As the Manager of the Horse Shoe Ranch (ZEDA & J.B.B. Inc.)

I would like to inform you that the owner of the Horse Shoe Ranch has not given his permission for anyone to live on his ranch. Unless They have been Hired By the manager to work here.

There are some people who think they can just move

on the Ranch anyway, WITH OUT PERMISSION they are not

working here nor are they paying rent. We do not want them

on the ranch property. Nor do we want to be responsible for them

should they get hurt.

The owner has a right after all he has paid for the land

with whatever buildings are there.

Also it has been ~~ruined~~ that these people can claim

title for the property they are staying on But if they

have not done it before the ranch was sold to DR. ZWICK

it is to late now. They do not have the right nor do

they have his permission to stay on his property at all.

Dr. Zwick has paid for the land and pays the taxes. They

do not.

Thank You

The Horse Shoe Ranch Manager
