There is, however, expressly excepted and excluded from the lien and operation of the Indenture:

(a) All property excepted or excluded or intended to be excepted or excluded by the granting clauses of the Original Indenture as heretofore supplemented and modified and as hereby supplemented, subject to the provisions of §5.16 of the Original Indenture as renumbered by §1.07 of the Twentieth Supplemental Indenture, provided, however, that no properties necessary or appropriate for purchasing, storing, generating, manufacturing, utilizing, transmitting, supplying and/or disposing of electricity, water and/or gas shall be excepted from the lien of the Indenture, anything contained in Subdivision I of Part X of the Granting Clauses of the Original Indenture to the contrary notwithstanding; and

(b) All property released or otherwise disposed of pursuant to the provisions of Article 6 of the Original Indenture (all herein sometimes for convenience collectively referred to as "excepted property").

TO HAVE AND TO HOLD all that part of the aforesaid property, rights, privileges, franchises and immunities not situated in the State of California, whether now owned or hereafter acquired by the Company, unto the Trustees, and their respective successors and assigns in trust forever; and

TO HAVE AND TO HOLD all that part of the aforesaid property, rights, privileges, franchises and immunities situated in the State of California, whether now owned or hereafter acquired by the Company, unto the Individual Trustee, and his successors and assigns in trust forever.

SUBJECT, HOWEVER, to the exceptions and reservations and matters hereinabove recited, any permitted liens, other than liens and encumbrances junior to the lien of the Indenture, as defined in §1.01(Y) of the Original Indenture as modified by §1.03 of the Twentieth Supplemental Indenture, and to liens existing on any property hereafter acquired by the Company at the time of such acquisition or permitted by §5.04 of the Original Indenture.

BUT IN TRUST, NEVERTHELESS, for the equal pro rata benefit, security and protection of all present and future holders of the Bonds issued and to be issued under and secured by the Indenture, and to secure the payment of such Bonds and the interest thereon, in accordance with the provisions of said Bonds and of the Indenture, without any discrimination, preference, priority or

distinction as to lien or otherwise of any bond over any other bond, except insofar as any sinking fund established in accordance with the provisions of the Indenture may afford additional security for the Bonds of any one or more series and except as provided in §10.29 of the Original Indenture, so that the principal and interest of every such Bond shall be equally and ratably secured by the Indenture, as if all said Bonds had been issued, sold and delivered for value simultaneously with the execution of the Original Indenture and to secure the performance of and the compliance with the covenants and conditions of said Bonds and of the Indenture, and upon the trusts and for the uses and purposes and subject to the covenants, agreements, provisions and conditions hereinafter set forth and declared, it being hereby agreed as follows, to wit:

ARTICLE 1.

Description of Bonds of the JJ Series

§1.01. Establishment of Bonds of the JJ Series. There shall be and hereby is established a new series of Bonds to be issued under and secured by the Indenture and to be designated as the Company's "First Mortgage Bonds, 5.90% Series JJ due 2023" (herein sometimes referred to as "Bonds of the JJ Series").

§1.02. Terms of Bonds of the JJ Series. The Bonds of the JJ Series shall be evidenced by a single registered Bond in the principal amount and denomination of Nine Million Eight Hundred Thousand Dollars (\$9,800,000) due June 1, 2023; it shall bear interest at the rate per annum shown in its title, payable semi-annually on June 1 and December 1 of each year, commencing December 1, 1993. Interest on the Bonds of the JJ Series shall be computed on the basis of a 360-day year of twelve 30-day months. The Bonds of the JJ Series shall be dated as provided in §2.08 of the Original Indenture as modified by §2.03 of the Twelfth Supplemental Indenture.

The single Bond of the JJ Series shall be numbered 1 and shall upon issuance be delivered by the Company to and registered in the name of the First Washoe Trustee and shall be transferable only as required to effect an assignment thereof to a successor trustee under the First Washoe Indenture. Bonds issued upon transfer shall be numbered from 2 upwards and issued in the same \$9,800,000 denomination but, to the extent that payments of principal shall therefore have been made on the 1993A Washoe Bonds, the First Washoe Trustee shall duly note on the Bond of the JJ Series a like amount of principal in the schedule of repayments and upon any transfer of said Bond shall duly note the date to which interest has been paid.

It is expected that the company, pursuant to the First Washoe Agreement, will furnish directly to the First Washoe Trustee at its principal corporate trust office all funds required for any and all payments of principal of, and interest and premium on, the 1993A Washoe Bonds (or that in lieu of any such payment the Company or Washoe County will deposit with the First Washoe Trustee 1993A Washoe Bonds for cancellation). All such payments and deposits shall automatically constitute corresponding payments of interest and of installments of principal (including premiums if appropriate) on the single Bond of the JJ Series. Any such payment may be made in any coin or currency of the United States which is legal tender for the payment of public and private debts.

Unless payment then is or has been made pursuant to the next preceding paragraph, payment of the principal of, and premium, if any, and interest on the single Bond of the JJ Series shall be made in any coin or currency of the United States which at the time of payment is legal tender for the payment of public and private debts at the principal corporate trust office of the First Washoe Trustee, by check or wire transfer to the First Washoe Trustee for the account of Washoe County in funds immediately available at said office of the First Washoe Trustee, in each case on or prior to the business day preceding the due date for such payment. Any such payment of principal, premium and interest shall be credited as and used to make a corresponding payment of principal, premium and interest on the 1993A Washoe Bonds.

The Trustees may at any and all times conclusively assume that the obligation of the company to make payments with respect to the principal of and premium, if any, and interest on Bonds of the JJ Series, so far as such payments shall at the time have become due, has been fully satisfied and discharged unless and until the Trustee shall have received a written notice from the First Washoe Trustee signed by one of its officers, stating (i) that the company is in arrears as to the payments required to be made by it to the First Washoe Trustee pursuant to the First Washoe Agreement and (ii) the amount of the arrearage.

