or provided to be paid by the Trustor, or which may be paid out, or advanced, by the Trustee, or by the Beneficiaries, under the provisions of this Deed of Trust and Security Agreement.

The Trustor hereby covenants and agrees:

1. The Trustor promises and agrees to properly care for and keep the property herein described and any improvements thereon, including the personal property, in at least as good a condition of repair and maintenance as the same now are, subject to normal wear and tear, and to care for, protect and maintain any and all buildings situate thereon, and to otherwise protect and maintain said premises and not to commit nor permit any waste or deterioration thereof. The Trustor may make such alterations or improvements as he may desire on said premises, so long as they do not lessen the value of said property, and the Trustor shall pay, when due, all claims for labor performed or material furnished thereon.

2. That the Beneficiaries, or their duly authorized agents, shall at all reasonable times have the right to enter upon said premises and inspect the same.

3. 4. The following covenants Nos. 1, 2(\$57,000.00), 3, 4(10%), 5, 6, 7(Reasonable), 8 and 9 of Section 107.030 NRS are hereby adopted and made a part of this Deed of Trust and Security Agreement.

5. The reconveyance of this Deed of Trust and Security Agreement shall be at the cost and expense of the Trustor, or such other persons entitled to reconveyance.

6. The acceptance by said Beneficiaries of any payment of the indebtedness hereby secured shall not operate as a waiver by the Beneficiaries of any default by the Trustor made previously to such payment in any of the covenants or agreements to be made, kept and performed by the Trustor herein provided.

7. The Trustor hereby covenants and agrees that neither the acceptance nor existence, now or hereafter, of any other security for the indebtedness secured hereby, nor the release thereof, shall operate as a waiver of the security of this Deed of Trust and Security Agreement, nor shall this Deed of Trust and Security Agreement, nor its satisfaction, nor a reconveyance made hereunder, operate as a waiver of such other security now held or hereafter acquired.

8. All the provisions of this instrument shall apply to and bind the legal representatives, successors and assigns of the respective parties hereto, and it is distinctly understood and agreed that the words Trustor, Grantor, Trustee or Beneficiaries, as used in this instrument, and any pronoun referring thereto, is intended to and does include the masculine, feminine and neuter genders, and the singular and plural numbers; that the covenants and agreements of the Trustor or Grantor herein shall be construed to be the joint and several covenants and agreements of all persons who sign this instrument; that if any provision of this Deed of Trust and Security Agreement be judicially declared invalid, such decision shall not affect the validity of the remaining provisions, and if any sale made here-

under shall be judicially declared invalid or deemed by the Beneficiaries to be invalid, such sale shall not exhaust the power of sale, and the Trustee, at the request of the Beneficiaries, may proceed anew with the sale of this property, in order to enforce fully the provisions of this Deed of Trust and Security Agreement.

9. Said Trustor agrees that the said Trustee, or its successors in interest, shall not incur any liability on account of any act done or omitted to be done, in good faith, under the provisions of this Deed of Trust and Security Agreement, and that said Trustee shall be fully protected in acting upon any statement, report, order, notice, request, consent or other paper or document believed to be genuine and signed by the proper parties.

10. The Trustor, so long as there is any balance owing in connection with this Deed of Trust and Security Agreement, shall not sell, assign or transfer any interest in the property described herein, including the personal property, nor permit any assumption of the debt herein secured, without first obtaining the written consent of the Beneficiaries. If all or any part of the property herein described, or any interest therein, is sold or transferred by the Trustor without the Beneficiaries' prior written consent, the Beneficiaries may, at their option, declare all sums secured by this Deed of Trust and Security Agreement to be immediately due and payable.

11. To the extent that this Deed of Trust includes personal property, it shall be deemed a Security Agreement; and in the event of default, the Beneficiaries shall have all remedies pertaining thereto, including such remedies as are provided in the Uniform Commercial Code of the State of Nevada, and may proceed as to both

real and personal property in accordance with the rights and remedies in respect to real property and/or may proceed in any other manner or exercise any other remedy provided by law and/or the Uniform Commercial Code pertaining to said personal property. In so far as this document is deemed a financing statement, it covers the personal property now situate on the above described real property or held in connection with the Colonnade Hotel in Eureka, Nevada, which personal property is more particularly described in Exhibit "A" attached hereto; and the Trustor herein is the record owner of said real property.
