The fees and costs described herein and elsewhere in this Deed of Trust shall be in addition to those set forth in the loan agreement or any other written agreement between Trustor and Beneficiary.

7. Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation to do so and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may: make or do the same in such manner and to such extent as either may deem necessary to protect the Property, Beneficiary or Trustee being authorized to enter upon the Property for such purposes; commence, appear in and litigate any action or proceeding purporting to affect the Property or the rights or powers of Beneficiary or Trustee, including any bankruptcy proceeding affecting the Property; pay, purchase, contest, or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and in exercising any such powers, incur any liability, expend whatever amounts in its absolute discretion it may deem necessary therefore, including attorney's, accountant's, and appraisal fees, environmental fees and costs of securing evidence of title, and all amounts so expended shall be obligations of Trustor secured by this Deed of Trust. Any award of damages in connection with any taking or condemnation or injury to the Property by reason of public use, or for damages resulting from private trespass or injury to the Property, is absolutely and unconditionally assigned and shall be paid to Beneficiary, under the terms and conditions of this Deed of Trust pertaining to Rents. 5. Upon default by Trustor in payment of all or a portion of the Indebtedness or in performance of any agreement hereunder, all sums secured hereby shall immediately become due and payable at the option of the Beneficiary and in accordance with applicable state law. In the event of default, Beneficiary may employ counsel to enforce payment of the Indebtedness, may cause the Trustee to sell the Property in accordance with the power of sale granted herein and the applicable state law, and may exercise such other rights and remedies granted under this Deed of Trust or by law and equity, including, but not limited to, California Code of Civil Procedure Sections 726.5 and 736, or similar state law, which rights and remedies shall be cumulative and not exclusive. Trustee may sell the Property either as a whole or in separate parcels, and in such order as it may determine. The purchase price shall be payable in lawful money of the United States at the time of the sale. In exercising the power of sale contained herein, Trustee may hold one or more sales of all or any portion of the Property by public announcement at the time and place of sale set forth in the notice thereof, and from time to time thereafter may postpone such sale or sales of all or any portion of the Property to the same or separate days by public announcement at such time fixed by the preceding postponement. If the Indebtedness is also secured by personal property, fixtures or crops, Beneficiary may enforce its security interest in the personal property, fixtures and crops and its lien under this Deed of Trust in any manner and in any order or sequence permitted by applicable law and the Uniform Commercial Code. Beneficiary shall have no duty or obligation to clean-up or otherwise prepare the personal property for sale. If Beneficiary elects to sell all or any portion of the personal property, Beneficiary is authorized to disclaim all warranties in connection with said sale. All remedies are cumulative and none are exclusive; no election by Beneficiary to pursue one remedy or item of collateral shall be deemed to be a release or waiver of any other item of collateral or a release or modification of the inability of Trustor or any guarantor to pay all Indebtedness or perform in full all obligations to Beneficiary. The procedures governing the enforcement by Beneficiary of its

foreclosure and provisional remedies against Trustor shall be governed by the laws of the state in which the Property is located. Nothing contained herein shall be construed to provide that the substantive law of the state in which the Property is located shall apply to the Beneficiary's rights and the Trustor's obligations hereunder or under the promissory note(s), which are and shall continue to be governed by the substantive law of the state in which the promissory note was executed.

6. The failure on the part of the Beneficiary to promptly enforce any right hereunder shall not operate as a waiver of such right and the waiver by Beneficiary of any default shall not constitute a waiver of any other or subsequent defaults. Subsequent acceptance of any payment by the holder hereof shall not be deemed a waiver of any default by Trustor, or of Beneficiary's rights hereunder as the result of any sale, agreement to sell, conveyance, or alienation, regardless of holder's knowledge of such default, sale, agreement to sell, conveyance, or alienation at the time of acceptance of such payment.

7. This Deed of Trust applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the holder and owner of any note or guaranty secured hereby; or, if the note has been pledged, the pledgee thereof. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural. All obligations of Trustor hereunder are joint and several.

8. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee. This provision shall not act as a waiver of Trustor's right to notification of the Beneficiary's sale of personal property as granted in the Uniform Commercial Code.

9. Beneficiary may, from time to time or at any time, substitute a Trustee or Trustees to execute the trust hereby created, and when any such substitution has been filed for record in the office the recorder of the county in which the Property herein described is situated, it shall be conclusive evidence of the appointment of such Trustee or Trustees, and such new Trustee or Trustees shall succeed to all of the powers and duties of the Trustee or Trustees named herein.