The First Washoe Trustee, by acceptance of the single Bond of the JJ Series, shall agree to make prompt notation thereon of all payments and prepayments on account of principal thereof made or occurring under any provision of the First Washoe Agreement or of this Thirty-second Supplemental Indenture, and to surrender said Bond to the Trustee upon final payment thereof.

If any of the following defaults or events of default occurs under Section 8.01 of the First Washoe Indenture, it shall be deemed to be the corresponding default under Section 10.01 of the Indenture as hereafter set forth: (i) failure to make payment of any installment of interest upon any 1993A Washoe Bond shall be

deemed to be a default, under Section 10.01(a) of the Indenture, in the due and punctual payment of a like amount of interest on the Bond of the UJ Series, (ii) failure to make due and punctual payment of the principal of and premium, if any, on any 1993A Washoe Bond at the stated maturity thereof or upon redemption thereof shall be deemed to be a default, under Section 10.01(b) of the Indenture, in the due and punctual payment of a like amount of principal of the Bond of the UJ Series, (iii) the occurrence of an "event of default" under the First Washoe Agreement shall be deemed to be a default under Section 10.01(d) of the Indenture, and (iv) failure on the part of Washoe County to perform or observe any of its covenants, agreements or conditions in the First Washoe Indenture or in the 1993A Washoe Bonds and failure to remedy the same after notice thereof pursuant to Section 8.10 of the First Washoe Indenture shall be deemed to be a default under Section 10.01(d) of the Indenture. Any notice affecting or relating to the Bonds of the UJ Series required or permitted to be given under the Indenture may be given by mailing the same by first class mail, postage prepaid, to the First Washoe Trustee at its address as the same appears on the Bond register for the Bonds of the UJ Series. The certificate of the Trustee that such mailing has been effected shall be conclusive evidence of compliance with the requirements of this \$1.02 and of \$16.08 of the Original Indenture as modified by \$2.07 of the Twelfth Supplemental Indenture, whether or not the First Washoe Trustee receives such notice.

The Trustee hereunder shall, by virtue of its office as such Trustee, be the Registrar and Transfer Agent of the Company for the purpose of registering and transferring Bonds of the UJ Series, and shall maintain a Bond register for the Bonds of the UJ Series.

§1.03. Prepayment provisions for Bonds of the UJ Series. The single Bond of the UJ Series is prepayable at any time if (1) the Company shall elect to prepay installments payable under Section 7.1 of the First Washoe Agreement and to cause the 1993A Washoe Bonds to be redeemed, in whole or in part, pursuant to Section 3.02 of the First Washoe Indenture, or (2) the Company shall be obligated to prepay installments payable under Section 7.2 of the First Washoe Agreement and to cause the 1993A Washoe Bonds to be redeemed, in whole or in part, upon the occurrence of an event specified in Section 3.03 of the First Washoe Indenture, subject, however, to any applicable provisions of clause (2) of Section 6.05 of the Original Indenture, which shall control. In any such event, the single Bond of the UJ Series shall be prepaid by the Company, in whole or in identical part, as the case may be, at 100% of the unpaid principal amount thereof so prepaid plus accrued interest to the prepayment date, which date shall be the same as the redemption date for the 1993A Washoe Bonds.

Without limiting the foregoing, the single Bond of the JJ Series shall also be prepaid by the Company on or after June 1, 2003, in whole at any time or in part from time to time during the periods specified below if the Company shall have elected to prepay installments under the First Washoe Agreement of like principal amount as the 1993A Washoe Bonds that it elects to redeem on the prepayment date in accordance with Section 3.01 of the First Washoe Indenture. Such prepayment shall be at the prepayment price determined in accordance with the following table plus accrued interest to the prepayment date:

If prepayment date is during the twelve months beginning June 1

2003	2004	2005 and thereafter
102	101	100
%		

In each case where a portion or all of the single Bond of the JJ Series is to be prepaid as contemplated by this Section 1.03, notice of not less than thirty (30) days shall be given by the Company to the First Washoe Trustee unless such notice shall have been waived in writing by the First Washoe Trustee. A copy of each such notice and each such waiver of notice shall be furnished by the Company to the Trustee.

In the event of such prepayment of the 1993A Washoe Bonds, the First Washoe Trustee shall forthwith make notation of payment of a like principal amount of the Bonds of the JJ Series in the Schedule of Prepayments of Principal printed thereon, and shall promptly notify the Trustee of the amount of such payment and that notation of such payment has been duly made. The First Washoe Trustee shall surrender the Bond of the JJ Series to the Trustee when all principal of, and premium, if any, and interest on, the 1993A Washoe Bonds shall have been duly paid.

All portions of the single Bond of the JJ Series which may from time to time be paid or prepaid in accordance with this Section 1.03 shall thereupon be deemed to be funded, and no such portion may be reissued, so long as any portion of said Bond of the JJ Series is outstanding.

§1.04. Form of Bonds of the JJ Series. The Bonds of the JJ Series and the Trustee's authentication certificate to be executed on the Bonds of said series shall be substantially in the forms following, respectively:

NOTE: THE HOLDER OF THIS BOND BY ACCEPTANCE HEREOF AGREES TO RESTRICTIONS ON TRANSFER, TO WAIVERS OF CERTAIN RIGHTS OF EXCHANGE, AND TO INDEMNIFICATION PROVISIONS AS SET FORTH BELOW. IN ADDITION, THE BOND REPRESENTED BY THIS CERTIFICATE HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933 AND SUCH BOND MAY NOT BE TRANSFERRED WITHOUT COMPLIANCE WITH APPLICABLE SECURITIES LAWS.

