Respectfully submitted,
All technical work and data are in the possession of
and is to be considered the property of Phillip A. Davis
whose local address is P.O. Box 459, Battle Mountain,
Nevada 89820.

The work consisted of a technical analysis and
interpretation of geophysical airborne Mag/Resistivity/
VLF data obtained from a survey by Dighem of Mississauga,
Ontario. This work was performed by R.W. Wittkopp, a
geologist with over twenty years experience and a degree
from San Jose State University. The cost of the work
exceeded \$4,500.00 and was paid for by Phillip A. Davis,
owner of the claims. Results of this work identified a
large Mag anomaly within the northern portion of this
section.
