill of Sale and Assignment for Contract Property and Interests dated as of December 1, 1992 (the "Contract Property Bill of Sale"), the Vested Contract Property and all of Trustor's right, title and interest in and to the Executory Contracts (the "Contract Interests"). The Vested Contract Property and the Contract Interests are currently subject to the Goldstrike Deed of Trust and will remain subject to the Goldstrike Deed of Trust after such sale and assignment.

4. Trustor, Barrick Capital and Financeco are entering into an arrangement whereby Barrick Capital will acquire hereafter the Nonvested Contract Property pursuant to the Contract Interests and will also acquire from third parties from time to time additional property designated by Trustor (such Nonvested Contract Property and additional property is referred to herein collectively as the "New Property"). Upon the acquisition of each item of New Property by Barrick Capital, Barrick Capital will lease the item to Financeco. Financeco will, in turn, sublease the item to Trustor. Concurrently with the execution and delivery of this Second Amendment, and in order to evidence and establish the terms and conditions of such leases and subleases, respectively, Barrick Capital and Financeco are entering into a New Equipment Master Lease dated as of December 1, 1992 (as

amended and supplemented from time to time, the "Master Lease", and Financeco and Trustor are entering into a New Equipment Master Sublease dated as of December 1, 1992 (as amended and supplemented from time to time, the "Master Sublease"). As each item of New Property is obtained by Barrick Capital, Barrick Capital and Financeco will enter into an individual lease pursuant to the Master Lease and Financeco and Trustor will enter into an individual sublease pursuant to the Master Sublease with respect to such item. The Vested Contract Property is also being leased by Barrick Capital to Financeco under individual leases and subleased by Financeco to Trustor under individual subleases pursuant to the Master Lease and Master Sublease, respectively. As used in this Second Amendment, the term "Master Lease" shall include all such individual leases and the term "Master Sublease" shall include all such individual subleases.

5. Trustor, Barrick Capital and Financeco are entering into a Limited Agency Agreement dated as of December 1, 1992 (the "Limited Agency Agreement"), which, among other things, designates Trustor as Barrick Capital's undisclosed agent for the purpose of acquiring New Property.

6. Trustor, Barrick Capital and Financeco are entering into a Purchase Agreement dated as of December 1, 1992 (the "Purchase Agreement") which, among other things, provides for the sale by Barrick Capital to Trustor of property subject to the Master Lease and Master Sublease upon the expiration or termination of the respective lease terms for each item of such property.

7. Trustor, Barrick Capital, Financeco and the Agent are entering into an Intercreditor Agreement dated as of December 1, 1992 (the "Intercreditor Agreement") which, among other things, provides that Barrick Capital's and Financeco's Sublease are junior and subordinate to the interests of Beneficiaries under the Goldstrike Deed of Trust and other Security Documents (as defined hereafter).

F. As an inducement to Beneficiaries to enter into the Current Loan Agreement Amendment, and in order to satisfy a condition precedent to the Current Loan Agreement Amendment becoming effective, Trustor desires to further amend the Goldstrike Deed of Trust by entering into this Second Amendment.

#### Agreement

In exchange for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Trustor and Beneficiaries agree as follows:

Beneficiaries hereby consent to the sale of the Transferred Property and the Vested Contract Property, and the assignment of the contract interests, by Trustor to Barrick Capital upon the terms and conditions set forth in the current Loan Agreement Amendment and in this Second Amendment; provided Beneficiaries' consent is expressly conditioned upon the Existing Equipment Lease, the Master Lease, the Master Sublease, the Limited Agency Agreement and the Purchase Agreement, in form and substance acceptable to Beneficiaries, becoming effective immediately upon the occurrence of the sale and assignment. Neither Trustee nor Beneficiaries are releasing, reconveying or waiving any right, title or interest that any of them may have in or to the Transferred Property, the Vested Contract Property and the contract interests in connection with the sale and assignment. The Transferred Property, the Vested Contract Property and the contract interests shall remain fully encumbered by the Goldstrike Deed of Trust, and subject to all of the terms and conditions thereof, from and after the effectiveness of the sale and assignment. Nothing in Section 3 or in any other section of this Second Amendment shall be construed or interpreted as impairing or extinguishing in any manner whatsoever the direct lien, security interest and other existing rights now held by Trustee and Beneficiaries in and to the Transferred Property, the Vested Contract Property and the contract interests. Without limiting the generality of the foregoing, the lien, security interest and other existing rights that Trustee and Beneficiaries now have or may hereafter acquire in the Existing Equipment Lease, the Master