THIS BOND IS NOT TRANSFERABLE EXCEPT TO A SUCCESSOR TRUSTEE UNDER THE INDENTURE OF TRUST, DATED AS OF JUNE 1, 1993, BETWEEN WASHOE COUNTY, NEVADA AND FIRST INTERSTATE BANK OF NEVADA, N.A., AS TRUSTEE.

SIERRA PACIFIC POWER COMPANY

Incorporated under the laws of the state of Nevada

First Mortgage Bond, 5.90% Series JJ due 2023

Due June 1, 2023

No. _____ \$9,800,000

SIERRA PACIFIC POWER COMPANY, a Nevada corporation (hereinafter sometimes called the "Company" which term shall include any successor corporation as defined in the Indenture referred to below), for value received, hereby promises to pay to First Interstate Bank of Nevada, N.A., as trustee (the "Washoe Trustee") under an Indenture of Trust (the "Washoe Indenture") dated as of June 1, 1993 between Washoe County, Nevada ("Washoe County") and the Washoe Trustee, or to its successor as such trustee, the sum of Nine Million Eight Hundred Thousand Dollars (\$9,800,000) on June 1, 2023 together with interest from June 1, 1993 on the unpaid principal amount of this bond at the rate of 5.90% per annum, such interest to be paid semi-annually in arrears on the first day of June and December commencing December 1, 1993.

This bond is issued to the Washoe Trustee as security for the payment by the Company of the principal of, and interest and premium on, a like amount of bonds (the "Washoe Bonds") issued under the Washoe Indenture pursuant to a Financing Agreement dated as of June 1, 1993 between Washoe County and the Company (the "Washoe Agreement"). It is expected that the Company will make all payments of principal of, and interest and premium on, the Washoe Bonds directly to the Washoe Trustee (or that in lieu thereof the Company or Washoe County will deposit with the Washoe Trustee Washoe Bonds for cancellation). All such payments shall automatically constitute corresponding payments on the Bonds of the JJ Series. The holder of this bond by acceptance hereof

agrees that whenever any payment on account of the principal of this bond is made or occurs under any provision of the indenture referred to below (the "Indenture"), the Washoe Agreement or the Washoe Indenture, the holder hereof shall promptly note on the schedule of prepayments of principal the date and amount of each such payment of principal, and shall promptly notify the Trustee of the amount of each such payment and that the notation of payment has been duly made, and further agrees to surrender this bond to the Trustee for cancellation when all principal of, premium, if any, and interest on this bond shall have been duly paid.

Unless payment there is or has been made pursuant to the foregoing paragraph, the principal of and premium, if any, and interest on this bond will be paid in lawful money of the United States of America and will be payable at the principal corporate trust office of the Washoe Trustee by check or wire transfer to the order of the Washoe Trustee for the account of Washoe County in Federal funds immediately available at said office of the Washoe Trustee, in each case on or prior to the business day preceding the due date for such payment. The holder of this bond by acceptance hereof agrees that any such payment of principal, premium or interest on this bond shall be credited as and used to make a corresponding payment of principal, premium or interest on the Washoe Bonds.

If any of the following defaults or events of default occurs under Section 8.01 of the Washoe Indenture, it shall be deemed to be the corresponding default under Section 10.01 of the Indenture as hereafter set forth: (i) Failure to make payment of any installment of interest upon any Washoe Bond shall be deemed to be a default, under Section 10.01(a) of the Indenture, in the due and punctual payment of a like amount of interest on this bond, and failure to make due and punctual payment of the principal of and premium, if any, on any Washoe Bond at the stated maturity thereof or upon redemption thereof shall be deemed to be a default, under Section 10.01(b) of the Indenture, in the due and punctual payment of a like amount of principal of this bond, (ii) the occurrence of an "event of default" under the Washoe Agreement shall be deemed to be a default under Section 10.01(d) of the Indenture, and (iv) failure on the part of Washoe County to perform or observe any of its covenants, agreements or conditions in the Washoe Indenture or in the Washoe Bonds and failure to remedy the same after notice thereof pursuant to Section 8.10 of the Washoe Indenture shall be deemed to be a default under Section 10.01(d) of the Indenture.

This Bond is the single registered bond evidencing the bonds of a series (herein sometimes referred to as the "Bonds of the JJ Series") of an authorized issue of bonds of the Company, known as First Mortgage Bonds, not limited as to maximum aggregate principal amount except as otherwise provided in the Indenture

hereinafter mentioned, all issued or issuable in one or more series (which several series may be of different denominations, sinking fund, established in accordance with the provisions of the Indenture hereinafter mentioned, may afford additional security for other Bonds of any particular series) by an Indenture of Mortgage dated as of December 1, 1940, duly executed and delivered by the Company's predecessor, Sierra Pacific Power Company, a Maine corporation, and duly assumed by the Company by means of the Tenth Supplemental Indenture hereinafter mentioned, to The New England Trust Company (now State Street Bank and Trust Company by succession, herein sometimes called the "Trustee"), and Leo W. Huegle (now Gerald R. Wheeler by succession), as Trustees, as supplemented and modified by the First Supplemental Indenture, dated as of August 1, 1947, by the Second Supplemental Indenture, dated as of June 1, 1964, by the Tenth Supplemental Indenture, dated as of March 31, 1965, by the Twelfth Supplemental Indenture, dated as of July 1, 1967, by the Fourteenth Supplemental Indenture, dated as of November 1, 1972, by the Fifteenth Supplemental Indenture, dated as of May 1, 1974, by the Seventeenth Supplemental Indenture, dated as of July 1, 1976, by the Eighteenth Supplemental Indenture, dated as of August 1, 1977, by the Nineteenth Supplemental Indenture, dated as of April 1, 1978, and by the Twentieth Supplemental Indenture, dated as of October 1, 1978, and as supplemented by all other Indentures supplemental thereto including a Thirty-second Supplemental Indenture, dated as of June 1, 1993, executed and delivered by the Company (or executed and delivered by its predecessor and duly assumed by the Company) to said Trustees, to which Indenture of Mortgage and all Indentures supplemental thereto (herein sometimes collectively called the "Indenture") reference is hereby made for a description of the property mortgaged and pledged as security for said bonds, the rights and remedies and limitations on such rights and remedies of the registered owner of this bond in regard thereto, the terms and conditions upon which said bonds are secured thereby, the terms and conditions upon which additional bonds and coupons may be issued thereunder and the rights, immunities and obligations of the Trustees under said Indenture; but neither the foregoing reference to said Indenture, nor any provision of this bond or of said Indenture, shall affect or impair the obligation of the Company, which is absolute, unconditional and unalterable, to pay at the maturity herein provided the principal of and premium, if any, and interest on this bond as herein provided.

