RECEIVED TERMS Bur, of Land Management

Sec. 1. Rentals - Rentals shall be paid to proper office of i in advance of each lease year. Annual rental rates per acre or fraction thereof are:

- (a) Noncompetitive lease, \$1.50 for the first 5 years; that M. AUG 0 6 2002
- (b) Competitive lease, \$1.50, for the first 5 years; thereaft.00;

(c) Other, see attachment, or

If this lease or a portion thereof is committed to an approvooperative and planting DA includes a well capable of producing leased resources, art plan contains a provision for allocation of production, royalties shall be paid on the productiocated to this lease. However, annual rentals shall continue to be due at the rate specified). (b), or (c) for those lands not within a participating area.

Failure to pay annual rental, if due, on or before the annury date of this lease (or next official working day if office is closed) shall automatically mate this lease by operation of law. Rentals may be waived, reduced, or suspended by the Hary upon a sufficient showing

Sec. 2. Royalties - Royalties shall be paid to proper office or r. Royalties shall be computed in accordance with regulations on production removed or Royalty rates are:

- (a) Noncompetitive lease, 12 1/2 %;
- (b) Competitive lease, 12 1/2 %;
- (c) Other, see attachment; or

as specified in regulations at the time this lease is issued

Lessor reserves the right to specify whether royalty is to sid in value or in kind, and the right to establish reasonable minimum values on producer giving lessee notice and an opportunity to be heard. When paid in value, royalties shall te and payable on the last day of the month following the month in which production occu when paid in kind, production shall be delivered, unless otherwise agreed to by lessor, in metable condition on the premises where produced without cost to lessor. Lessee shall not buired to hold such production in storage beyond the last day of the month following the rr in which production occurred, nor shall lessee be held liable for loss or destruction of royall or other products in storage from causes beyond the reasonable control of lessee.

Minimum royalty in lieu of rental of not less than the rental a otherwise would be required for that lease year shall be payable at the end of each lease yeginning on or after a discovery in paying quantities. This minimum royalty may be waiverpended, or reduced, and the above royalty rates may be reduced, for all or portions of these if the Secretary determines that such action is necessary to encourage the greatest ultimulovery of the leased resources, or is otherwise justified.

An interest charge shall be assessed on late royalty paymer underpayments in accordance with the Federal Oil and Gas Royalty Management Act of 19 (GRMA) (30 U.S.C. 1701). Lessee shall be liable for royalty payments on oil and gas it wasted from a lease site when such loss or waste is due to negligence on the part of the ope, or due to the failure to comply with any rule, regulation, order, or citation issued under FMA or the leasing authority

Sec. 3. Bonds - A bond shall be filed and maintained for operations as required under

Sec. 4. Diligence, rate of development, unitization, and drains. assee shall exercise reasonable diligence in developing and producing, and shall prevent usssary damage to, loss of, or waste of leased resources. Lessor reserves right to specify rat development and production in the public interest and to require lessee to subscribe to a crative or unit plan, within 30 days of notice, if deemed necessary for proper development operation of area, field, or pool embracing these leased lands. Lessee shall drill and producils necessary to protect leased lands from drainage or pay compensatory royalty for draina amount determined by lessor.

Sec. 5. Documents, evidence, and inspection - Lessee shat with proper office of lessor, not later than 30 days after effective date thereof, any contract idence of other arrangement for sale or disposal of production. At such times and in such its lessor may prescribe, lessee shall furnish detailed statements showing amounts and quality) products removed and sold, proceeds therefrom, and amount used for production purpos unavoidably lost. Lessee may be required to provide plats and schematic diagrams sing development work and improvements and reports with respect to parties in interespenditures, and depreciation costs. In the form prescribed by lessor, lessee shall keep a dailing record, a log, information on well surveys and tests, and a record of subsurface investins and furnish copies to lessor when required. Lessee shall keep open at all reasonable time inspection by any authorized officer of lessor, the leased premises and all wells, improvemenachinery, and fixtures thereon, and all books, accounts, maps, and records relative to opens, surveys, or investigations on or in the leased lands. Lessee shall maintain copies of all core sales agreements, accounting records, and documentation such as billings, invoices, or sindocumentation that supports

costs claimed as manufacturing, preparation, and/or transportation costs. All such records shall be maintained in lessee's accounting offices for future audit by lessor. Lessee shall maintain required records for 6 years after they are generated or, if an audit or investigation is underway, until released of the obligation to maintain such records by lessor.

