

This MEMORANDUM OF MINING LEASE is made as of this 29TH day of October, 1993, by and between 26 Ranch Inc., a

Colorado corporation, whose address is 4975 Van Gordon Street, Wheat Ridge, Colorado 80033 ("26 Ranch"), and Sheep Creek Corp., a Colorado corporation, whose address is 4975 Van Gordon Street, Wheat Ridge, Colorado 80033 ("Sheep Creek").

Recitals

A. 26 Ranch owns certain fee lands situated in Lander and Eureka Counties, Nevada, as more particularly described in Exhibit A attached hereto and incorporated by reference herein (the "Property").

B. 26 Ranch and Sheep Creek entered into a Mining Lease dated as of October 1, 1993 (the "Lease"), pursuant to which 26 Ranch granted to Sheep Creek a leasehold interest in the Property.

C. 26 Ranch and Sheep Creek desire to enter into this Memorandum of Mining Lease (the "Memorandum") for the purpose of placing of record a notice of the Lease.

Agreement

NOW, THEREFORE, for Ten Dollars (\$10.00) and other good and valuable consideration, the sufficiency of which is

hereby confessed and acknowledged, 26 Ranch and Sheep Creek have agreed and do hereby agree as follows:

1. Grant of Lease of Property. 26 Ranch has

leased and hereby grants, leases, lets and demises exclusively unto Sheep Creek any and all ores, metals, minerals and materials found in, on or under the Property ("Valuable Minerals"), other than coal, aggregates,

geothermal resources and oil, gas and other hydrocarbons, together with all other rights, privileges and easements incident or appurtenant to the Property, and any right, title and interest in the Valuable Minerals hereafter acquired by 26 Ranch. 26 Ranch further grants to Sheep Creek the sole and exclusive right and privilege to do any

and all things necessary or desirable to accomplish any or all of the purposes and rights set forth in the Lease, including, without limitation, exclusive rights to enter upon and use the surface of the Property and to use existing roads on real property owned or controlled by Owner adjacent to portions of the Property, such real property being more particularly described in Exhibit B attached hereto and

incorporated herein by reference, for purposes of ingress and egress to the Property; provided that Sheep Creek may use such roads only in a manner commensurate with their general character, nature and width.

2. Term. The term of the Lease shall be 10 years from its effective date, and so long thereafter as Sheep Creek is conducting operations in good faith on the Property without any period of cessation of more than 180 consecutive days, unless earlier terminated pursuant to the provisions of the Lease.

3. Successors and Assigns. The Lease and this Memorandum are, and shall be, binding upon and inure to the benefit of the heirs, representatives, successors and assigns of the parties thereto. Sheep Creek shall have no right to assign its interest in the Lease, in whole or in part, or to sublease all or any portion of the Property at any time during the term of the Lease with the prior written consent of 26 Ranch, which consent shall not be unreasonably withheld. Any such assignment shall be made subject to all of the terms and provisions of the Lease. Any assignment by 26 Ranch of its interest in the Lease shall be subject to all of the terms and provisions thereof, and no such assignment by 26 Ranch shall be effective until receipt by the nonassigning party of written notice of such assignment.

4. Right to Purchase. If Sheep Creek desires to sell or otherwise transfer any or all of its interest in any real property adjacent to the Property or within the exterior boundaries of the grazing allotment area depicted on Exhibit C (the "Area of Interest Property"), Sheep Creek

shall furnish, in writing, to 26 Ranch the complete terms and conditions which Sheep Creek is willing to accept for said interest. 26 Ranch shall then have the right for a period of 30 days after receipt of the notice of such terms and conditions to elect in writing to purchase or otherwise acquire the interest as offered by Sheep Creek. If 26 Ranch does not elect to purchase such interest, Sheep Creek may then sell such interest to outside third parties in accordance with the terms and conditions of the lease.

5. Exceptions to Right to Purchase. Paragraph 4

above shall not apply to the following:

(a) A transfer by Sheep Creek of all or any part of its interest in any Area of Interest Property to an affiliate or subsidiary;

(b) Corporate merger, consolidation,

amalgamation or reorganization of Sheep Creek by which the surviving entity shall possess substantially all of the

stock, or all of the property rights and interests, owned by Sheep Creek, including its interest in the Area of Interest

Property; or

(c) The grant by Sheep Creek of a security

interest in any Area of Interest Property.

6. Additional Terms. The Lease contains clauses pertaining to advance royalties, production royalties,

26 Ranch's rights to use the surface of the Property,

reclamation of the Property, and various other provisions, and reference is made to the Lease for such other terms and conditions as govern the Lease, which terms and conditions are by reference made a part hereof. Nothing in this Memorandum shall limit or affect the rights and duties of the parties under the Lease. Information regarding the Lease can be obtained from Sheep Creek at the address set forth above.

IN WITNESS WHEREOF, the parties have executed this Memorandum of Mining Lease as of the date first above written.
