Payment. Grantor shall pay when due and in all events prior to delinquency) all taxes, special taxes, assessments, charges (including water and sewer), fines and impositions levied against or on account of the Property, and shall pay when due all claims for work done on or for services rendered or material furnished to the Property. Grantor shall maintain the Property free of all liens having priority over or equal to the interest of Lender under this Deed of Trust, except for the lien of taxes and assessments not due and except as otherwise provided in this Deed of Trust.

Right to Contest. Grantor may withhold payment of any tax, assessment, or claim in connection with a good faith dispute over the obligation to pay, so long as Lender's interest in the Property is not jeopardized. If a lien arises or is filed as a result of nonpayment, Grantor shall within fifteen (15) days after the lien arises or, if a lien is filed, within fifteen (15) days after Grantor has notice of the filing, secure the discharge of the lien, or if tested by Lender, deposit with Lender cash or a sufficient corporate surety bond or other security satisfactory to Lender in an amount sufficient to discharge the lien plus any costs and attorneys' fees, or other charges that could accrue as a result of a foreclosure or sale under the lien. In any contest, Grantor shall defend itself and Lender and shall satisfy any adverse judgment before enforcement against the Property. Grantor shall name Lender as an additional obligee under any surety bond furnished in the contest proceedings.

Evidence of Payment. Grantor shall upon demand furnish to Lender satisfactory evidence of payment of the taxes or assessments and shall authorize the appropriate governmental official to deliver to Lender at any time a written statement of the taxes and assessments against the Property.

Notice of Construction. Grantor shall notify Lender at least fifteen (15) days before any work is commenced, any services are furnished, or any materials are supplied to the Property, if any mechanic's lien, materialmen's lien, or other lien could be asserted on account of the work, services, or materials. Grantor upon request of Lender shall furnish to Lender advance assurances satisfactory to Lender that Grantor can and will pay the cost of such improvements.

PROPERTY DAMAGE INSURANCE. The following provisions relating to insuring the Property are a part of this Deed of Trust.

Maintenance of Insurance. Grantor shall procure and maintain policies of fire insurance with standard extended coverage endorsements on a fair value basis for the full insurable value covering all improvements on the Real Property in an amount sufficient to avoid application of any coinsurance clause, and with a standard mortgagee clause in favor of Lender. Grantor shall also procure and maintain comprehensive general liability insurance in such coverage amounts as Lender may request with Trustee and Lender being named as additional insureds in such liability insurance policies. Additionally, Grantor shall maintain such other insurance, including but not limited to hazard, business interruption, and boiler insurance, as Lender may reasonably require. Policies shall be written in form, amounts, coverages and basis reasonably acceptable to Lender and issued by a company or companies reasonably acceptable to Lender. All policies shall provide that the policies shall not be invalidated by any exercise of the right of subrogation by any insured and shall provide that the carrier shall have no right to be subrogated to Lender. Grantor upon request of Lender, will deliver to Lender from time to time the policies or certificates of insurance in form satisfactory to Lender including stipulations that coverages will not be cancelled or diminished without at least thirty (30) days prior written notice to Lender. Each insurance policy also shall include an endorsement providing that coverage in favor of Lender will not be impaired in any way by any admission or default of Grantor or any other person. Should the Real Property be located in an area designated by the Director of the Federal Emergency Management Agency as a special flood hazard area, Grantor agrees to obtain and maintain Federal Flood Insurance, if available, within 45 days after notice is given by Lender that the Property is located in a special flood hazard area, for the full unpaid principal balance of the loan and any prior liens on the property securing the loan, up to the maximum policy limits set under the National Flood Insurance Program, or as otherwise required by Lender, and to maintain such insurance for the term of the loan.

Application of Proceeds. Grantor shall promptly notify Lender of any loss or damage to the Property. Lender may make proof of loss if Grantor fails to do so within fifteen (15) days of the casualty. Whether or not Lender's security is impaired, Lender may, at Lender's election, receive and retain the proceeds of any insurance and apply the proceeds to the reduction of the indebtedness, payment of any lien affecting the Property, or the restoration and repair of the Property. If Lender elects to apply the proceeds to restoration and repair, Grantor shall repair or replace the damaged or destroyed improvements in a manner satisfactory to Lender. Lender shall, upon satisfactory proof of such expenditure, pay or reimburse Grantor from the proceeds for the reasonable cost of repair or restoration if Grantor is not in default under this Deed of Trust. Any proceeds which have not been disbursed within 180 days after their receipt and which Lender has not committed to the repair or restoration of the Property shall be used first to pay any amount owing to Lender under this Deed of Trust, then to pay accrued interest, and the remainder, if any, shall be applied to the principal balance of the indebtedness. If Lender holds any proceeds after payment in full of the indebtedness, such proceeds shall be paid to Grantor as Grantor's interests may appear.