Said Indenture, among other things, provides that no bondholder or bondholders may institute any suit, action or proceeding for the collection of this bond, or claim for interest thereon, or to enforce the lien of said Indenture, if and to the extent that the institution or prosecution thereof or the entry of a judgment or a decree therein would, under applicable law,

result in the surrender, impairment, waiver or loss of the lien of said Indenture upon any property subject thereto.

This Bond is prepayable at any time if (1) the Company shall elect to prepay installments payable under Section 7.1 of the Washoe Agreement and to cause the Washoe Bonds to be redeemed, in whole or in part, pursuant to Section 3.02 of the Washoe Indenture, or (2) subject to Section 6.05 of the Indenture, the Company shall be obligated to prepay installments payable under Section 7.2 of the Washoe Agreement and to cause the Washoe Bonds to be redeemed, in whole or in part, upon the occurrence of an event specified in Section 3.03 of the Washoe Indenture. In any such event this Bond shall be prepaid by the Company, in whole or in identical part, as the case may be, at 100% of the unpaid principal amount thereof so prepaid plus accrued interest to the prepayment date, which date shall be the same as the redemption date for the Washoe Bonds.

Without limiting the foregoing, this Bond shall also be prepaid by the Company on or after June 1, 2003, in whole at any time or in part from time to time during the periods specified below if the Company shall have elected to prepay installments under the Washoe Agreement of like principal amount as the Washoe Bonds that it elects to redeem on the prepayment date in accordance with Section 3.01 of the Washoe Indenture. Such prepayment shall be at the prepayment price determined in accordance with the following table plus accrued interest to the prepayment date:

Prepayment date is during the twelve months beginning June 1	2003	2004	2005 and thereafter
	102	101	100
	%		
	<u>Prepayment Price</u>		

In each case where a portion or all of this Bond is to be prepaid as contemplated herein, notice of not less than thirty (30) days shall be given by the Company to the Washoe Trustee unless such notice shall have been waived in writing by the Washoe Trustee. A copy of each such notice and each such waiver of notice shall be furnished by the Company to the Trustee. In the event of such prepayment of the Washoe Bonds, the Washoe Trustee shall forthwith make notation of payment of a like principal amount of this Bond in the schedule of prepayments of principal printed hereon, and shall promptly notify the Trustee of the amount of such payment and that notation of such payment has been duly made. The Washoe Trustee shall surrender this Bond

to the Trustee when all principal of, and premium, if any, and interest on, the Washoe Bonds shall have been duly paid.

In case all or substantially all of the electric properties of the company are sold to or taken through the exercise of the right of eminent domain or the right to purchase by any municipal or governmental body or agency, the principal of this Bond will, upon receipt by the Company of payment or compensation, become due and payable before maturity at the principal amount thereof and accrued interest thereon, all as provided in said Indenture.

To the extent permitted and as provided in said Indenture,

modifications or alterations of said Indenture, or any Indenture supplemental thereto, and of the bonds issued thereunder and of the rights and obligations of the Company and the rights of the bearers or registered owners of the bonds and coupons, if any, may be made with the consent of the Company and with the written approvals or consents of the bearers or registered owners of not less than seventy-five per centum (75%) in principal amount of the bonds outstanding, and unless all of the bonds then outstanding under said Indenture are affected in the same manner and to the same extent by such modification or alteration, with the written approvals or consents of the bearers or registered owners of not less than seventy-five per centum (75%) in principal amount of the bonds of each series outstanding, provided, however, that no such alteration or modification shall, without the written approval of or consent of the bearer or registered owner of any bond affected thereby, (a) impair or affect the right of such bearer or registered owner to receive payment of the principal of and interest on such bond, or to institute suit for the enforcement of any such payment on or after the respective due dates expressed in such bond, or to after such respective dates, except that the holders of not less than seventy-five per centum (75%) in principal amount of the bonds outstanding may consent on behalf of the bearers or registered owners of all of the bonds to the postponement of any interest payment for a period of not exceeding three (3) years from its due date, or (b) deprive any bearer or registered owner of the bonds of a lien on the mortgaged and pledged property, or (c) reduce the percentage of the principal amount of the bonds upon the consent of which modifications may be effected as

aforesaid.

In case an event of default as defined in said Indenture shall occur, the principal of this Bond may become or be declared due and payable before maturity in the manner and with the effect provided in said Indenture. The holders, however, of certain specified percentages of the bonds at the time outstanding, including in certain cases specified percentages of bonds of particular series, may in the cases, to the extent and under the conditions provided in said Indenture, waive defaults thereunder and the consequences of such defaults.

The Company and the Trustee and any paying agent may deem and treat the person in whose name this bond shall be registered upon the Bond register for the Bonds of the U Series as the absolute owner of such bond for the purpose of receiving payment of or on account of the principal of and interest on this bond and for all other purposes, whether or not this Bond be overdue, and neither the Company nor the Trustee nor any paying agent shall be affected by any notice to the contrary; and all such payments so made to such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon this Bond to the extent of the sum or sums so paid.

