WARRANTY

We hereby warrant to Eureka Public Works of Eureka, NV. And potential owner, the labor for (5) years and, materials for ten (10) years, on the project named below. We agree to warrant, to the satisfaction of the Owner, any or all such work that may prove defective workmanship or materials within the above specified time period. Ordinary wear and tear, unusual abuse and/or neglect are not warranted.

If we fail to comply with the above-described conditions within a reasonable time after being notified in writing of the defective condition and determining that the condition is a result of defective workmanship and/or materials, we collectively and separately hereby authorize the Owner to proceed with having the defective areas repaired at our expense, payment of which will be made upon Owner's demand.

This warranty covers and includes any special terms, including time periods, specified for this work or materials in the plan, specifications and/or contract documents for this project.
