## Instructions to CC Financing Statement Amendment (Form UCC3) (Trans)

Please type or laser-print this form. Be sure completely legible. Read all instructions, especially Instruction 1a; correct file number of initial financing statement is crucial. Follow instructions completely.

Fill in form very carefully; mistakes may have important legal consequences. If you have questions, consult your attorney. Filing office cannot give legal advice. Do not insert anything in the open space in upper portion of this form; it is reserved for filing office use.

An Amendment may relate to only one financing statement. Do not enter more than one file number in item 1a.

When properly completed, send Filing Office by, with required fee, to filing office. If you want an acknowledgment, complete item B and, if filing in a filing office that returns an acknowledgment furnished by filer, you may also send Acknowledgment Copy, otherwise detach. Always detach Debtor and Secured Party Copies.

If you need to use attachments, use 8-1/2 X 11 sheets and put at the top of each sheet: "AMENDMENT" and the file number of the initial financing statement to which this Amendment relates; you are encouraged to use Amendment Addendum (Form UCC3Ad).

**Always complete items 1a and 9.**

A. To assist filing offices that might wish to communicate with filer, filer may provide information in item A. This item is optional.

B. Complete item B if you want an acknowledgment sent to you. If filing in a filing office that returns an acknowledgment copy furnished by filer, present simultaneously with this form a carbon or other copy of form for use as an acknowledgment copy.

1a. **File number:** Enter file number of initial financing statement to which this Amendment relates. Enter only one file number. In some states, the file number is not unique; in those states, enter in item 1a, after the file number, the date that the initial financing statement was filed.

1b. Only if this Amendment is to be filed or recorded in the real estate records, check box 1b and also, in item 14 of Amendment Addendum, enter Debtor's name, in proper format exactly identical to the format of item 1 of financing statement, and name of recorder if Debtor does not have a record interest.

**Note:** Show purpose of this Amendment by checking box 2, 3, 4, 5 (in item 5 you must check two boxes) or 8; also complete items 6, 7 and/or 8 as appropriate. Filer may use this Amendment to simultaneously accomplish both data changes (items 4, 5, and/or 8) and continuation (item 3) in a filing office that can process multiple amendments on a single form. Contact filing office to determine acceptability of multiple amendment types on a single Amendment form and the applicable filing fee; in some states the filer may have to pay a separate fee for each amendment type.

2. To **terminate** the effectiveness of the identified financing statement with respect to security interest(s) of authorized Secured Party, check box 2. See Instruction 9 below.

3. To **continue** the effectiveness of the identified financing statement with respect to security interest(s) of authorized Secured Party, check box 3. See Instruction 9 below.

4. To **assign** (i) all of assignor's interest in the identified financing statement, or (ii) a partial interest in the security interest covered by the identified financing statement, or (iii) assignor's full interest in some (but not all) of the collateral covered by the identified financing statement: Check box in item 4 and enter name of assignee in item 7a if assignee is an organization, or in item 7b, format indicated, if assignee is an individual. Complete 7a or 7b, but not both. Also enter assignee's address in item 7c. Also enter name of assignor in item 9. If partial Assignment affects only some (but not all) of the collateral covered by the identified financing statement, filer may indicate affected collateral in item 8.

5,6,7. To **change the name and/or address** of party: Check box in item 5 to indicate whether this Amendment amends information relating to a Debtor or a Secured Party; also check box in item 5 to indicate that this is a name and/or address change; also enter name of affected party (current record name, in case of name change) in items 6a or 6b as appropriate; and also give new name (7a or 7b) and/or new address (7c) in item 7.

5.6. To **delete** a party: Check box in item 5 to indicate whether deleting a Debtor or a Secured Party; also check box in item 5 to indicate that this is a deletion of a party; and also enter name (6a or 6b) of deleted party in item 6.

5.7. To **add** a party: Check box in item 5 to indicate whether adding a Debtor or Secured Party; also check box in item 5 to indicate that this is an addition of a party; also enter all required information in item 7: name (7a or 7b) and address (7c); also, if adding a Debtor, tax ID # (7d) in those states where required, and additional organization Debtor information (7e-g) if added Debtor is an organization. Note: The preferred method for filing against a new Debtor (an individual or organization not previously of record as a Debtor under this file number) is to file a new Financing Statement (UCC1) and not an Amendment (UCC3).

8. **Collateral change.** To change the collateral covered by the identified financing statement, describe the change in item 8. This may be accomplished either by describing the collateral to be added or released, or by setting forth in full the collateral description as it is to be effective after the filing of this Amendment, indicating clearly the method chosen (check the appropriate box). If release, include name and address of Debtor and address of Secured Party. If the space in item 8 is insufficient, use item 14 of Amendment Addendum (Form UCC3Ad). If, due to a full release of all collateral, filer no longer claims a security interest under the identified financing statement, check box 2 (Termination) and not box 8 (Collateral Change). If a partial Assignment consists of the assignment of some (but not all) of the collateral covered by the identified financing statement, filer may indicate the assigned collateral in item 8 and also comply with Instruction 4 above.

9. Always enter name of Secured Party of record. If more than one authorizing Secured Party, give additional name(s), properly formatted, in item 14 of Amendment Addendum (Form UCC3Ad). If the indicated financing statement refers to the parties as lessee and lessor, or consignee and consignor, or seller and buyer, instead of Debtor and Secured Party, references in this Amendment shall be deemed likewise so to refer to the parties. If this is an Assignment, enter name of assignor.

10. Secured Party must sign. Debtor must sign Amendment if box checked in item 5 or 8 unless the Amendment changes only the name of the Secured Party or the required address of either the Debtor or the Secured Party. In some states, both Secured Party and Debtor must sign any amendment of change. Verify signature requirements of the filing office.

11. This item is optional and is for filer's use only. For filer's convenience of reference, filer may enter in item 10 any identifying information (e.g., Secured Party's loan number, law firm file number, Debtor's name or other identification, state in which form is being filed, etc.) that filer may find useful.