Unexpired Insurance at Sale. Any unexpired insurance shall inure to the benefit of, and pass to, the purchaser of the Property covered by this Deed of Trust at any trustee's or other sale held under the provisions of this Deed of Trust, or at any foreclosure sale of such Property.

Grantor's Report on Insurance. Upon request of Lender, however not more than once a year, Grantor shall furnish to Lender a report on each existing policy of insurance showing: (1) the name of the insurer; (2) the risks insured; (3) the amount of the policy; (4) the property insured, the then current replacement value of such property, and the manner of determining that value; and (5) the expiration date of the policy. Grantor shall, upon request of Lender, have an independent appraiser satisfactory to Lender determine the cash value replacement cost of the Property.

LENDER'S EXPENDITURES. If any action proceeding is commenced that would materially affect Lender's interest in the Property or if Grantor fails to comply with any provision of this Deed of Trust or any Related Documents, including but not limited to Grantor's failure to discharge or pay when due any amounts Grantor is required to discharge or pay under this Deed of Trust or any Related Documents, Lender on Grantor's behalf may (but shall not be obligated to) take any action that Lender deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on the Property and paying all costs for insuring, maintaining and preserving the Property. Such expenditures incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Note from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses will become a part of the indebtedness and, at Lender's option, (A) be payable on demand; (B) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (C) be treated as a balloon payment which will be due and payable at the Note's maturity. The Deed of Trust

also will secure payment of these amounts. Each right shall be in addition to all other rights and remedies to which Lender may be entitled upon Default.

WARRANTY; DEFENSE OF TITLE. The following provisions relating to ownership of the Property are a part of this Deed of Trust:

Title. Grantor warrants that: (a) Grantor holds good and marketable title of record to the Property in fee simple, free and clear of all liens and encumbrances other than those set forth in the Real Property description or in any title insurance policy, title report, or final title opinion issued in favor of, and accepted by, Lender in connection with this Deed of Trust, and (b) Grantor has the full right, power, and authority to execute and deliver this Deed of Trust to Lender.

Defense of Title. Subject to the exception in the paragraph above, Grantor warrants and will forever defend the title to the Property against the lawful claims of all persons. In the event any action or proceeding is commenced that questions Grantor's title or the interest of Trustee or Lender under this Deed of Trust, Grantor shall defend the action at Grantor's expense. Grantor may be the nominal party in such proceeding, but Lender shall be entitled to participate in the proceeding and to be represented in the proceeding by counsel of Lender's own choice, and Grantor will deliver, or cause to be delivered, to Lender such instruments as Lender may request from time to time to permit such participation.

Compliance With Laws. Grantor warrants that the Property and Grantor's use of the Property complies with all existing applicable laws, ordinances, and regulations of governmental authorities.

Survival of Representations and Warranties. All representations, warranties, and agreements made by Grantor in this Deed of Trust shall survive the execution and delivery of this Deed of Trust, shall be continuing in nature, and shall remain in full force and effect until such time as Grantor's Indebtedness shall be paid in full.

CONDEMNATION. The following provisions relating to condemnation proceedings are a part of this Deed of Trust:

Notice of Proceedings. Grantor shall immediately notify Lender in writing should all or any part of the Property become subject to any condemnation or expropriation proceedings or other similar proceedings, including without limitation, any condemnation, confiscation, eminent domain, inverse condemnation or temporary requisition or taking of the mortgaged Property, or any part or parts of the Property. Grantor further agrees to promptly take such steps as may be necessary and proper within Lender's sole judgment and at Grantor's expense, to defend any such condemnation or expropriation proceedings and obtain the proceeds derived from such proceedings. Grantor shall not agree to any settlement or compromise or any condemnation or expropriation claim without Lender's prior written consent.