Trustor has granted, mortgaged, pledged, assigned, transferred and conveyed, and does hereby grant, mortgage, pledge, assign, transfer and convey the Mortgaged Property to Trustee and to its successors and assigns, in trust, with power of sale, for the benefit and security of Beneficiaries under and subject to the terms and conditions set forth in the Goldstrike Deed of Trust.

4. Lien and Security Interests Cumulative. In conjunction with the execution and delivery of the current Loan Agreement Amendment, the following security documents are being executed and delivered for the benefit of Beneficiaries:

(a) A Deed of Trust, Mortgage, Security Agreement, Financing Statement and Assignment of Proceeds, Rents and Leases dated as of December 1, 1992 (the "Financco Deed of Trust"), given by Financco to Trustee for the benefit of Beneficiaries. The Financco Deed of Trust encumbers, among other things: (i) the lessee's interest under the Master Lease; (ii) the sublessor's interest under the Master Sublease; (iii) all right, title and interest that Financco may at any time have in or to property that is now or hereafter becomes subject to either the Master Lease or the Master Sublease; and (iv) all of Financco's rights, titles and interests under the Limited Agency Agreement and the Purchase Agreement; and

The liens, security interests and rights of Trustee and Beneficiaries under the Financo Deed of Trust and the Barrick Capital Deed of Trust are in addition to, and not in lieu of, the liens, security interests and rights of Trustee and Beneficiaries under the Goldstrike Deed of Trust, notwithstanding any overlap or duplication that may exist between or among any such documents. Trustee and Beneficiaries may exercise any right or remedy that they may have under the Goldstrike Deed of Trust, the Financo Deed of Trust, the Barrick Capital Deed of Trust or any other document or instrument providing security for the Obligations (collectively, the "Security Documents"), without any obligation to exercise any other right or remedy under the same or any other Security Document. Trustee and Beneficiaries may exercise their rights and remedies under the Security Documents in such order and combinations, and at such times or from time to time, as they, in their sole discretion, determine. (t) The Mortgaged Property covers and embraces all property interests necessary or sufficient to develop the Project generally in accordance with the Mining Plan;

(s) Except as previously disclosed by Trustor to Beneficiaries in writing, Trustor has no knowledge, after reasonable inquiry, of adverse or conflicting claims to or the assertion of adverse interests in or to the Class A Properties and Trustor has no actual knowledge of adverse or conflicting claims to or the assertion of adverse interests in or to the Class B Properties;

certificates of location with respect to the Millsite Claims were properly and timely filed and recorded and all annual filings necessary to keep the Millsite Claims in good standing have been properly and timely made; and (iii) to the best of Trustor's actual knowledge, except as disclosed in the Title Letter, the Mining Claims constituting the Class B Properties were located on land open to location and location notices or certificates of location necessary to locate the claims were filed and recorded in compliance with applicable law, all filings necessary to maintain such claims in accordance with law have been properly and timely made, no adverse claims or possessory interests are being asserted against such Mining Claims and Trustor is in exclusive possession of such Mining Claims, sufficient to conduct operations on the claims generally in accordance with the Mining Plan;

Trustor by any governmental authority of any proceeding to condemn, purchase or otherwise acquire the Mortgaged Property or any part thereof or interest therein, and, to the best of the Trustor's knowledge, no such proceeding is contemplated;

