Ronald Barry

This letter is your notice of default on the attached

lease. The notice is to be given in writing and sent

certified return receipt requested. I have been in touch

with both of you by telephone over the last two months.

You have not sent in the payments for the months of

August, September or October. Therefore, the total

amount due at this time is \$960. This is my last attempt

to collect on the lease without legal assistance.

I would like to have you catch up the lease agreement

and keep it current. Please send your check to the above

address as soon as possible. If the payment is not received

in my office by October 11, 1994, I will consider the agree-

ment null and void and will take all necessary legal action

to act on the cancellation of the agreement.

Yours very truly,

*Eddie Collins*