Lender's Participation. Lender may, at Lender's sole option, elect to participate in any such condemnation or expropriation proceedings and be represented by counsel of Lender's choice. Grantor agrees to provide Lender with such documentation as Lender may request to permit Lender to so participate and to reimburse Lender for Lender's costs associated with Lender's participation, including Lender's reasonable attorneys' fees.

Conduct of Proceedings. If Grantor fails to defend any such condemnation or expropriation proceedings to Lender's satisfaction, Lender may undertake the defense of such proceeding for and on behalf of Grantor. To this end, Grantor irrevocably appoints Lender as Grantor's agent and attorney-in-fact, each agency being coupled with an interest, to bring, defend, adjudicate, settle, or otherwise compromise such condemnation or expropriation claims; it being understood, however, that, unless one or more Events of Default (other than the condemnation or expropriation of the Property) then exists under this Deed of Trust, Lender will not agree to any final settlement or compromise of any such condemnation or expropriation claim without Grantor's prior approval, which approval shall not be unreasonably withheld.

Application of Net Proceeds. Lender shall have the right to receive all proceeds derived or to be derived from the condemnation, expropriation, confiscation, eminent domain, inverse condemnation, or any permanent or temporary requisition or taking of the Property, or any part or parts of the Property ("condemnation proceeds"). In the event that Grantor should receive any such condemnation proceeds, Grantor agrees to immediately turn over and pay such proceeds to Lender. All condemnation proceeds, which are received by, or which are payable to either Grantor or Lender, shall be applied, at Lender's sole option and discretion, and in such manner as Lender may determine (after payment of all reasonable costs, expenses and attorneys' fees necessarily paid or incurred by Grantor and/or Lender), for the purpose of: (a) replacing or repairing the condemned, expropriated, confiscated, or taken Property; or (b) reducing the then outstanding balance of the Indebtedness, together with interest thereon, with such payments being applied in the manner provided in this Deed of Trust. Lender's receipt of a condemnation proceeds and the application of such proceeds as provided in this Deed of Trust shall not affect the lien of this Deed of Trust. Grantor waives any legal or equitable interest in the net proceeds and any right to require any apportionment of the net proceeds of the award. Grantor agrees that Lender is entitled to apply the award in accordance with this paragraph without demonstrating that security has been impaired.

IMPOSITION OF TAXES, FEES AND CHARGES BY GOVERNMENTAL AUTHORITIES. The following provisions relating to governmental taxes, fees and charges are a part of this Deed of Trust:

Current Taxes, Fees and Charges. At the request by Lender, Grantor shall execute such documents in addition to this Deed of Trust and take whatever other action is requested by Lender to perfect and continue Lender's lien on the Real Property. Grantor shall reimburse Lender for all taxes, as described by, together with all expenses incurred in recording, perfecting or continuing this Deed of Trust, including without limitation all taxes, documentary stamps, and other charges for recording or registering this Deed of Trust.

Subsequent Taxes. If any tax to which this section applies is enacted subsequent to the date of this Deed of Trust, this event shall have the same effect as an Event of Default and Lender may exercise any or all of its available remedies for an Event of Default as provided below unless Grantor either (1) pays the tax before it becomes delinquent, or (2) contests the tax as provided above in the Taxes and Liens section and deposits with Lender a sufficient corporate surety bond or other security satisfactory to Lender.

In addition to recording this Deed of Trust in the real property records, Lender may any time and without further authorization from Grantor, file executed counterparts, copies or reproductions of this Deed of Trust as a financing statement. Grantor shall reimburse Lender for all expenses incurred in perfecting or continuing this security interest. Upon default, Grantor shall not remove, sever or detach the Personal Property from the Property. Upon default, Grantor shall assemble any Personal Property not affixed to the Property in a manner and at a place reasonably convenient to Grantor and Lender and make it available to Lender within three (3) days after receipt of written demand from Lender to the extent permitted by applicable law.

Attorney-in-Fact. If Grantor fails to do any of the things referred to in the preceding paragraph, Lender may do so for and in the name of Grantor and at Grantor's expense. For such purposes, Grantor hereby irrevocably appoints Lender as Grantor's attorney-in-fact for the purpose of making, executing, delivering, filing, recording, and doing all other things as may be necessary or desirable, in Lender's sole opinion, to accomplish the matters referred to in the preceding paragraph.