(x) The spot-deferred forward sales contracts to which Trustor is a party permit Trustor, at its sole discretion, to make delivery of Material under such contracts on the dates used for purposes of calculating Trustor's compliance with the provisions of Sections 6.01(c) and 6.02(d) of the Loan Agreement, as provided on Exhibit H attached hereto, which sets forth a summary of (i) Trustor's gold price hedging position and the calculations made to ascertain Trustor's compliance with the provisions of Section 6.01(c) of the Loan Agreement and (ii) Trustor's commitments under gold-related futures contracts and the calculations made to ascertain the Trustor's compliance with the provisions of Section 6.02(d) of the Loan Agreement;

(y) No event has occurred and is continuing which constitutes an Event of Default; and

(z) Trustor holds good and marketable fee title to the Transferred Property and Vested Contract Property, and, upon the acquisition of each item of New Property and the consummation of an individual lease under the Master Lease and an individual sublease under the Master Sublease with respect to such item, Trustor will have good and marketable title to such item, free and clear of all liens, provided, however, that the representations and warranties made in this paragraph (z) are subject to the liens of the Agent and Beneficiaries arising in connection with the transactions contemplated under the Loan Agreement and the respective interests of Financeco and Barrick Capital under the Existing Equipment Lease, the Master Lease, the Master Sublease, the Transferred Property Bill of Sale, the Contract Property Bill of Sale and the Limited Agency Agreement, as applicable;

provided that any breach or combination of breaches of the representations and warranties made by Trustor in the immediately preceding paragraphs (g)-(w) and (z) of this Second Amendment shall not be deemed to constitute an Event of Default or potential Event of Default under the Loan Agreement, the goldstrike Deed of Trust (as amended by this Second Amendment) or the Parent Guaranty unless or until such breach, or the cumulative effect of all uncured breaches, would be likely (now or with the passage of time) to have a material adverse effect on the value of the Mortgaged Property, taken as a whole, or would be likely (now or with the passage of time) to have a material adverse effect upon the operation of the Project, taken as a whole, in accordance with the Mining Plan.

8. Lease Covenants. Trustor shall:

(a) Fully perform, in a timely manner, all of its duties and obligations under the Existing Equipment Lease, the Master Sublease, the Limited Agency Agreement and the Purchase Agreement;

(b) Assure that all representations and warranties made by Trustor under the Existing Equipment Lease, the Master Sublease, the Limited Agency Agreement and the Purchase Agreement are true and correct;

(c) Exercise, in a timely manner, upon the expiration on termination of the applicable lease terms, each and every option or other rights which it may have under the Existing Equipment Lease, the Master Sublease or the Purchase Agreement to purchase or otherwise acquire the Transferred Property, New Property or Contract Property and timely take all actions required to consummate such purchases;

(d) Not agree or consent to any amendment or modification to the Existing Equipment Lease, the Master Sublease, the Purchase Agreement or the Limited Agency Agreement without the prior written consent of Beneficiaries; provided, nothing in this subparagraph (d) shall be construed or interpreted as prohibiting Trustor from entering into individual subleases under the Master Sublease solely for the purpose of reflecting additional property that is being made subject thereto, so long as such individual subleases are not inconsistent with the terms and provisions of the Master Sublease;

(e) Not sell, transfer, convey, encumber, pledge, waive or otherwise dispose of any right, title or interest that Trustor now has or may hereafter acquire under the Existing Equipment Lease, the Master Sublease, the Purchase Agreement or the Limited Agency Agreement except pursuant to the terms of the Existing Equipment Lease, the Master Sublease or the Goldstrike Deed of Trust, as amended by this Second Amendment;

(f) Take reasonable action, including, without limitation, initiating and diligently pursuing legal action, if necessary, to preserve all of its rights and enforce all of its remedies under the Existing Equipment Lease, the Master Sublease, the Limited Agency Agreement and the Purchase Agreement if the failure to take such action would materially impair the value of the Mortgaged Property, taken as a whole;

