Re: Letter of Understanding

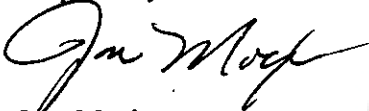

This Letter of Understanding is between the Eureka County School District Board of Trustees and Start 2 Finish, Inc. and concerns the preservation of the Eureka County School District property known as "the old High School" located at 200 North Adams Street, Eureka, NV.

Start 2 Finish, Inc. is a nonprofit organization located in Eureka, NV, and incorporated in the State of Nevada for the purpose of contributing to community development, education and employment opportunity development in the Community. We understand that we have not in the past, do not in the present, and will not likely in the future hold any ownership rights to the Eureka School District property or structure known as the "old High School."

Start 2 Finish, Inc. and Eureka County School District Board of Trustees have entered into a non-binding verbal agreement that the Board of Trustees will allow Start 2 Finish, Inc. a reasonable amount of time to obtain funds to remodel and refurbish the "old High School" property. Start 2 Finish, Inc. will initiate negotiations with the Eureka County School District Board of Trustees to enter a long term lease when, after due diligence is complete, they determine that funds can be made available to complete the project to remodel and refurbish the "old High School." The intent of the remodeling and refurbishing project will be to convert and preserve the historical building as a non-profit community center.

We appreciate your patience and willingness to work together with us in an effort to save this structure.

Respectfully submitted,

Jane Moyle  
President
