RECITALS

A. Grantor is the Operator under a geothermal unit agreement for the Beowawe Unit Area approved by the U.S. Bureau of Land Management ("BLM") dated August 1, 1979 ("Beowawe Unit Agreement"), covering lands and interests in lands ("Unit Area") in Lander and Eureka Counties, Nevada, near the town of Beowawe, and holds certain leases and other real and personal property related thereto. B. Grantee is the managing general partner of Beowawe Geothermal Power Company, a general partnership qualified to do business in the State of Nevada ("Beowawe Partnership"). The Beowawe Partnership owns and operates a geothermal power plant situated in the Unit Area and certain producing, injection, and monitoring wells in the Unit Area, and related facilities, that serve the power plant. The Beowawe Partnership holds rights to and does produce geothermal steam to operate the Beowawe Partnership's power plant pursuant to a Production Payment Deed dated December 21, 1990 ("First Production Payment Deed"), from Chevron Geothermal Company of California, predecessor of Grantor, to Grantee, predecessor of the Beowawe Partnership, recorded in Book 355, pages 89 through 106, records of Lander County, Nevada, and in Book 218, pages 199 through 216, records of Eureka County, Nevada, and an Agreement between Grantor and the Beowawe Partnership dated August 16, 1993 ("Second Production Payment Deed"), recorded in Book 402, pages 311 through 323, records of Lander County, Nevada. The Beowawe Partnership conducts its production operations pursuant to a Unit Sub-Operating Agreement dated December 21, 1990 ("Unit Sub-Operating Agreement") between Chevron Geothermal Company of California, predecessor of Grantor, and the Beowawe Partnership.

C. Grantor and Grantee have entered into a Purchase and Sale Agreement of even date herewith ("Purchase and Sale Agreement") whereby Grantor has agreed to transfer all right, title, and interest of Grantor in certain real and personal property related to the Unit Area. Grantor and Grantee desire by this instrument and other documents of conveyance executed simultaneously herewith to effect the transfer of such property to Grantee.
