

NOTICE OF REMONUMENTATION
OF MULTIPLE UNPATENTED MINING CLAIMS

KNOW ALL MEN BY THESE PRESENTS, that Placer Dome U.S. Inc., the Owner of the following described unpatented mining claims, has remonumented all of the claims described on Exhibit "A", attached hereto and by this reference made a part hereof.

The original location monuments, corners and side center posts were each 3" or 4" diameter PVC posts set 1' into the ground or mound of stone. The original posts were replaced by 2" X 2" wooden posts, 4' long and driven 1' into the ground for each location monument and corner post. Side center PVC posts were removed and not replaced.

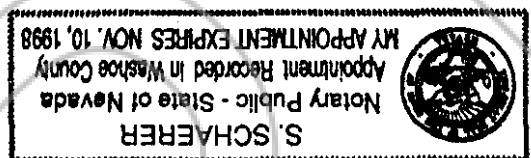

These claims were remonumented to comply with the monumentation requirements imposed by N.R.S. 517.030. The replacement of PVC posts does not amend or otherwise affect the legal validity of the claims for which the monuments were created; or modify the date of location of the claims; or require the filing of an additional or amended map pursuant to N.R.S. 517.040. This Notice of Remonumentation is made without waiver of any previously acquired rights and shall not interfere with valid existing rights of other claimants.

Dated this 29th day of August, 1995.
