

The United States of America

To all to whom these presents shall come, Greeting:

Form 1860-8

(July 1987)

N-56755

WHEREAS

Newmont Gold Company

is entitled to a land patent pursuant to the general mining laws, R.S 2325, as amended (30 U.S.C. 29) for the lands embraced within the TUSC No. 47, TUSC No. 48, TUSC No. 49, TUSC No. 50, TUSC No. 52 and TUSC No. 53 lode mining claims designated and described as:

A portion of Mineral Survey No. 5047, within Sections 27, 28 and 34, Township 34 North, Range 51 East, Mount Diablo Meridian, Nevada, in the Unknown (Gold Quarry) Mining District, Eureka County, Nevada, the said claims being more particularly described in the official field notes and depicted on the official plat, which are expressly made a part of this patent and copies of which are attached hereto; but excluding and excepting from this patent that portion of said mineral survey within the patented Copper King No. 2 and Copper King No. 5 lode mining claims of M.S. 4471, within Sections 27 and 28, and the Good Hope No. 4 and Good Hope No. 5 lode mining claims of M.S. 3647A, within Sections 27 and 34; containing 95.158 acres.

NOW KNOW YE, that there is, therefore, granted by the UNITED STATES unto Newmont Gold Company the lands above described; TO HAVE AND TO HOLD the said lands with all the rights, privileges, immunities, and appurtenances, of whatsoever nature, thereunto belonging, unto Newmont Gold Company, its successors and assigns, forever; and

EXCEPTING AND RESERVING TO THE UNITED STATES, a right-of-way thereon for ditches or canals constructed by the authority of the United States. Act of August 30, 1890 (43 U.S.C. 945).

IN TESTIMONY WHEREOF, the undersigned authorized officer of the Bureau of Land Management, in accordance with the provisions of the Act of June 17, 1948 (62 Stat. 476), has, in the name of the United States, caused these letters to be made Patent, and the Seal of the Bureau to be hereunto affixed.

Section 27,28,34	Township 34 N.	Range 51 E.	Meridian Mt. Diablo	Survey under order dated March 16, 1990	
Survey commenced March 26, 1990		Survey completed April 18, 1990		Name of Mineral Surveyor William F. Mueller	

BOOK 335 PAGE 332

## Mineral Survey No. 5047

FEET	
	<p>This survey was made with a Hewlett-Packard Electronic Total Station, Model No. 3820A, Serial No. 1650A00201, which utilizes electronic horizontal and vertical circles that display measured horizontal and zenith angles directly in degrees, minutes, and seconds. All lines of this survey were measured with this instrument which uses a laser beam to measure the slope dist. from the instrument toward a reflector located at the point to be measured. The slope dist. is reduced to hor. dist. within the instrument by an electronic computing device and displays the hor. dist. directly to the nearest one thousandth of a ft. The instrument was tested and calibrated on a base line of known length before and after this survey was completed and found to be in good adjustment during the time that this survey was executed.</p> <p>Bearings referred to in this record were determined by the average of two hor. angle measurements, one with the telescope in the dir. position, and one with the telescope in the rev. position. These angles were referred to the meridian by the following observations:</p> <p>April 10, 1990 at Cor. No. 2 of the TUSC No. 50 lode, at latitude 40°48'10" N., and longitude 116°14'14" W., elevation approximately 5,550 ft. above sea level, barometric pressure 22.8 ins. of mercury, and temperature 45° F., make a series of eight observations on the sun for azimuth at approximately equal time intervals, four each with the telescope in the dir. position and rev. position, observing the horizontal angle right from Cor. No. 1 of the TUSC No. 50 lode and the zenith angle to the center of the sun.</p> <p>Mean time of observation (120th meridian (P.S.T.) = 7:44:35.4 A.M. Declination of the sun at mean time of observation = N. 8°00'43.6" Mean observed zenith angle to the sun's center = 62°31'07.7" Mean horizontal angle right from Cor. No. 1 of the TUSC No. 50 lode to the sun's center = 15°23'03.1" True bearing to Cor. No. 1 of the TUSC No. 50 lode = N. 88°34'02" E.</p> <p>All lines and connections of this survey were run by direct methods except as noted.</p> <p>The magnetic declination observed at each cor. gave a uniform value of 17°30' E.</p> <hr/> <p style="text-align: center;">TUSC NO. 51 LODE</p> <p>At Cor. No. 1 of the TUSC No. 51 lode.</p> <p>Set an iron post, 24 ins. long, 2 ins. diam., 18 ins. from the ground, with a 3/4 ins. diam. aluminum cap mkd. T51-1-5047, situated within the patented NW 1/4 Sec. 27, T. 34 N., R. 51 E., M.D.M.; from which</p>

