

SHORT FORM OF MINING LEASE

This SHORT FORM OF MINING LEASE is made as of the 28th day of June, 2002 (the "Effective Date"), by and between Genesis Gold Co., a Utah corporation, whose address is #3 Knob Hill Road, P. City, Utah 84098 ("Genesis") and Placer Dome U.S. Inc, a California corporation, whose address for purposes hereof is HC 66 Box 1250 Crescent Valley, Nevada 89821 ("PDUS").

RECITALS

A. Genesis owns the entire and undivided interest in and to certain unpatented mining claims situated Eureka County, Nevada, as more particularly described on Exhibit A (the "Claims").

B. Genesis and PDUS have entered into a Mining Lease covering the Claims dated effective June 28, 2002 (the "Lease").

C. Genesis and PDUS desire to enter into this Short Form of Mining Lease (the "Short Form") for the purpose of placing of record a notice of the Lease.

AGREEMENT

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby consented and acknowledged, Genesis and PDUS have agreed and do hereby agree as follows:

1. **Grant of Lease of the Claims.** Genesis has leased and hereby grants and leases exclusively unto PDUS the Claims together with (i) all of the intralimital and extralateral rights and all other rights, privileges, and easements thereto incident or appurtenant (including, without limitation, any water, skwating and reservoir rights associated with the Claims and all easements and rights-of-way appurtenant thereto, and any of Genesis' personal property located on the Claims), and (ii) any additional rights to the Claims to which Genesis may become entitled during the Term of the Lease, for the purpose and with the sole and exclusive right and privilege, during the Term of the Lease, of exploring for, developing, mining, treating, processing, shipping, selling, marketing, and otherwise exploiting and disposing of any and all ores, minerals and metals of every kind or character found in, on or under the Claims (hereinafter the "Valuable Minerals"). Genesis has granted and further grants to PDUS the sole and exclusive right and privilege to do any and all things necessary or desirable to accomplish any or all of the purpose and rights set forth in the Lease, including, without limitation, rights to enter upon and use the surface of the Claims in connection with mineral rights in and under lands controlled by PDUS in the vicinity of the Claims.

2. Term. The term of the Lease (the "Term") is for 20 years from its Effective Date, and so long thereafter any of exploration, development, mining, processing or marketing operations are carried on or with respect to the Claims in good faith on a continuous basis (so long as any such operations do not cease for a period of more than 365 consecutive days), unless earlier terminated pursuant to the provisions of the Lease.

3. Success and Assigns. The Lease and this Short Form are, and shall be, binding upon and inure to the benefit of the heirs, representatives, successors and assigns of the parties thereto and any third party acquiring any interest in the Claims. No assignment by PDUS of any interest under the Lease this Short Form shall be made without the prior written consent of Genesis, which consent shall not be unreasonably withheld. Notwithstanding the foregoing, however, PDUS will not be required to obtain Genesis' consent to any assignments or subleases of its interest in the Lease to its affiliates or subsidiaries, or to the Cortez Joint Venture. In addition, no such consent shall be required in connection with a corporate reorganization, merger or other consolidation involving PDUS, or in connection with the granting of a security interest in PDUS's interest in the Lease.

4. Title to Later-Acquired and Additional Interests. The Lease covers and extends to any further or additional right, title, interest or estate heretofore or hereafter acquired by Genesis in or to the Claims or a part thereof. In the event Genesis acquires such additional right, title, interest or estate in the Claims, Genesis will lease the same to PDUS pursuant to the Lease, without payment of additional consideration.

5. Rights of First Refusal. Pursuant to the Lease, for a period of time set forth in the Lease, Genesis has granted and hereby grants to PDUS right of first refusal to purchase the Claims or the production royalty payable to Genesis under the Lease (the "Production Royalty") if Genesis desires to sell or any portion of its interest in the Claims or the Production Royalty. Pursuant to the Lease, PDUS has granted and hereby grants to Genesis a right of first refusal to acquire PDUS's interest in the Lease, subject to certain contractual obligations PDUS has, directly or indirectly, either to convey its interest in the Lease to third parties, if PDUS desires to convey its interest in the Lease.

6. Additional Terms. The Lease contains clauses pertaining to advance royalties payable to Genesis, a Production Royalty payable to Genesis (a portion of which PDUS has the right to buy down at any time on or before the 20th anniversary of the Effective Date of the Lease), the performance of PDUS of exploration work, and various other provisions, and reference is made to the lease for such other terms and conditions as govern the Lease, which terms and conditions are hereby made a part hereof. Nothing in this Short Form shall limit or affect the rights and duties of the parties under the Lease. Information regarding the Lease can be obtained from FJS at the address set forth above.

IN WITNESS WHEREOF, the parties have executed this Short Form of Mining Lease effective as of the date first above written.
