MEMORANDUM OF
MINERAL LEASE AGREEMENT AND OPTION TO PURCHASE

NOTICE IS HEREBY GIVEN that, effective as of the 16th day of April, 2007 (the "Effective Date"), VANADIUM INTERNATIONAL CORP., a Nevada corporation whose address is Attn: Dennis S. LaPrairie, 259 West Arroyo Street, Reno, Nevada 89509 ("Lessor"), and RMP RESOURCES CORP., a Nevada corporation whose address is Attn: Alan Branham, 2778 Spokane Creek Road, East Helena, Montana 59635 ("Lessee"), have entered into a Mineral Lease Agreement and Option to Purchase (the "Agreement") concerning the real property in Eureka County, Nevada described in *Exhibit A* attached hereto and incorporated herein, including any amendments or relocations thereof and all rights, improvements, privileges, hereditaments, and appurtenances, including all gold, silver, copper, lead, zinc, nickel, manganese, molybdenum, barium, vanadium, cobalt, platinum, palladium and other ores, metals, minerals, mineral products (including associated minerals and intermediate products), waste dumps, tailings materials, water rights and mineral rights, belonging or in any way appertaining thereto, which property is referred to collectively in the Agreement and herein as the "Premises."

Under the terms of the Agreement, Lessor has granted to Lessee, and does hereby grant to Lessee, the exclusive right to explore, develop and mine the Premises, together with an exclusive option to purchase the Premises.

Lessor and its designee are entitled under the Agreement to receive certain payments and to receive a royalty on mineral production from the Premises.

The term of the Agreement is for an initial period of ten years from and after the Effective Date, which period may be extended in Lessee's discretion for another ten years, and so long thereafter as Lessee continues to be engaged in Mining Operations (as defined in the Agreement), unless sooner terminated as provided in the Agreement.

The Agreement allows Lessor and Lessee and their respective successors to assign or otherwise transfer their respective interests in the Agreement in whole or in part provided that the transferee agrees in writing to assume all, or a portion of all if applicable, obligations of Lessor or Lessee under the Agreement, as the case may be, but no such transfer shall be effective against the non-transferring party until that party has received written notice of the transfer in accordance with the terms of the Agreement.

The Agreement is incorporated herein by this reference and made a part hereof. Copies of the Agreement are in the possession of the parties at the addresses shown in the first paragraph of this document. The execution and recording of this document shall not limit, increase or in any manner affect any of the terms of the Agreement, or the rights, interests or obligations of the parties thereunder.

This document may be executed in multiple counterparts and all counterparts taken together shall be deemed to constitute one and the same instrument.

IN WITNESS WHEREOF, Lessor and Lessee have executed this document on the dates set forth in the acknowledgements below but effective as of the Effective Date.
