The original field notes of the survey of the claim of the

John Potter.

upon the Connelly Lode from which this Plat has been made, have been examined and approved, and are on file in this office; and I hereby certify that they furnish such an accurate description of said Mining Claims as will, if incorporated into a patent, serve fully to identify the premises; and that such reference is made thereto to natural objects and permanent monuments as will perpetuate and fix the locus in quo. I further certify that the value of the labor and improvements made thereon by the applicant or his grantors, is not less than Five Hundred Dollars, and that said claim will consist of a Timber, an Iron,

Cline and Drifts

*as appears by the report of the Deputy Surveyor and the testimony
of two disinterested witnesses. And I further certify that this is a
correct Plat of said Mining Claim, made in conformity with said
original field notes of the survey thereof.*
