LEGIBILITY NOTICE

The Humboldt County Recorder's Office has determined that the attached document may not be suitable for recording by the method used by the Recorder to preserve the Recorder's records. The customer was advised that copies reproduced from the recorded document would not be legible. However, the customer demanded that the document be recorded without delay as the parties rights may be adversely affected because of a delay in recording. Therefore, pursuant to NRS 247.120 (3), the County Recorder accepted the document conditionally, based on the undersigned's representation (1) that a suitable copy will be submitted at a later date (2) it is impossible or impracticable to submit a more suitable copy.

By my signing below, I acknowledge that I have been advised that once the document has been microfilmed it may not reproduce a legible copy.

SPECIAL WARRANTY DEED AND AGREEMENT

THIS SPECIAL WARRANTY DEED AND AGREEMENT (the "Deed") is made effective as of June 27, 2005, by and between 26 Ranch Inc., a Colorado corporation, whose address is 1658 Cole Boulevard, Building No. 6, Suite 210, Lakewood, Colorado 80401 ("26 Ranch"), and Western States Minerals Corporation, a Utah corporation, whose address is 1658 Cole Boulevard, Building No. 6, Suite 210, Lakewood, Colorado 80401 ("WSMC").

FOR GOOD AND VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged and confirmed, 26 Ranch does hereby grant, bargain and sell unto WSMC, its successors and assigns forever, all of the right, title and interest of 26 Ranch in and to the mineral estate within those parcels of fee land described in Exhibit A attached hereto and incorporated herein by reference (the "Property"), including without limitation (i) all of the right, title and interest in and to all of the ores, minerals, metals, coal, oil, gas and other hydrocarbons, industrial minerals and mineral materials, geothermal resources, barite, bentonite and other clays, including common clays and sand and gravel, aggregates, building stone and ballast, of every kind and character whatsoever, upon, under or within the Property, and all by-products and co-products thereof, whether or not now known to exist or to have value, of whatever form or type, at whatever depth in whatever nature of deposit, whether solid, semi-solid, liquid, or gaseous, whether similar or dissimilar to any of those enumerated, and regardless of the method of extraction, whether by wells (including the use of input wells), mining by subterranean, open-pit, surface, or strip mining, surface or subsurface leaching, in-situ methods or any other means or methods now or hereafter known or employed (collectively, the "Minerals"); together with the privilege to construct, use, maintain, repair, replace and relocate on the Property such buildings, roads, tunnels, railroad corridors or loadout facilities, conveyors, tailing ponds, waste dumps, ditches, pipelines, power and communication lines, structures, mills, leach pads, processing facilities, utilities and other improvements and facilities as may be required for the full enjoyment and exploitation of such Minerals; and together with all rights of

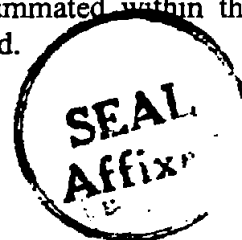

access and surface use necessary for or incident to the exploration for, development of, extraction, mining, removal, treatment, processing, marketing, shipping, transporting or otherwise disposing of any or all of the substances referred to in this paragraph; and (ii) the right to use, cave, and destroy the surface and subsurface of the Property in connection with mineral exploration, development, extraction, mining, removal, treatment, processing, marketing, shipping or transporting activities on the Property and on other properties in the vicinity of the Property, in such a manner and by such methods as WSMC sees fit in its sole discretion.

TO HAVE AND TO HOLD unto WSMC, its successors and assigns, the Minerals and the mineral estate within the Property, together with all and singular the rights, privileges, and appurtenances thereunto belonging or in any way appertaining, including all water, stockwatering, reservoir and other water rights associated therewith, and all after-acquired title.

26 RANCH, and its representatives, successors and assigns, hereby waive all rights, both statutory and at common law, to lateral and subjacent support and to damages for subsidence of the surface of the Property. 26 Ranch acknowledges and agrees that WSMC desires to conduct mineral exploration, development, extraction, removal, treatment, processing, marketing, shipping and transporting activities on the Property and on other properties in the vicinity of the Property in the future, and that, pursuant to this Deed, WSMC, its representatives, successors and assigns shall have the right to conduct all such activities as they may desire, in such a manner as they may desire. 26 Ranch further acknowledges and agrees that any uses of the surface of the Property by 26 Ranch, its representatives, successors or assigns, shall at all times be subordinate to WSMC's rights to use the surface of the Property for such activities, in such a manner as WSMC deems necessary in its sole discretion, with no obligation on the part of WSMC to accommodate in conducting its activities 26 Ranch's use of the surface of the Property.

FOR A PERIOD of twenty (20) years from and after the date of this Deed, any intended conveyance or transfer of the Property, or any part thereof, by 26 Ranch shall be subject to a preemptive right of WSMC. 26 Ranch shall promptly notify WSMC of any such intended conveyance. The notice shall state all of the pertinent terms and conditions of the intended conveyance, and, if based on an offer from a third party, shall identify the proposed transferee and shall be accompanied by a statement of the price, a copy of the offer, the contract for sale, or other evidence of the proposed conveyance. If the consideration for the intended conveyance is, in whole or in part, other than monetary, the notice shall describe such consideration and its monetary equivalent (based upon the fair market value of the nonmonetary consideration and stated in terms of cash or currency). WSMC shall have ninety (90) days from the later of the date of delivery of the notice of transfer or the statement of the price and other required evidence of transfer as set forth above is delivered to notify 26 Ranch whether it elects to acquire the offered interest at the same price (or its monetary equivalent in cash or currency) and on the same terms and conditions as set forth in the notice. If it does so elect, the conveyance to WSMC shall be consummated promptly after notice of such election is delivered to 26 Ranch. If WSMC fails to so elect within the period provided for above, 26 Ranch shall have sixty (60) days following the expiration of such period to consummate the conveyance to a third party at a price and on terms no less favorable than those offered by 26 Ranch to WSMC in the aforementioned notice. If the conveyance to a third party is not consummated within that sixty (60) day period, WSMC's rights under this paragraph shall be reinstated.

26 RANCH AND WSMC confirm and agree that the rights to use the surface of the Property conveyed by 26 Ranch to WSMC pursuant to this Deed, and the waiver of rights by 26 Ranch set forth above, shall be covenants running with the Minerals, shall be binding upon and inure to the benefit of the parties to this Deed and their respective successors and assigns, and shall attach and apply to any subsequent conveyances of all or any portion of the Minerals or the Property. 26 Ranch and WSMC further acknowledge that WSMC's successors or assigns of all or any portion of the Minerals may desire written confirmation of their rights to use the surface of the Property and 26 Ranch's waiver of certain rights with respect thereto as set forth in this Deed, and 26 Ranch agrees to execute such additional confirmation documents for the benefit of those successors and assigns as WSMC may reasonably request.

THE CONVEYANCE OF THE MINERAL ESTATE made pursuant to this Special Warranty Deed and Agreement is made subject to the exceptions, reservations and limitations set forth in Exhibit B attached hereto and incorporated herein by reference, and all other exceptions, reservations and limitations of record and pertaining to the Property.

IN WITNESS WHEREOF, the parties have executed this Special Warranty Deed and Agreement as of the date first above written.
