You may have the right to cure a default hereon and reinstate the one obligation secured by such Deed of Trust above described. Section NRS 1080 permits certain defaults to be cured upon the Payment of the amounts required by that statutory section without requiring payment of that portion of principal and interest which would not be due had no default occurred. Where reinstatement is possible, if the default is not cured within 35 days following recording and mailing this Notice to Trustor or Trustor's successor in interest, the right of reinstatement will terminate and property may thereafter be sold. The Trustor may have the right to bring a court action to assert the nonexistence of a default or any other defense of Trustor to acceleration and Sale.

Unless you notify this office within 30 days after receiving this notice that you dispute the validity of the debt or any portion thereof, this office will assume this debt is valid. If you notify this office within 30 days after receiving this notice, this office will obtain verification of the debt and mail you a copy of the verification. If you request in writing within 30 days of receipt of this notice, this office will provide you with the name and address of the original creditor, if different from the current creditor. This notice is an attempt to collect a debt, and any information obtained will be used for that purpose.