Before any transfer of this Bond by the registered holder or his or its legal representative will be recognized or given effect by the Company or the Trustee, the registered holder shall note hereon the date to which interest has been paid as well as the amounts of all principal prepayments hereon, and shall notify the Company and the Trustee of the name and address of the transferee and shall afford the Company and the Trustee the opportunity of verifying the notation as to payment of interest and principal. By the acceptance hereof the holder of this Bond and each transferee shall be deemed to have agreed to indemnify and hold harmless the Company and the Trustee against all losses, claims, damages or liability arising out of any failure on the part of the holder or of any such transferee to comply with the requirements of the preceding sentence.

It is part of the contract herein contained that each registered owner hereof by the acceptance hereof waives all right of recourse to any personal liability of any incorporator, stockholder, officer or director, past, present or future, of the Company, as such, or of any predecessor or successor corporation, however arising, for the collection of any indebtedness hereunder; and as a part of the consideration for the issue hereof releases from all such liability each such incorporator, stockholder, officer or director, all as provided in said Indenture.

Each registered owner hereof by his acceptance hereof waives any right to exchange any unpaid portion of this Bond for another Bond under \$4.01 of the Indenture.

This Bond has not been registered under the Securities Act of 1933, as amended, and may not be offered or sold in contravention of said Act and is not transferable except to a successor trustee under the Washoe Indenture.

This Bond shall not become or be valid or obligatory for any purpose until the authentication certificate endorsed hereon shall have been signed by the Trustee.

IN WITNESS WHEREOF, Sierra Pacific Power Company has caused this Bond to be executed in its name and behalf by the manual or facsimile signature of its Treasurer and its corporate seal, or a facsimile thereof, to be affixed or printed hereon and attested by the manual or facsimile signature of its Secretary or one of its Assistant Secretaries.

§2.01. Establishment of Bonds of the KK Series. There shall be and hereby is established a new series of Bonds to be issued under and secured by the Indenture and to be designated as the Company's "First Mortgage Bonds, 5.90% Series KK due 2023" (herein sometimes referred to as "Bonds of the KK Series").

§2.02. Terms of Bonds of the KK Series. The Bonds of the KK Series shall be evidenced by a single registered Bond in the principal amount and denomination of Thirty Million Dollars (\$30,000,000) due June 1, 2023; it shall bear interest at the rate per annum shown in its title, payable semi-annually on June 1 and December 1 of each year, commencing December 1, 1993. Interest on the Bond of the KK Series shall be computed on the basis of a 360-day year of twelve 30-day months. The Bonds of the KK Series shall be dated as provided in §2.08 of the Original Indenture as modified by §2.03 of the Twelfth Supplemental Indenture.

The single Bond of the KK Series shall be numbered 1 and shall upon issuance be delivered by the company to and registered in the name of the Second Washoe Trustee and shall be transferable only as required to effect an assignment thereof to a successor trustee under the Second Washoe Indenture. Bonds issued upon transfer shall be numbered from 2 upwards and issued in the same \$30,000,000 denomination but, to the extent that payments of principal shall theretofore have been made on the 1993B Washoe Bonds, the Second Washoe Trustee shall duly note on the Bond of the KK Series a like amount of principal in the

Schedule of Prepayments of Principal and upon any transfer of said Bond shall duly note the date to which interest has been paid.

It is expected that the Company, pursuant to the Second Washoe Agreement, will furnish directly to the Second Washoe Trustee at its principal corporate trust office all funds required for any and all payments of principal of, and interest and premium on, 1993B Washoe Bonds (or that in lieu of any such payment the Company or Washoe County will deposit with the Second Washoe Trustee 1993B Washoe Bonds for cancellation). All such payments and deposits shall automatically constitute corresponding payments of interest and of installments of principal (including premiums if appropriate) on the single Bond of the KK Series. Any such payment may be made in any coin or currency of the United States which is legal tender for the payment of public and private debts.

Unless payment then is or has been made pursuant to the next preceding paragraph, payment of the principal of, and premium, if any, and interest on the single Bond of the KK Series shall be made in any coin or currency of the United States which at the time of payment is legal tender for the payment of public and private debts at the principal corporate trust office of the Second Washoe Trustee, by check or wire transfer to the Second Washoe Trustee for the account of Washoe County in funds immediately available at said office of the Second Washoe Trustee, in each case on or prior to the business day preceding the due date for such payment. Any such payment of principal, premium and interest shall be credited as and used to make a corresponding payment of principal, premium and interest on the 1993B Washoe Bonds.

The Trustees may at any and all times conclusively assume that the obligation of the Company to make payments with respect to the principal of and premium, if any, and interest on Bonds of the KK Series, so far as such payments shall at the time have become due, has been fully satisfied and discharged unless and until the Trustee shall have received a written notice from the Second Washoe Trustee signed by one of its officers, stating (i) that the Company is in arrears as to the payments required to be made by it to the Second Washoe Trustee pursuant to the Second Washoe Agreement and (ii) the amount of the arrearage.

The Second Washoe Trustee, by acceptance of the single Bond of the KK Series, shall agree to make prompt notation thereon of all payments and prepayments on account of principal thereof made or occurring under any provision of the Second Washoe Agreement or of this Thirty-second Supplemental Indenture, and to surrender said Bond to the Trustee upon final payment thereof.

If any of the following defaults or events of default occurs under Section 8.01 of the Second Washoe Indenture, it shall be deemed to be the corresponding default under Section 10.01 of the Indenture as hereafter set forth: (1) failure to make payment of any installment of interest upon any 1993B Washoe Bond shall be deemed to be a default, under Section 10.01(a) of the Indenture, in the due and punctual payment of a like amount of interest on the Bond of the KK Series, (11) failure to make due and punctual payment of the principal of and premium, if any, on any 1993B Washoe Bond at the stated maturity thereof or upon redemption thereof shall be deemed to be a default, under Section 10.01(b) of the Indenture, in the due and punctual payment of a like amount of principal of the Bond of the KK Series, (111) the occurrence of an "event of default" under the Second Washoe Agreement shall be deemed to be a default under Section 10.01(d) of the Indenture, and (iv) failure on the part of Washoe County to perform or observe any of its covenants, agreements or conditions in the Second Washoe Indenture or in the 1993B Washoe Bonds and failure to remedy the same after notice thereof pursuant to Section 8.10 of the Second Washoe Indenture shall be deemed to be a default under Section 10.01(d) of the Indenture.

