SUMMARY REPORT

This Summary Report is filed to comply with the requirements of NRS 517.230 for the following unpatented lode mining claims situated in Section 35, Township 31 North, Range 50 East, in an unknown mining district of Eureka County, Nevada.

- PA # 212 through # 221
- PA # 230 through # 239
- PA # 248 through # 256
- PA # 266 through # 274

The work consisted of a technical analysis and interpretation of geophysical airborne Mag/Resistivity/VLF data obtained from a survey by Dighem of Mississauga, Ontario. This work was performed by R.W. Wittkopp, a geologist with over twenty years experience and a degree from San Jose State University. The cost of the work exceeded \$3,800.00 and was paid for by Phillip A. Davis, owner of the claims. Results of this work identified a resistivity low anomaly within the southeast portion of this section.

All technical work and data are in the possession of and is to be considered the property of Phillip A. Davis whose local address is P.O. Box 459, Battle Mountain, Nevada 89820.

Respectfully submitted,

Raymond W. Wittkopp