RIGHTS AND REMEDIES ON DEFAULT. If Event of Default occurs under this Deed of Trust, at any time thereafter, Trustee or Lender may exercise any one or more of the following powers and remedies:

Election of Remedies. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Grantor under this Deed of Trust, after Grantor's failure to perform, shall not affect Lender's right to declare a default and exercise its remedies.

Accelerate Indebtedness. Lender shall have the right at its option without notice to Grantor to declare the entire Indebtedness immediately due and payable, including any prepayment penalty which Grantor would be required to pay.

Foreclosure. With respect to all or part of the Real Property, the Trustee shall have the right to foreclose by notice and sale, and Lender shall have the right to foreclose by judicial foreclosure, in either case in accordance with and to the full extent provided by applicable law.

UCC Remedies. With respect to all or part of the Personal Property, Lender shall have all the rights and remedies of a secured party under the Uniform Commercial Code.

Collect Rents. Lender shall have the right, without notice to Grantor to take possession of and manage the Property, and, whether or not Lender takes possession, collect the rents, including amounts past due and unpaid, and apply the net proceeds, over and above Lender's costs, against the Indebtedness. In exercise of this right, Lender may require any tenant or other user of the Property to make payments of rent or use fees directly to Lender. If the Rents are collected by Lender, then Grantor irrevocably designates Lender as Grantor's attorney-in-fact to endorse instruments received in payment thereof in the name of Grantor and to negotiate the same and collect the proceeds. Payments by tenants or other users to Lender in response to Lender's demand shall satisfy the obligations for which the payments are made, whether or not proper grounds for the demand existed. Lender may exercise its rights under this subparagraph either in person, by agent, or through a receiver.

Appoint Receiver. Lender shall have the right to have a receiver appointed to take possession of all or any part of the Property, with the power to protect and preserve the Property, to operate the Property preceding foreclosure or sale, and to collect the Rents from the Property and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Property exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.

Tenancy at Sufferance. If Grantor remains in possession of the Property after the Property is sold as provided above or Lender otherwise becomes entitled to possession of the Property upon default of Grantor, Grantor shall become a tenant at sufferance of Lender or the purchaser of the Property and shall, at Lender's option, either (1) pay a reasonable rental for the use of the Property, or (2) vacate the Property immediately upon the demand of Lender.

Other Remedies. Trustee or Lender shall have any other right or remedy provided in this Deed of Trust or the Note or by law.

Notice of Sale. Lender shall give Grantor reasonable notice of the time and place of any public sale of the Personal Property or of the time after which any private sale or other disposition of the Personal Property is to be made. Reasonable notice shall mean notice given at least ten (10) days before the time of the sale or disposition. Notices given by Lender or Trustee under the real property foreclosure proceedings shall be deemed reasonable. Any sale of Personal Property may be made in conjunction with any sale of the Real Property.

Sale of the Property. To the extent permitted by applicable law, Grantor hereby waives any and all rights to have the Property marshalled. In exercising its rights and remedies, Trustee or Lender shall be free to sell all or any part of the Property together or separately, in one sale or by separate sales. Lender shall be entitled to bid at any public sale on all or any portion of the Property. The power of sale under this Deed of Trust shall not be exhausted by any one or more sales (or attempts to sell) as to all or any portion of the Real Property remaining unsold, but shall continue in full force until all of the Real Property has been sold by exercise of the power of sale and all Indebtedness has been paid in full.

Attorneys' Fees; Expenses. If Lender institutes any suit or action to enforce any of the terms of this Deed of Trust, Lender shall be entitled to recover such sum as the court may judge reasonable as attorneys' fees at trial and upon any appeal. Whether or not any court action is involved, and to the extent not prohibited by law, all reasonable expenses Lender incurs that in Lender's opinion are necessary at any time for the protection of its interest in the enforcement of its rights shall become a part of the Indebtedness payable on demand and shall bear interest at the Note rate from the time of the expenditure until repaid. Expenses covered by this paragraph include, without limitation, however subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses, whether or not there is a lawsuit, including attorneys' fees and expenses in bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services, the cost of searching records, obtaining title reports (including foreclosure reports), surveyors' reports, and appraisal fees, title insurance, and fees for the Trustee, to the extent permitted by applicable law. Grantor also will pay any court costs, in addition to all other sums provided by law. Fees and expenses shall include attorneys' fees that Lender, Trustee, or both incur, if either or both are made parties to any action to enjoin foreclosure or to any legal proceeding that Grantor institutes. The fees and expenses incurred by this Deed of Trust and are recoverable from the Property.