10. (a) In the event the herein-described Property, or any part thereof, or any interest therein, is sold, agreed to be sold, conveyed, alienated or further encumbered subject to any lien or charge, voluntarily or involuntarily, contractual or statutory, or transferred, including any water transfer as defined in subsection (b) below, by Trustor, or by operation of law or otherwise, without Beneficiary's prior written consent, all Indebtedness, irrespective of the maturity dates, at the option of the holder hereof, and without demand or notice, shall immediately become due and payable. Failure to exercise such option shall not constitute a waiver of the right to exercise this option in the event of subsequent sale, agreement to sell, conveyance or alienation.

(b) A water transfer is any transfer, assignment, sale, agreement to sell, conveyance, exchange, gift, encumbrance, pledge, hypothecation, alienation, grant of option to purchase, or other disposition of, directly, indirectly or in trust, voluntarily or involuntarily, by operation of law or otherwise, or the entry into a binding agreement to do any of the foregoing with respect to all or any part of any existing or hereafter created or acquired Water Assets.

(c) Trustor shall provide to Beneficiary upon request copies of any and all instruments in its possession or control, or to which it has access, pursuant to which the Trustor, or any predecessor-in-interest to Trustor, reserved, conveyed or leased any coal, oil, petroleum, gas or other mineral rights (collectively, "mineral rights"), or any portion thereof, in, on or under the Property to any third party, including any modifications, amendments, or addenda to said instruments. Trustor shall provide to Beneficiary prompt notice of (a) any reservation, sale, lease or other transfer of any minerals in, on or under the Property occurring after the date hereof, and (b) the commencement by Trustor or any third party of any action to exploit any mineral rights in, on or under the Property, including the mining or other removal thereof and further including any preparatory work such as, without limitation, the installation of roads, wells, pipelines or other equipment (individually and collectively, a "Mineral

Exploitation Event"). If any Mineral Exploitation Event occurs after the date hereof, Beneficiary shall have the right, at its sole option, exercisable by written notice to Trustor, to declare all Indebtedness, regardless of maturity date, immediately due and payable. Notwithstanding the foregoing, if the Exploited Parcel(s) constitute one or more separate legal parcels not necessary for the continuing use of the remainder of the Property, Beneficiary may at its sole option, exercisable by written notice to Trustor, to declare a portion of the Indebtedness (the "Accelerated Loan Amount") immediately due and payable equal to 110% of the value of the parcel or parcels (the "Exploited Parcels") overlying the mineral estate (whether created by reservation, grant or lease) within which the Mineral Exploitation Event occurred or is occurring. The value of the Exploited Parcel(s) shall be determined by Beneficiary in its sole but reasonable discretion using any reasonable method of valuation. Beneficiary shall, subject to receipt of the Accelerated Loan Amount, release the Exploited Parcels from the lien of this Deed of Trust.

11. Any Indebtedness, irrespective of the maturity date, at the option of the Beneficiary, and without demand or notice, shall become immediately due and payable if: (a) a beneficial interest in Trustor equal to 25% or more in the aggregate is sold or transferred; (b) there is a change in either the identity or number of the managing members or managers of Trustor if Trustor is a partnership or similar entity; or (c) there is a change in ownership of more than 25% of the voting stock of Trustor if Trustor is a corporation or similar entity.

12. If any portion of the Property is determined to be personal property, the Trustor has granted the Beneficiary a security interest therein and Beneficiary shall have all of the rights and remedies of a secured creditor under the Uniform Commercial Code. Trustor hereby authorizes Beneficiary to file the required Uniform Commercial Code financing statements, amendments, continuation statements and/or termination statements to perfect, amend, continue or terminate its security interest in the Property or any part thereof.

13. In the event any one or more of the provisions contained in this Deed of Trust or in any promissory note or guaranty hereby secured shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceable shall not affect any other provision of this Deed of Trust or said promissory note or guaranty, but this Deed of Trust and said promissory notes or guaranties shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein or therein.

14. The undersigned Trustor agrees that he/she is entitled only to those notices required by applicable law and requests that a copy of any notice of default and of any notice of sale hereunder be mailed to Trustor at the address set forth below.