Any notice affecting or relating to the Bonds of the KK Series required or permitted to be given under the Indenture may be given by mailing the same by first class mail, postage prepaid, to the Second Washoe Trustee at its address as the same appears on the Bond register for the Bonds of the KK Series. The certificate of the Trustee that such mailing has been effected shall be conclusive evidence of compliance with the requirements of this §2.02 and of §16.08 of the Original Indenture as modified by §2.07 of the Twelfth Supplemental Indenture, whether or not the Second Washoe Trustee receives such notice.

The Trustee hereunder shall, by virtue of its office as such Trustee, be the Registrar and Transfer Agent of the Company for the purpose of registering and transferring Bonds of the KK Series, and shall maintain a Bond register for the Bonds of the KK Series.

§2.03. Prepayment provisions for Bonds of the KK Series. The single Bond of the KK Series is prepayable at any time if (1) the Company shall elect to prepay installments payable under Section 7.1 of the Second Washoe Agreement and to cause the 1993B Washoe Bonds to be redeemed, in whole or in part, pursuant to Section 3.02 of the Second Washoe Indenture, or (2) the Company shall be obligated to prepay installments payable under Section 7.2 of the Second Washoe Agreement and to cause the 1993B Washoe Bonds to be redeemed, in whole or in part, upon the occurrence of an event specified in Section 3.03 of the Second Washoe Indenture, subject, however, to any applicable provisions of clause (2) of Section 6.05 of the Original Indenture, which shall control. In any such event, the single Bond of the KK

Series shall be prepaid by the Company, in whole or in identical part, as the case may be, at 100% of the unpaid principal amount thereof so prepaid, plus accrued interest to the prepayment date, which date shall be the same as the redemption date for the 1993B Washoe Bonds.

Without limiting the foregoing, the single Bond of the KK Series shall also be prepaid by the Company on or after June 1, 2003, in whole at any time or in part from time to time during the periods specified below if the Company shall have elected to prepay installments under the Second Washoe Agreement of like principal amount as the 1993B Washoe Bonds that it elects to redeem on the prepayment date in accordance with Section 3.01 of the Second Washoe Indenture. Such prepayment shall be at the prepayment price determined in accordance with the following table plus accrued interest to the prepayment date:

If the prepayment date is during the twelve months beginning June 1	Prepayment Price
2003	102 %
2004	101
2005 and thereafter	100

In each case where a portion or all of the single Bond of the KK Series is to be prepaid as contemplated by this Section 2.03, notice of not less than thirty (30) days shall be given by the Company to the Second Washoe Trustee unless such notice shall have been waived in writing by the Second Washoe Trustee. A copy of each such notice and each such waiver of notice shall also be furnished by the Company to the Trustee.

In the event of such prepayment of the 1993B Washoe Bonds, the Second Washoe Trustee shall forthwith make notation of payment of a like principal amount of the Bonds of the KK Series in the schedule of prepayments of principal printed thereon, and shall promptly notify the Trustee of the amount of such payment and that notation of such payment has been duly made. The Second Washoe Trustee shall surrender the Bond of the KK Series to the Trustee when all principal of, and premium, if any, and interest on, the 1993B Washoe Bonds shall have been duly paid.

All portions of the single Bond of the KK Series which may from time to time be paid or prepaid in accordance with this Section 2.03 shall thereupon be deemed to be funded, and no such portion may be reissued, so long as any portion of said Bond of the KK Series is outstanding.

§2.04. Form of Bonds of the KK Series. The Bonds of the KK Series and the Trustee's authentication certificate to be

executed on the Bonds of said series shall be substantially in the forms following, respectively:

IN ADDITION, THE BOND REPRESENTED BY THIS CERTIFICATE HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933 AND SUCH BOND MAY NOT BE TRANSFERRED WITHOUT COMPLIANCE WITH APPLICABLE SECURITIES LAWS.

SIERRA PACIFIC POWER COMPANY

Incorporated under the laws of the State of Nevada

First Mortgage Bond, 5.90% Series KK due 2023

Due June 1, 2023

No. _____ \$30,000,000

SIERRA PACIFIC POWER COMPANY, a Nevada corporation (hereinafter sometimes called the "Company" which term shall include any successor corporation as defined in the Indenture referred to below), for value received, hereby promises to pay to First Interstate Bank of Nevada, N.A., as trustee (the "Washoe Trustee") under an Indenture of Trust (the "Washoe Indenture") dated as of June 1, 1993 between Washoe County, Nevada ("Washoe County") and the Washoe Trustee, or to its successor as such trustee, the sum of Thirty Million Dollars (\$30,000,000) on June 1, 2023, together with interest from June 1, 1993 on the unpaid principal amount of this bond at the rate of 5.90% per annum, such interest to be paid semi-annually in arrears on the first day of June and December commencing December 1, 1993.