Rights of Trustee. Trustee shall have all the rights and duties of Lender as set forth in this section.

POWERS AND OBLIGATIONS OF TRUSTEE The following provisions relating to the powers and obligations of Trustee are part of this Deed of Trust:

Powers of Trustee. In addition to powers of Trustee arising as a matter of law, Trustee shall have the power to take the following actions with respect to the Property in the written request of Lender and Grantor: (a) join in preparing and filing a map or plat of the Real Property, including the dedication of streets or other rights to the public; (b) join in granting any easement or creating any restriction on the Real Property; and (c) join in subordination or other agreement affecting this Deed of Trust or the interest of Lender under this

In addition to the rights and remedies set forth above, with respect to all or any part of the Property, the Trustee shall have the right to foreclose by notice and sale, and Lender shall have the right to foreclose by judicial foreclosure, in either case in accordance with and to the full extent provided by applicable law.

Successor Trustee. Lender, at Lender's option, may from time to time appoint a successor Trustee to any Trustee appointed under this Deed of Trust by an instrument executed and acknowledged by Lender and recorded in the office of the recorder of Eureka County, State of Nevada. The successor trustee, with conveyance of the Property, shall succeed to all the title, power, and duties conferred upon the Trustee in this Deed of Trust and by applicable law. This procedure for substitution of Trustee shall govern to the exclusion of all other provisions for substitution.

EXHIBIT "C". An exhibit, titled "EXHIBIT C Adjustable Rate Rider, is attached to this Mortgage or Deed of Trust and by this reference is made a part of this Mortgage or Deed of Trust just as if all the provisions, terms and conditions of the Exhibit had been fully set forth in this Mortgage or Deed of Trust.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Deed of Trust:

Amendments. This Deed of Trust, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Deed of Trust. No alteration of or amendment to this Deed of Trust shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Annual Reports. If the Property is used for purposes other than Grantor's residence, Grantor shall furnish to Lender, upon request, a certified statement of net operating income received from the Property during Grantor's previous fiscal year in such form and detail as Lender shall require. "Net operating income" shall mean all cash receipts from the Property less all cash expenditures made in connection with the operation of the Property.

Caption Headings. Caption headings in this Deed of Trust are for convenience purposes only and are not to be used to interpret or define the provisions of this Deed of Trust.

Merger. There shall be no merger of interest or estate created by this Deed of Trust with any other interest or estate in the Property at any time held by or for the benefit of Lender in any capacity, without the written consent of Lender.

Governing Law. This Deed of Trust shall be governed by, construed and enforced in accordance with federal law and the laws of the State of Nevada. This Deed of Trust has been accepted by Lender in the State of Nevada.

Choice of Venue. If there is a lawsuit against Grantor, Grantor agrees upon Lender's request to submit to the jurisdiction of the courts of Eureka County, State of Nevada. (Initial Here _____)

Joint and Several Liability. All obligations of Grantor under this Deed of Trust shall be joint and several, and all references to Grantor shall mean each and every Grantor. This means that each Grantor signing below is responsible for all obligations in this Deed of Trust.

No Waiver by Lender. Lender shall not be deemed to have waived any rights under this Deed of Trust unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Deed of Trust shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Deed of Trust. No prior waiver by Lender, nor any course of dealing between Lender and Grantor, shall constitute a waiver of any of Lender's rights or of any of Grantor's obligations as to any future transactions. Whenever the consent of Lender is required under this Deed of Trust, the granting of such consent by Lender in any instance shall not constitute continuing consent in subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

Severability. If a court of competent jurisdiction finds any provision of this Deed of Trust to be illegal, invalid, or unenforceable as to any person or circumstance, that finding shall not make the offending provision illegal, invalid, or unenforceable as to any other person or circumstance. If feasible, the offending provision shall be considered modified so that it becomes legal, valid and enforceable. If the offending provision cannot be so modified, it shall be considered deleted from this Deed of Trust. Unless otherwise required by law, the illegality, invalidity, or unenforceability of any provision of this Deed of Trust shall not affect the legality, validity or enforceability of any other provision of this Deed of Trust.

