The original field notes of the survey of Adam Hall's mining claim from which the plat hereon made have been examined and approved and are on file in this office and I hereby certify that they, together with an accurate description of said Adam Hall's mining claim as will if incorporated into a patent serve fully to identify the premises and that such reference is made therein to natural objects and permanent monuments as will perpetuate and fix the locus thereof. I further certify that the value of the labor and improvements on said mining claim is not less than five hundred dollars and that this is a correct plat of said Adam Hall's mining claim or premises made in conformity with said original field notes of survey thereof.