(g) Promptly notify the Agent of the occurrence of any event which constitutes or, with the passage of time, the giving of notice, or both, would constitute an Event of Default on the part of any party to the Existing Equipment

Lease, the Master Sublease, the Limited Agency Agreement or the Purchase Agreement;

(h) Within 15 days after the end of each calendar quarter, provide the Agent with a true and correct copy of each and every individual sublease entered into under the Master Sublease during such calendar quarter; provided Trustor shall provide the Agent promptly upon the execution thereof, a copy of each individual sublease if the cost or fair market value of the item subject to such individual sublease exceeds \$10,000,000; and

(i) Promptly provide the Agent with such additional information as the Agent may reasonably request regarding the property subject to any individual sublease entered into under the Master Sublease.

9. Lease Default. Without limiting any other right of Beneficiaries under the Loan Agreement, the Goldstrike Deed of Trust or under any other document, instrument or applicable law, Beneficiaries shall have the right to cure any default of Trustor under the Existing Equipment Lease, the Master Sublease or the Purchase Agreement. Upon demand, Trustor shall promptly reimburse Beneficiaries for costs incurred by them in curing any such default.

10. Property Covenants. Trustor shall remain obligated to perform, with respect to the Transferred Property, Vested contract Property and Contract Interests, all provisions of the Goldstrike Deed of Trust, as amended by this Second Amendment, relating to the preservation, care, maintenance, use and protection of the Mortgaged Property. All New Property shall be deemed Mortgaged Property for purposes of all provisions of the Goldstrike Deed of Trust, as amended by this Second Amendment, regarding or relating to the preservation, care, maintenance, use and protection of Mortgaged Property, and Trustor shall fully and timely comply with all such provisions as to New Property as though title to this property were held by Trustor. To the extent the Existing Equipment Lease, the Master Sublease or the Goldstrike Deed of Trust, as amended by this Second Amendment, collectively or individually, impose a higher or more stringent standard regarding the preservation, care, maintenance, use or protection of any Mortgaged Property, the higher or more stringent standard shall apply.

11. Existing Rights. Nothing in this Second Amendment shall have the effect of, nor shall it be construed as, (a) limiting, impairing, restricting, narrowing or reducing, in any manner or to any degree whatsoever, the rights, titles or interests of Beneficiaries in the Mortgaged Property, or (b) releasing, reconveying or waiving the lien or security interest of the Goldstrike Deed of Trust as to any property,

right, title or interest constituting Mortgaged Property. Except as expressly provided in this Second Amendment or the current Loan Agreement Amendment, Beneficiaries reserve all rights that they may have, including, without limitation, all liens and security interests, under the Goldstrike Deed of Trust.

12. Application of Proceeds. In the event proceeds generated from any loss, damage, destruction, condemnation, sale under threat of condemnation, or the exercise of any remedy of Beneficiaries ("Proceeds") are simultaneously subject to more than one Security Document, Beneficiaries may allocate such Proceeds to or among the Security Documents to which such Proceeds are subject in any reasonable manner determined by Beneficiaries. If Proceeds generated under one Security Document are required, under such Document, to be applied to any particular account or purpose, and if Proceeds generated under any other Security Document are required, under such other Security Document, to be applied to the same account or purpose, Beneficiaries may, in their sole discretion, determine the order in which such Proceeds shall be applied to such account or purpose. Nothing herein shall entitle Beneficiaries to apply Proceeds subject to the Goldstrike Deed of Trust to any particular amount or item due and payable to them to the extent such amount or item has been fully paid with Proceeds subject to any other Security Document.

13. Governing Law. This Second Amendment shall be construed and enforced in accordance with and governed by the laws of the State of Nevada.

14. Execution in Counterparts. This Second Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of

which when so executed shall be deemed to be an original, and all of which taken together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties have caused this Second Amendment to be duly executed as of the day and year first above written.