Non-Liability of Lender. The relationship between Grantor and Lender created by this Deed of Trust is strictly a debtor and creditor relationship and not fiduciary in nature or is the relationship to be construed as creating any partnership or joint venture between Lender and Grantor. Grantor is exercising Grantor's own judgement with respect to Grantor's business. All information supplied to Lender is for Lender's protection only and no other party is entitled to rely on such information. There is no duty for Lender to review, inspect, supervise or inform Grantor of any matter with respect to Grantor's business. Lender and Grantor intend that Lender may reasonably rely on all information supplied by Grantor to Lender, together with all representations and warranties given by Grantor to Lender, without investigation or confirmation by Lender that any investigation or failure to investigate will not diminish Lender's right to so rely.

Sole Discretion of Lender. Whenever Lender's consent or approval is required under this Deed of Trust, the decision as to whether or not to consent or approve shall be in the sole and exclusive discretion of Lender and Lender's decision shall be final and conclusive.

Successors and Assigns. Subject to the limitations stated in this Deed of Trust on transfer of Grantor's interest, this Deed of Trust shall be binding upon and inure to the benefit of the parties, their successors and assigns. If ownership of the Property becomes vested in a person other than Grantor, Lender, without notice to Grantor, may deal with Grantor's successors with reference to this Deed of Trust and the indebtedness by way of forbearance extension without releasing Grantor from the obligations of this Deed of Trust or liability under the indebtedness.

Time is of the Essence. Time is of the essence in the performance of this Deed of Trust.

Waiver of Homestead Exemption. Grantor hereby releases and waives all rights and benefits of the homestead exemption laws of the State of Nevada as to all indebtedness secured by this Deed of Trust.

EXHIBIT C
ADJUSTABLE RATE RIDER
(3 Year Treasury Index – Semi-Annual Pay - No Rate Cap - Convertible)

This ADJUSTABLE RATE RIDER is made this 1st day of April, 2002, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the Note") to Lease Agri-Business, Inc. (the "Lender") of the same date and covering the property described in the Security Instrument and located at: See attached Exhibit "L".

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE SEMI-ANNUAL PAYMENT. THE NOTE ALSO CONTAINS THE OPTION TO CONVERT THE ADJUSTABLE RATE TO ANOTHER RATE

ADDITIONAL COVENANT: In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. ADJUSTABLE RATE AND SEMI-ANNUAL PAYMENT CHANGES

The Note provides an initial interest rate of 6.420%. The Note provides for changes in the adjustable interest rate and the semi-annual payments as follows:

1. Payment of Principal and Interest.

(a) Interest shall be due on the unpaid balance of this Note at a rate equal to the sum of (i) the Current Index (defined below) and (ii) the Margin (defined below) (the "Adjustable Rate"). The Adjustable Rate shall change the first day of each third July, commencing July 1, 2005 (each, a "Rate Change Date") until the loan is repaid in full or until the Borrower exercises the option to convert the interest rate to another rate provided in paragraph (f) below.

(b) The Adjustable Rate shall be 6.420% per annum until July 1, 2005.

(c) A payment interest only calculated at the Adjustable Rate from the date of closing shall be due on the first day of July, 2002. Thereafter, consecutive semi-annual installments of principal and interest, each in the amount required to pay the unpaid principal balance of this Note in equal semi-annual installments, including accrued interest at the Adjustable Rate calculated over the 25 year period beginning with July 1, 2002 shall be payable on the first day of each January and July, until the entire indebtedness evidenced by this Note is fully paid. Any remaining indebtedness, if not sooner paid, shall be due and payable on the Maturity Date (as defined below). The initial installment of principal and interest in the amount of Ten Thousand One Hundred Twenty-Nine and 23/100 Dollars (\$3,129.23) shall be due on January 1, 2003. Thereafter, to the extent that the Adjustable Rate has changed, the amount of the installment payment shall change in accordance with the second sentence of this paragraph. For purposes of determining the "principal balance" under the second sentence of this paragraph, calculations shall be based on the binding presumption of timely future payments, without any prepayments made after the date of the calculation, through the next scheduled Rate Change Date.

(d) At least 30 days before each Rate Change Date, Lender shall re-calculate the Adjustable Rate and shall notify Borrower (in the manner specified in the Security Instrument for giving notices) of any change in the Adjustable Rate and the installment payment due on each payment date.

