# GRAZING AGREEMENT

## INTRODUCTION

This agreement documents and formally establishes the historical grazing use areas of the Bailey Ranch and Ezra C. Lundahl Inc., joint permittees, on the North Diamond Allotment and Union Mountain/Jiggs Unit. The North Diamond Allotment is within the Battle Mountain District of the Bureau of Land Management, and the Union Mountain/Jiggs Unit is part of the Elko District of the Bureau of Land Management (BLM). This designation of specific grazing use areas is consistent with the terms and conditions specified in the permittees grazing permits. The Diamond Mountain Complex Evaluation and the Final Multiple-Use Decision dated January 5, 2000 still dictates the BLM goals, objectives and management actions for the North Diamond Allotment.

These assignments of specific livestock use areas as documented below, are being formally established in order to better achieve the management goals, objectives and actions for the public lands and also to better protect the Bailey Ranch and Ezra C. Lundahl Inc. in the event of the sale of their respective grazing permits. This agreement does not modify or amend range improvement responsibilities or the permittee's current ten-year permits.