During existence of this lease, information obtained under this section shall be closed to as specified in regulations at the time this lease is issued

NEVADA STATE OFF Imperction by the public in accordance with the Freedom of Information Act (5 U.S.C. 552).

Sec. 6. Conduct of operations - Lessee shall conduct operations in a manner that minimizes adverse

impacts to the land, air, and water, to cultural, biological, visual, and other resources, and to other land uses or users. Lessee shall take reasonable measures deemed necessary by lessor to accomplish the intent of this section. To the extent consistent with lease rights granted, such measures may include, but are not limited to, modification to siting or design of facilities, timing of operations, and specification of interim and final reclamation measures. Lessor reserves the right to continue existing uses and to authorize future uses upon or in the leased lands, including the approval of easements or rights-of-way. Such uses shall be conditioned so as to prevent unnecessary or unreasonable interference with rights of lessee.

Prior to disturbing the surface of the leased lands, lessee shall contact lessor to be apprised of procedures to be followed and modifications or reclamation measures that may be necessary. Areas to be disturbed may require inventories or special studies to determine the extent of impacts to other resources. Lessee may be required to complete minor inventories or short term special studies under guidelines provided by lessor. If in the conduct of operations, threatened or endangered species, objects of historic or scientific interest, or substantial unanticipated environmental effects are observed, lessee shall immediately contact lessor. Lessee shall cease any operations that would result in the destruction of such species or objects.

Sec. 7. Mining operations - To the extent that impacts from mining operations would be substantially different or greater than those associated with normal drilling operations, lessor reserves the right to deny approval of such operations.

Sec. 8. Extraction of helium - Lessor reserves the option of extracting or having extracted helium from gas production in a manner specified and by means provided by lessor at no expense or loss to lessee or owner of the gas. Lessee shall include in any contract of sale of gas the provisions of this section

Sec. 9. Damages to property - Lessee shall pay lessor for damage to lessor's improvements, and shall save and hold lessor harmless from all claims for damage or harm to persons or property as a result of lease operations.

Sec. 10. Protection of diverse interests and equal opportunity - Lessee shall: pay when due all taxes legally assessed and levied under laws of the State or the United States; accord all employees complete freedom of purchase; pay all wages at least twice each month in lawful money of the United States; maintain a safe working environment in accordance with standard industry practices; and take measures necessary to protect the health and safety of the public.

Lessor reserves the right to ensure that production is sold at reasonable prices; and to prevent monopoly. If lessee operates a pipeline, or owns controlling interest in a pipeline or a company operating a pipeline, which may be operated accessible to oil derived from these leased lands. lessee shall comply with section 28 of the Mineral Leasing Act of 1920.

Lessee shall comply with Executive Order No. 11246 of September 24, 1965, as amended, and regulations and relevant orders of the Secretary of Labor issued pursuant thereto. Neither lessee, nor lessee's subcontractors shall maintain segregated facilities.

Sec. 11. Transfer of lease interests and relinquishment of lease - As required by regulations, lessee shall file with lessor any assignment or other transfer of an interest in this lease. Lessee may relinquish this lease or any legal subdivision by filing in the proper office a written relinquishment, which shall be effective as of the date of filing, subject to the continued obligation of the lessee and surety to pay all accrued rentals and royalties.

See. 12. Delivery of premises - At such time as all or portions of this lease are returned to lessor, lessee shall place affected wells in condition for suspension or abandonment, reclaim the land as specified by lessor and, within a reasonable period of time, remove equipment and improvements not deemed necessary by lessor for preservation of producible wells.

Sec. 13. Proceedings in case of default - If lessee fails to comply with any provisions of this lease, and the noncompliance continues for 30 days after written notice thereof, this lease shall be subject to cancellation unless or until the leasehold contains a well capable of production of oil or gas in paying quantities, or the lease is committed to an approved cooperative or unit plan or communitization agreement which contains a well capable of production of unitized substances in paying quantities. This provision shall not be construed to prevent the exercise by lessor of any other legal and equitable remedy, including waiver of the default. Any such remedy or waiver shall not prevent later cancellation for the same default occurring at any other time. Lessee shall be subject to applicable provisions and penalties of FOGRMA (30 U.S.C. 1701).

Sec. 14. Heirs and successors-in-interest - Each obligation of this lease shall extend to and be binding upon, and every benefit hereof shall inure to the heirs, executors, administrators, successors, beneficiaries, or assignees of the respective parties hereto.
