

AMENDED CERTIFICATE OF LOCATION

THIS IS TO CERTIFY that the undersigned has amended, located and claimed and by these presents does amend, locate and claim by right of original discovery and location in compliance with the General Mining Laws of May 10, 1872, as amended, and with the laws of the State of Nevada, and with local customs, laws and regulations, 1500 feet along the vein or lode thereof, together with 25 feet on each side of the center of said vein at the surface and all veins, lodes, ledges or deposits and surface ground within the boundary lines of said claim.

With respect to this Amended Certificate of Location, the following facts are presented:

1. The name of the lode claim is Goldstrike 41 F.
2. The name of the present owner of the claim is Barrick Goldstrike Mines Inc. whose address is Post Office Box 29, Elko, Nevada 89803.
3. The number of linear feet claimed in length along the course of the vein from the point of discovery of the claim is 100 feet in an Easterly direction and 1,400 feet in a Westerly direction, together with 25 feet on each side of the center of each vein or lode for the entire length of the claim.
4. The general course of the lode or vein, as near as may be, is Easterly and Westerly.
5. This lode claim is the same lode claim originally located by Barrick Goldstrike Mines Inc. on January 23, 1992, and is the same lode claim as the lode claim covered by Certificate of Location filed of record on February 7, 1992 in Book 231, page 483, in the records of Eureka County, Nevada.
6. Said lode mining claim is located in the southwest quarter of Section 30, and in the northwest quarter of Section 31, Township 36 North, Range 50 East, M.D.B.&M., in Eureka County, State of Nevada.
7. Said lode mining claim is situated in the Lynn Mining District, Eureka County, State of Nevada. The location monument of said lode mining claim is situated in the southwest quarter of Section 30, Township 36 North, Range 50 East, M.D.B.&M. in Eureka County, State of Nevada.
8. The original location or discovery work consisted of making the mining claim map as provided in Nevada Revised Statutes 517.040, which map was filed on February 7, 1992 as Entry No. 139764 in the records of Eureka County, State of Nevada.
9. The location monument, corners and sideline centers for the claim are at least  $3\frac{1}{2}$  inches in diameter by 4 feet in length set 1

foot in the ground. The claim boundary of this claim is marked as follows:

Beginning at the location monument, thence

1400 feet	to the center of the end
West	line, point of origin; thence
North 25	feet to a corner post numbered
1, northwest corner	thence

The claim is bounded on the North by the Goldstrike Claim group, on the West by patented land, on the East by the Goldstrike Claim Group and on the South by patented land. The boundaries and location of the amended claim are as depicted in the original claim map (which is filed as noted in item 8 above). The original map also provides a description of the amended claim by reference to a section corner of the public land survey.

10. This Amended Certificate of Location is made for the purpose of appropriating under the mining law all ground within the boundaries herein defined and of correcting irregularities and formalities, errors or defects, if any, which may have existed or may exist in the original location, or the record thereof, and/or any prior amendment or amendments thereof, and the record of same, and is made without waiver of any rights acquired as to the ground within the boundaries herein defined under or by virtue of said original location and any prior amended location, and to secure all the benefits of the Statutes of the State of Nevada. If said hereby amended lode mining claim should be, at any time of this Amendment, ineffective for any reason as to any of the ground within the boundaries herein defined, then as to such ground this Amended Certificate of Location shall be an Original Certificate.

Dated this 10th day of February, 1997.
