

COMMUNICATIONS RIGHT OF WAY EASEMENT

For and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned, 3F, L.L.C., a Utah limited liability company, 4198 So. 5500W., Hooper, UT 84315, herein called Grantor (whether one or more), hereby grants, sells, conveys and warrants to SIERRA PACIFIC COMMUNICATIONS, a Nevada corporation, whose mailing address is 15 DeLucchi Lane, Suite 204, Reno, Nevada 89502, (hereinafter call "Grantee") its successors, assigns, licensees, and agents, an easement of Ten (10) feet in width and right of way to survey, construct, install, operate, inspect, maintain, protect, repair, alter, replace, upgrade, remove and/or abandon, such underground communication systems, markers, underground splicing boxes and other appurtenances as Grant may from time to time require for whatever purpose. Such underground communications systems, markers, underground splicing boxes and other appurtenances shall pass upon, over, under, across and through the following described land located in the County of Eureka, State of Nevada, to wit:

See Exhibit A

Grantee is herein granted the rights of ingress and egress to and from said easement and right of way over and across the described land (or lands of Grantor adjacent thereto), together with the right to use temporary work space, as needed, for the purposes aforesaid.

Grantor shall have the right to use and enjoy the above described premises, except that Grantor shall not interfere with or impair or permit others to interfere with or impair, in any way, the exercise of the rights herein granted to Grantee. Grantor further covenants that no excavation, building, structure or obstruction will be constructed, erected, built or permitted on said easement and right of way and no change will be made by adding or otherwise to the surface or subsurface of said easement and right of way

All telecommunications conduit, innerduct, cable and appurtenances laid under this grant all be buried to such depth as not to interfere with the ordinary cultivation of said land. Grantee agrees to pay for damage to fences and growing crops arising from the construction and maintenance of the aforesaid systems, provided, however, that after the initial communication systems have been constructed hereunder, Grantee

shall not be liable for damages caused to trees, undergrowth, and brush on the communication systems easement and right of way in the clearing of such obstructions from said easement and right of way. When construction is completed, Grantee shall have restored the subject premises to the same, or better condition than when construction began.

The rights granted herein may be assigned in whole or in part, and the terms and provisions of this agreement shall constitute covenants running with the land and shall be binding upon and inure to the benefit of the parties hereto, their respective heirs, successors, assigns and personal representatives. Grantor hereby warrants that said Grantor is entitled to execute this agreement and is the fee simple owner of the above described land.

The Grantee herein shall at all times protect and indemnify and save harmless the Grant herein from any and all claims, demands, judgments, costs and expenses incurred by or on behalf of any person or corporation whatsoever, in any manner due to or arising out of injury or death of any person, damage to property of any person or persons whomsoever, including the parties hereto and their employees, to the extent caused by the construction, maintenance, operation, repair, extension, existence, use or removal of said telecommunications system, or the failure to properly construct, operate, maintain, or remove the same.

Witness the execution hereof the 2 day of MAY, 2001.