This bond is issued to the Washoe Trustee as security for the payment by the Company of the principal of, and interest and premium on, a like amount of bonds (the "Washoe Bonds") issued under the Washoe Indenture pursuant to a Financing Agreement dated as of June 1, 1993 between Washoe County and the Company (the "Washoe Agreement"). It is expected that the Company will make all payments of principal of, and interest and premium on, the Washoe Bonds directly to the Washoe Trustee (or that in lieu thereof the Company or Washoe County will deposit with the Washoe Trustee Washoe Bonds for cancellation). All such payments shall

automatically constitute corresponding payments on the Bonds of the KK Series. The holder of this bond by acceptance hereof agrees that whenever any payment on account of the principal of this bond is made or occurs under any provision of the Indenture referred to below (the "Indenture"), the Washoe Agreement or the Washoe Indenture, the holder hereof shall promptly note on the Schedule of Prepayments of Principal the date and amount of each such payment of principal, and shall promptly notify the Trustee of the amount of each such payment and that the notation of payment has been duly made, and further agrees to surrender this bond to the Trustee for cancellation when all principal of premium, if any, and interest on this bond shall have been duly paid.

Unless payment then is or has been made pursuant to the foregoing paragraph, the principal of and premium, if any, and interest on this bond will be paid in lawful money of the United States of America and will be payable at the principal corporate trust office of the Washoe Trustee by check or wire transfer to the order of the Washoe Trustee for the account of Washoe County in Federal funds immediately available at said office of the Washoe Trustee, in each case on or prior to the business day preceding the due date for such payment. The holder of this bond by acceptance hereof agrees that any such payment of principal, premium or interest on this bond shall be credited as and used to make a corresponding payment of principal, premium or interest on the Washoe Bonds.

If any of the following defaults or events of default occurs under Section 8.01 of the Washoe Indenture, it shall be deemed to be the corresponding default under Section 10.01 of the Indenture as hereafter set forth: (i) failure to make payment of any installment of interest upon any Washoe Bond shall be deemed to be a default, under Section 10.01(a) of the Indenture, in the due and punctual payment of a like amount of interest on this bond, and failure to make due and punctual payment of the principal of and premium, if any, on any Washoe Bond at the stated maturity thereof or upon redemption thereof shall be deemed to be a default, under Section 10.01(b) of the Indenture, in the due and punctual payment of a like amount of principal of this bond, (iii) the occurrence of an "event of default" under the Washoe Agreement shall be deemed to be a default under Section 10.01(d) of the Indenture, and (iv) failure on the part of Washoe County to perform or observe any of its covenants, agreements or conditions in the Washoe Indenture or in the Washoe Bonds and failure to remedy the same after notice thereof pursuant to Section 8.10 of the Washoe Indenture shall be deemed to be a default under Section 10.01(d) of the Indenture.

This bond is the single registered bond evidencing the bonds of a series (herein sometimes referred to as the "Bonds of the KK Series") of an authorized issue of bonds of the company, known as

First Mortgage Bonds, not limited as to maximum aggregate principal amount except as otherwise provided in the Indenture hereinafter mentioned, all issued or issuable in one or more series (which several series may be of different denominations, dates and tenor) under and equally secured (except insofar as any sinking fund, established in accordance with the provisions of the Indenture hereinafter mentioned, may afford additional security for other Bonds of any particular series) by an Indenture of Mortgage dated as of December 1, 1940, duly executed and delivered by the Company's predecessor, Sierra Pacific Power Company, a Maine corporation, and duly assumed by the Company by means of the Tenth Supplemental Indenture hereinafter mentioned, to The New England Trust Company (now State Street Bank and Trust Company by succession, herein sometimes called the "Trustee"), and Leo W. Huegle (now Gerald R. Wheeler by succession), as Trustees, as supplemented and modified by the First Supplemental Indenture, dated as of August 1, 1947, by the Second Supplemental Indenture, dated as of April 1, 1948, by the Ninth Supplemental Indenture, dated as of June 1, 1964, by the Tenth Supplemental Indenture, dated as of March 31, 1965, by the Twelfth Supplemental Indenture, dated as of July 1, 1967, by the Fourteenth Supplemental Indenture, dated as of November 1, 1972, by the Fifteenth Supplemental Indenture, dated as of May 1, 1974, by the Seventeenth Supplemental Indenture, dated as of July 1, 1976, by the Eighteenth Supplemental Indenture, dated as of August 1, 1977, by the Nineteenth Supplemental Indenture, dated as of April 1, 1978, and by the Twentieth Supplemental Indenture, dated as of October 1, 1978, and as supplemented by all other Indentures supplemental thereto including a Thirty-second Supplemental Indenture, dated as of June 1, 1993, executed and delivered by the Company (or executed and delivered by its predecessor and duly assumed by the Company) to said Trustees, to which Indenture of Mortgage and all Indentures supplemental thereto (herein sometimes collectively called the "Indenture") reference is hereby made for a description of the property mortgaged and pledged as security for said bonds, the rights and remedies and limitations on such rights and remedies of the registered owner of this bond in regard thereto, the terms and conditions upon which said bonds are secured thereby, the terms and conditions upon which additional bonds and coupons may be issued thereunder and the rights, immunities and obligations of the Trustees under said Indenture; but neither the foregoing reference to said Indenture, nor any provision of this bond or of said Indenture, shall affect or impair the obligation of the Company, which is absolute, unconditional and unalterable, to pay at the maturity herein provided the principal of and premium, if any, and interest on this Bond as herein provided.

Said Indenture, among other things, provides that no bondholder or bondholders may institute any suit, action or proceeding for the collection of this bond, or claim for interest thereon, or to enforce the lien of said Indenture, if and to the

extent that the institution or prosecution thereof or the entry of a judgment or a decree therein would, under applicable law, result in the surrender, impairment, waiver or loss of the lien of said Indenture upon any property subject thereto.

This Bond is repayable at any time if (1) the company shall elect to prepay installments payable under Section 7.1 of the Washoe Agreement and to cause the Washoe Bonds to be redeemed, in whole or in part, pursuant to the provisions of Section 3.02 of the Washoe Indenture, or (2) subject to Section 6.05 of the Indenture, the company shall be obligated to prepay installments payable under Section 7.2 of the Washoe Agreement and to cause the Washoe Bonds to be redeemed, in whole or in part, upon the occurrence of an event specified in Section 3.03 of the Washoe Indenture. In any such event this Bond shall be prepaid by the company, in whole or in identical part, as the case may be, at 100% of the unpaid principal amount thereof so prepaid, plus accrued interest to the redemption date for the Washoe Bonds. same as the redemption date for the Washoe Bonds.

