The original field notes of the survey of E. H. Rose's mining claim from which this plat has been made have been examined and approved and are on file in this office and I hereby certify that they furnish such an accurate description of said E. H. Rose's mining claim as will, if incorporated into a patent, amply justify the premises, and that each reference is made therein to natural objects and permanent monuments as well as to points and give the true line of the claim. I further certify that the value of the labor and improvements on said mining claim is not less than five hundred dollars and that this is a correct plat of said E. H. Rose's mining claim or premises made in conformity with said original field notes of said E. H. Rose.