(e) If Lender at any time determines, in its sole but reasonable discretion, that it has miscalculated the amount of any installment payment (whether because of a miscalculation of the Adjustable Rate or otherwise) then Lender shall give notice to Borrower of the corrected amount of the installment payment (and the corrected Adjustable Rate, if applicable) and (i) if the corrected amount of the installment payment represents an increase, then Borrower shall, within 30 calendar days thereafter, pay to Lender any sums that Borrower would have otherwise been obligated under this Note to pay to Lender had the amount of that installment payment not been miscalculated, or (ii) if the corrected amount of the installment payment represents a decrease thereof and Borrower is not otherwise in breach or default under any of the terms and provisions of this Note, the Security Instrument or any other loan document evidencing or securing this Note, then Borrower shall thereafter be paid the sums that Borrower would not have otherwise been obligated to pay to Lender had the amount of the installment payment not been miscalculated.

(f) If Borrower ever exercises Borrower's option to convert the interest rate on this Note to another rate pursuant to paragraph 3. ("Interest Rate Conversion Option") of this Note, the applicable interest rate under this Note, beginning on the date the conversion becomes effective and continuing until the Maturity Date, shall not be the rate determined in accordance with subsection (c) above, but shall be the rate established in accordance with Section 3 "Interest Rate Conversion Option" hereof. Such rate shall be reflected in an "Agreement to Convert" substantially in the form attached as Exhibit A to this Note.

(g) For purposes of this Section, the following definitions shall apply:

Current Index: The published Index that is in effect on the 45th day before the applicable Rate Change Date.

Index: The weekly average yield on United States Treasury securities adjusted to a constant maturity of three years published by the Federal Reserve Board. In the event the Federal Reserve Board ceases making the Index available, Lender shall select a comparable publication to determine the Index and provide notice thereof to Borrower. In the event no comparable organization publishes the Index, Lender shall select a method of calculating interest at the Adjustable Rate that Lender deems comparable in its sole discretion and provide notice thereof to Borrower.

Margin: 2.820 %.

Maturity Date: Jul, 2017.

B. INTEREST RATE OPTION

The Note provides the Borrower's option to convert from an adjustable interest rate to another interest rate, as follows:

3. Interest Rate Conversion Option.

(a) **Option to Convert to Other Rate.** Borrower may exercise the Conversion Option unless Borrower is in default under this Note or the Security Instrument if the conditions of this Paragraph 3(a) are met. The "Conversion Option" is the Borrower's option to convert the interest rate specified in this Note from an adjustable with no interest rate limits to the converted rate calculated under Section 3(b) below.

The conversion can only take place on any date a payment is due under this Note. The date on which the Borrower converts adjustable interest rate to the converted rate is called the "Conversion Date."

The Borrower's ability to exercise the Conversion Option is conditioned upon: (i) the Borrower giving the Lender written notice at least 21 days prior to the Conversion Date that the Borrower wants to exercise the Conversion Option; (ii) at the Conversion Date, the Borrower must not be in default under the terms of this Note or the Security Instrument; (iii) payment to the Lender prior to the Conversion Date of a conversion fee of \$500 and (iv) the Borrower's completion and execution of any documents the Lender requires to effect the conversion.

(b) **Calculation of Converted Rate.** The converted interest rate in effect as of the Conversion Date will be equal to the Federal Agricultural Mortgage Corporation's required net yield as of noon, Eastern Time, 7 days prior to the Conversion Date for (i) if Borrower elects to have the option to prepay the loan on any date a payment is due without paying a yield maintenance amount, the open prepay comparable (as determined in Lender's sole discretion) term mortgages (with amortization terms equal to the amortization term of the Note) covered by applicable 1-week mandatory delivery commitments, plus 0.320%, (ii) if Borrower agrees that any prepayment of the loan will be subject to Borrower's paying a yield maintenance amount, comparable (as determined in Lender's sole discretion) term mortgages (with amortization terms equal to the amortization term of this Note) with yield maintenance covered by applicable 1-week mandatory delivery commitments, plus 0.320%. If this required net yield cannot be determined because the applicable commitments are not available, the Lender will determine the interest rate using comparable information.

(c) **New Payment and Effective Date.** Upon the Borrower's exercise of the Conversion Option, the Lender will determine the amount of the semi-annual installment, which will be calculated to repay the unpaid principal (plus any principal payment due on the Conversion Date) in full on the final amortization date at the new interest rate in substantially equal payments.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.