Without limiting the foregoing, this Bond shall also be prepaid by the company on or after June 1, 2003, in whole at any time or in part from time to time during the periods specified below if the company shall have elected to prepay installments under the Washoe Agreement of like principal amount as the Washoe Bonds that it elects to redeem on the redemption date in accordance with Section 3.01 of the Washoe Indenture. Such prepayment shall be at the prepayment price determined in accordance with the following table plus accrued interest to the prepayment date:

Prepayment Price	months beginning June 1
102 %	2003
101	2004
100	2005

In each case where a portion or all of this Bond is to be prepaid as contemplated herein, notice of not less than thirty (30) days shall be given by the company to the Washoe Trustee unless such notice shall have been waived in writing by the Washoe Trustee. A copy of each such notice and each such waiver of notice shall also be furnished by the company to the Trustee.

In the event of such prepayment of the Washoe Bonds, the Washoe Trustee shall forthwith make notation of payment of a like principal amount of this Bond in the schedule of prepayments of principal printed thereon, and shall promptly notify the Trustee of the amount of such payment and that notation of such payment

has been duly made. The Washoe Trustee shall surrender this Bond to the Trustee when all principal of, and premium, if any, and interest on, the Washoe Bonds shall have been duly paid.

In case all or substantially all of the electric properties of the Company are sold to or taken through the exercise of the right of eminent domain or the right to purchase by any municipal or governmental body or agency, the principal of this Bond will, upon receipt by the Company of payment or compensation, become due and payable before maturity at the principal amount thereof and accrued interest thereon, all as provided in said Indenture.

To the extent permitted and as provided in said Indenture, modifications or alterations of said Indenture, or any Indenture supplemental thereto, and of the bonds issued thereunder and of the rights and obligations of the Company and the rights of the bearers or registered owners of the bonds and coupons, if any, may be made with the consent of the Company and with the written approvals or consents of the bearers or registered owners of not less than seventy-five per centum (75%) in principal amount of the bonds outstanding, and unless all of the bonds then outstanding under said Indenture are affected in the same manner and to the same extent by such modification or alteration, with the written approvals or consents of the bearers or registered owners of not less than seventy-five per centum (75%) in principal amount of the bonds of each series outstanding, provided, however, that no such alteration or modification shall, without the written approval of or consent of the bearer or registered owner of any bond affected thereby, (a) impair or affect the right of such bearer or registered owner to receive payment of the principal of and interest on such bond, or to institute suit for the enforcement of any such payment on or after the respective due dates expressed in such bond, or to affect such respective dates, except that the holders of not less than seventy-five per centum (75%) in principal amount of the bonds outstanding may consent on behalf of the bearers or registered owners of all of the bonds to the postponement of any interest payment for a period of not exceeding three (3) years from its due date, or (b) deprive any bearer or registered owner of the bonds of a lien on the mortgaged and pledged property, or (c) reduce the percentage of the principal amount of the bonds upon the consent of which modifications may be effected as

aforsaid.

In case an event of default as defined in said Indenture shall occur, the principal of this Bond may become or be declared due and payable before maturity in the manner and with the effect provided in said Indenture. The holders, however, of certain specified percentages of the bonds at the time outstanding, including in certain cases specified percentages of bonds of particular series, may in the cases, to the extent and under the

conditions provided in said Indenture, waive defaults thereunder and the consequences of such defaults.

The Company and the Trustee and any paying agent may deem and treat the person in whose name this bond shall be registered upon the Bond register for the Bonds of the KK Series as the absolute owner of such bond for the purpose of receiving payment of or on account of the principal of and interest on this bond and for all other purposes, whether or not this bond be overdue, and neither the Company nor the Trustee nor any paying agent shall be affected by any notice to the contrary; and all such payments so made to such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon this bond to the extent of the sum or sums so paid.

Before any transfer of this Bond by the registered holder or his or its legal representative will be recognized or given effect by the Company or the Trustee, the registered holder shall note hereon the date to which interest has been paid as well as the amounts of all principal prepayments hereon, and shall notify the Company and the Trustee of the name and address of the transferee and shall afford the Company and the Trustee the opportunity of verifying the notation as to payment of interest and principal. By the acceptance hereof the holder of this Bond and each transferee shall be deemed to have agreed to indemnify and hold harmless the Company and the Trustee against all losses, claims, damages or liability arising out of any failure on the part of the holder or of any such transferee to comply with the requirements of the preceding sentence.

It is part of the contract herein contained that each registered owner hereof by the acceptance hereof waives all right of recourse to any personal liability of any incorporator, stockholder, officer or director, past, present or future, of the Company, as such, or of any predecessor or successor corporation, howsoever arising, for the collection of any indebtedness hereunder; and as a part of the consideration for the issue hereof releases from all such liability each such incorporator, stockholder, officer or director, all as provided in said Indenture.

Each registered owner hereof by his acceptance hereof waives any right to exchange any unpaid portion of this Bond for another Bond under §4.01 of the Indenture.

This Bond has not been registered under the Securities Act of 1933, as amended, and may not be offered or sold in contravention of said Act and is not transferable except to a successor trustee under the Washoe Indenture.

This Bond shall not become or be valid or obligatory for any purpose until the authentication certificate endorsed hereon shall have been signed by the Trustee.

IN WITNESS WHEREOF, Sierra Pacific Power Company has caused this Bond to be executed in its name and behalf by the manual or facsimile signature of its Treasurer and its corporate seal, or a facsimile thereof, to be affixed or printed hereon and attested by the manual or facsimile signature of its Secretary or one of its Assistant Secretaries.
