**GRANT OF EASEMENT
FOR
ELECTRIC TRANSMISSION AND COMMUNICATION**

THIS INSTRUMENT, made and entered into this 23 day of July, 2002, by and between ZEDA CORPORATION, (hereinafter referred to as "Grantor"), and SIERRA PACIFIC POWER COMPANY a Nevada corporation, (hereinafter referred to as "Grantee"),

WITNESSETH:

GRANTOR, and in consideration of the sum of Ten Dollars (\$10.00), in hand paid by Grantee, and other good and valuable consideration, receipt of which is hereby acknowledged, does hereby grant to Grant, its successors and assigns, a permanent and exclusive easements and rights of way to construct, alter, maintain, inspect, repair, reconstruct and operate one or more electric transmission and communication facilities, consisting of one or more circuits, together with the appropriate pole towers, necessary guys and anchors, supporting structures, insulators and cross-arms, underground foundations, markers, fixtures and other necessary or convenient appurtenances connected therewith (hereinafter called "Utility Facilities"), across, over, upon, under, and through the following described property situated in the County of Eureka, State of Nevada, to-wit:

AS DESCRIBED ON EXHIBITS "A", "B" AND "C" ATTACHED HERETO AND MADE A PART HEREOF

Also with right to install guy and anchor facilities at the angle and terminal pole locations, said guy and anchor facilities to extend not more than 160 feet from said pole locations.

IT IS FURTHER AGREED:

1. Grantee's successors and assigns, shall have at all times ingress and egress to the above-described land for the purpose of constructing, erecting, altering, maintaining, inspecting, repairing, reconstructing and operating said Utility Facilities.
2. Grantee's successors and assigns, shall be responsible for any damage to personal property or improvements, suffered by Grantor, his heirs, successors and assigns, by reason of constructing, erecting, altering, maintaining, inspecting, repairing, reconstructing and operating said

Utility Facilities by Grantee.

3. Grantee, successors and assigns, will at all times save and hold harmless Grantor, his heirs, successors and assigns, with respect to any and all loss, damage or liability suffered or sustained by reason of any injury or damage to any person or property, caused by the constructing, erecting, altering, maintaining, inspecting, repairing, reconstructing and operating of said Utility Facilities by Grantee.

4. Grantor shall not erect or construct, nor permit to be erected or constructed any building or structure, nor permit any activity which in the reasonable judgment of Grantee is inconsistent with Grantee's use of said easement.

5. Grantee, successors and assigns, shall have the right to remove or clear any and all buildings, structures, combustible materials, trees, brush, debris, or any other obstruction from said easement, which in the reasonable judgment of Grantee may interfere with or endanger the constructing, erecting, altering, maintaining, inspecting, repairing, reconstructing and operating of said Utility Facilities.

6. Grantee, successors, assigns and agents, shall have the right to cut down or trim all trees within, adjacent and outside said easement which may in the reasonable judgment of Grantee endanger the constructing, erecting, altering, maintaining, inspecting, repairing, reconstructing and operating of said Utility Facilities.

THIS GRANT OF EASEMENT shall be binding upon the heirs, executors, administrators, successors in title, successors and assigns of Grantor and Grantee, and all rights herein granted may be assigned.

TO HAVE AND TO HOLD all and singular the said premises, granted together with the appurtenances, unto Grantee, its successors and assigns forever.

IN WITNESS WHEREOF, Grantor has caused these presents duly to be executed the day and year first above written.

CONDITIONS

1. If temporary gate is installed in existing fence lines, upon completion of reclamation, the fence(s) will be repaired to good or better condition than first found.
2. An existing waterline is located near Structure 120. Grantor to be notified prior to construction to field locate waterline. Any access road crossing existing waterline will be upgraded to provide sufficient cover. If waterline is damaged due to construction, waterline will be repaired at Grantee's expense.
3. This easement is only for the construction and maintenance of the Falcon Project.
4. All temporary easements constructed for the Falcon Project will be reclaimed and reseeded with an approved seed mix. Barricade to keep the public out of reclaimed areas will be placed at intersections of existing roads and reclaimed temporary roads.