LOCATION		
This survey is located in NW 1/4, SW 1/4, SE 1/4 Sec. 27, the NE 1/4 and SE 1/4 Sec. 28, and the NW 1/4 and NE 1/4 Sec. 34, T. 34 N., R. 51 E., Mt. Diablo Meridian.		
The survey of the 9 TUSC lodes is identical with the respective locations.		
EXPENDITURES		
The improvements and the value of the labor and improvements made upon or for the benefit of each of the lode locations embraced in said mining claim by the claimant or its grantors are as follows:		
No. 1	The discovery point of the TUSC No. 51 lode, a post and Notice of Location is on the lode line S. 88°41'44" W., 19.50 ft. dist. from the center of line 4-1. No value.	
No. 1	The discovery point of the TUSC No. 50 lode, a post and Notice of Location is on the lode line S. 88°36'09" W., 19.30 ft. dist. from the center of line 4-1. No value.	
No. 1	The discovery point of the TUSC No. 49 lode, a post and Notice of Location is on the lode line S. 88°49'05" W., 19.00 ft. dist. from the center of line 4-1. No value.	
No. 1	The discovery point of the TUSC No. 48 lode, a post and Notice of Location is on the lode line S. 89°20'42" W., 19.21 ft. dist. from the center of line 4-1. No value.	
No. 1	The discovery point of the TUSC No. 47 lode, a post and Notice of Location is on the lode line S. 89°38'40" W., 19.10 ft. dist. from the center of line 4-1. No value.

BUR. OF LAND MANAGEMENT

UNITED STATES DEPARTMENT OF THE INTERIOR  
BUREAU OF LAND MANAGEMENT

CERTIFICATE OF MINERAL SURVEYOR

I, William F. Mueller, HEREBY CERTIFY that in pursuance of an order received from the Bureau of Land Management, at Reno, Nevada, dated March 13, 1990, I have carefully executed the survey of the claim of Newmont Gold Company, c/o John C. Miller, Esq., known as TUSC NO. 47, TUSC NO. 48, TUSC NO. 49, TUSC NO. 50, TUSC NO. 51, TUSC NO. 52, TUSC NO. 53, TUSC NO. 54 and TUSC NO. 55 lodes, situated in Secs. 27, 28 and 34, T. 34 N., R. 51 E., Mount Diablo Meridian, County of Eureka, in the state of Nevada.

This mineral survey, designated as number 5047, has been executed by me and under my direction and has been made in strict conformity with said order, the Manual of Instructions for the Survey of the Public Lands of the United States, and in specific manner described in the foregoing field notes.

I FURTHER CERTIFY that the labor expended and improvements made upon and for the benefit of the lode location(s) embraced in the said mining claim by claimant(s) or grantors are fully stated in my report. The character, extent, location, and itemized value are specified in full detail. No portion of, or interest in, said labor and improvements so credited to this claim has been included in the estimate of expenditures upon any other lode.

APRIL 9, 1992  
Date

William F. Mueller  
Mineral Surveyor

CERTIFICATE OF APPROVAL  
Bureau of Land Management  
Reno, Nevada

The foregoing field notes of Mineral Survey No. 5047, in Secs. 27, 28 and 34, T. 34 N., R. 51 E., Mount Diablo Meridian, Eureka County, Nevada, executed by William F. Mueller, Mineral Surveyor, under an order dated March 13, 1990, having been critically examined and found correct, are hereby approved.
