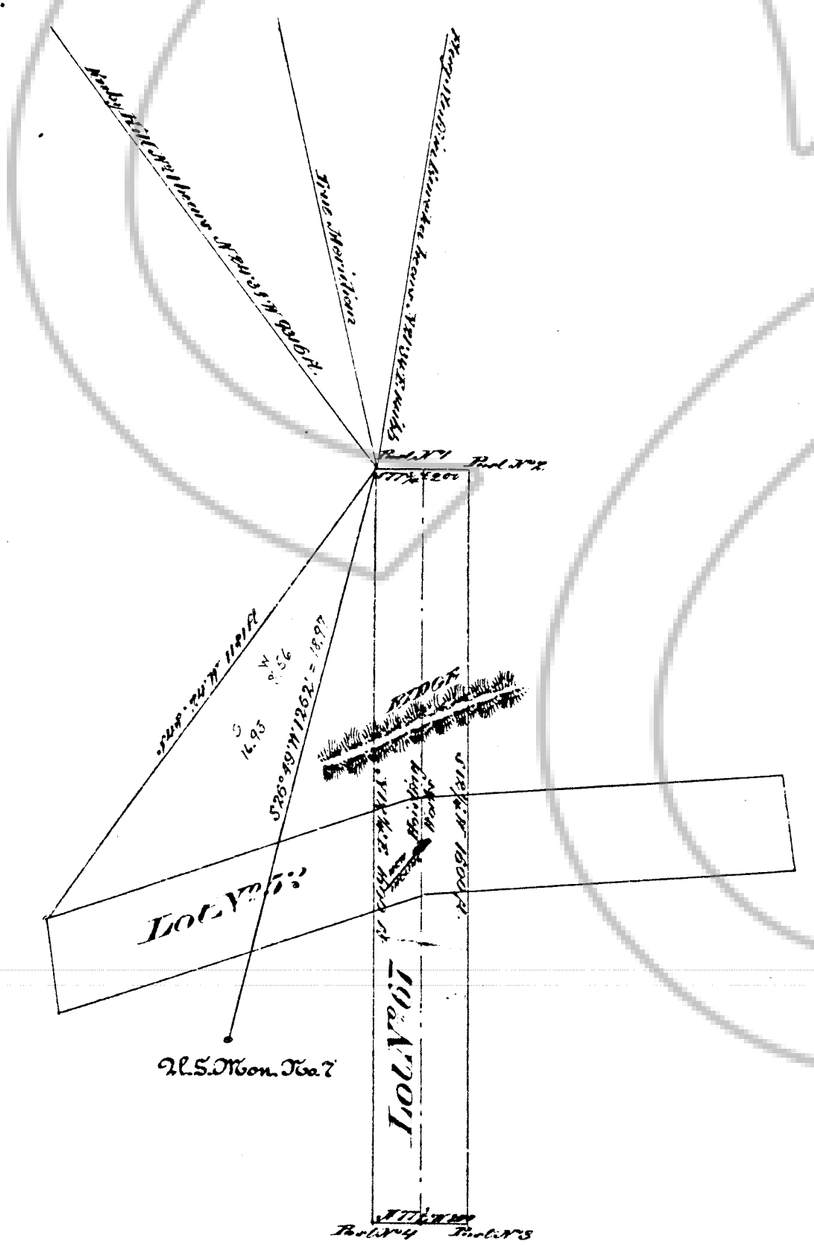
P-9109



Survey No. 67

PLAT

of

HERMANN HEYNEMANN'S

Claim on the

DUNDERBERG LODE

Eureka Mining Dist. Eureka Cty. Nev.

Surveyed by T. J. Reed U.S. deps. sur.

June 1872

Containing 7.35 Ac.

Scale 200 ft to an Inch

Variation 16½°.

The original field notes of the survey of Hermann Heynemanns mining claim from which this plat has been drawn and laid down and are on file in the office and I hereby certify that they furnish a correct description of said Hermann Heynemanns mining claim as well of its corporate and topical survey fully detailing its bounds and that no discrepancy is made therein to natural objects and permanent monuments as will perpetuate and fix the boundaries thereof. I further certify that the value of the labor and improvements on said mining claim is not less than five hundred dollars and that this is a correct plat of said Hermann Heynemanns mining claim as platted in conformity with said original field notes of survey thereof.
