To protect the security of this Deed of Trust, it is agreed as follows:

1. The Beneficiary has the right to record notice that this Deed of Trust is security for additional amounts and obligations not specifically mentioned herein but which constitute indebtedness or obligations of the Grantor for which the Beneficiary may claim this Deed of Trust as security.

2. The Grantor shall:

A. Maintain, care for and keep the property herein described and all buildings, fences, corrals, stock watering facilities, dams, ditches, diversions, wells, pumping equipment, and all other structures, improvements and fixtures now thereon or hereafter placed thereon in at least the condition, order and repair existing on the date of this Deed of Trust, subject to reasonable normal wear and depreciation, replacement, substitution or improvement as herein provided;

B. Not remove or demolish all or any portion of any buildings, fences, corrals, watering troughs, windmills, other fixtures or improvements now situate thereon or hereafter placed thereon unless:

(1) The same is replaced, improved or substituted therefor by a like item of at least equal value, quality and use; or

- (2) Beneficiary consents in advance; or
- (3) Such removal or demolition does not reduce the value of the security as an operating ranch below its value as of the date of this Deed of Trust.

C. Not commit or permit any waste of the land, buildings, improvements and fixtures on said premises;

D. Farm, maintain, irrigate, harvest, and graze the meadow and pasture areas of the premises in at least the same ranching and husbandman-like manner as is the common ranch practice in the area of the ranch;

E. Properly maintain, put to beneficial use and utilize all wells and water rights appurtenant, appropriated, certificated or decreed to, or used in connection with, any portion of the premises so as not to allow any water rights to be jeopardized, diminished, reduced, damaged, or lost;

F. Not do nor permit to be done, by act or omission, anything which shall impair, lessen, diminish, devalue or deplete the security hereby given.

G. Operate the ranch according to the dictates of good ranch, soil, plant, water and range management common in the area of the ranch.

3. Grantor further covenants and agrees, as follows:

A. Grantor will not use, generate, manufacture, produce, store, release, discharge, or dispose of on, under or about the property or transport to or from the property any Hazardous Substance as defined herein or allow any other person or entity to do so.

B. Grantor shall keep and maintain the property in compliance with, and shall not cause or permit the property to be in violation of any Environmental Law as defined herein or any separate agreement with Beneficiary regarding the property.

C. Grantor shall give prompt written notice to Beneficiary of:

(1) Any proceeding or inquiry by any government authority with respect to the presence of any Hazardous Substance on the property or the migration thereof from or to other property;

(2) All claims made or threatened by any third party against the Grantor or the property relating to loss or injury from any Hazardous Substance;

(3) Grantor's discovery of any occurrence or condition on the property or adjoining real property or in the vicinity of the property that could cause the property or part thereof to be subject to any restrictions on the ownership, occupancy, transferability or use of the property under any Environmental Law.

D. Beneficiary shall have the right to join and participate in, as a party if it so elects, any legal proceedings or actions initiated in connection with any Environmental Law and have its attorneys' fees in connection therewith paid by Grantor.

E. Grantor shall protect, indemnify and hold harmless Beneficiary and its representatives, employees, agents, successors and assigns from and against any and all loss, damage, cost, expense or liability (including attorneys' fees and costs) directly or indirectly arising out of or attributable to the use, generation, manufacture, production, storage, release, threatened release, discharge, disposal, or presence of a Hazardous Substance on, under or about the property during Grantor's possession, ownership or operation of the property, including without limitation (i) all foreseeable consequential damages; and (ii) the costs of any required or necessary repair, cleanup or detoxification of the property and the preparation and implementation of any closure, remedial or other required plans. This indemnity shall survive the reconveyance of the lien of this Deed of Trust, or the extinguishment of the lien by foreclosure or action in lieu thereof, and this covenant shall survive such reconveyance or extinguishment.

F. In the event that any investigation, site, monitoring, containment, cleanup, removal, restoration or other remedial work of any kind or nature (the "Remedial Work") is reasonably necessary or desirable under any applicable local, state or federal law or regulation, any judicial order, or by any governmental or nongovernmental entity or person because of, or in connection with, the current or future presence, suspected presence, release or suspected release of a Hazardous Substance in or into the air, soil, groundwater, surface water or soil vapor at, on, about, under or within the property (or any portion thereof), Grantor shall within thirty (30) days after written demand for performance thereof by Beneficiary (or such shorter period of time as may be required under any applicable law, regulation, order or agreement), commence to perform, or cause to be commenced, and thereafter diligently prosecute to completion, all such Remedial Work. All Remedial Work shall be performed by one or more contractors, approved in advance in writing by Beneficiary, and under the supervision of a consulting engineer approved in advance in writing by Beneficiary. All costs including, without limitation, the charges of such contractor(s) and/or the consulting engineer, and the reasonable fees and costs of the attorneys for Beneficiary incurred in connection with monitoring or review of such Remedial Work shall be paid by Grantor. In the event Grantor shall fail to timely commence, or cause to be commenced, or fail to diligently prosecute to completion, such Remedial Work, Beneficiary may, but shall not be required to, cause such Remedial Work to be performed and all costs and expenses thereof, or incurred in connection therewith, shall become part of the indebtedness secured hereby.

G. "Environmental Laws" shall mean any federal, state or local law, statute, ordinance or regulation pertaining to health, industrial hygiene or the environmental conditions on, under or about the property, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act of 1980 ("CERCLA") as amended, 42 U.S.C. Any reference herein to statutory or regulatory sections shall be deemed to include any amendments thereto and any successor sections.

4. The following covenants, Nos. 1; 2 (insurable value); 3; 4 (18%); 5; 6; 7 (reasonable); 8; and 9 of N.R.S. 107.030, are hereby adopted and made a part of this Deed of Trust. In connection with Covenant No. 6, it shall be deemed to include and apply to all conditions, covenants and agreements contained herein in addition to those adopted by reference, and to any and all defaults or deficiencies in the performance of this Deed of Trust.

5. All payments secured hereby shall be paid in lawful money of the United States of America.

6. The Beneficiary and any persons authorized by the Beneficiary shall have the right to enter upon and inspect the premises at all reasonable times.

7. If default be made in the performance or payment of the guaranty, obligation, note or debt secured hereby, or in the performance of any of the terms, conditions, and covenants of the Deed of Trust, or the payment of any sum or obligation to be paid hereunder, or upon the occurrence of any act or event of default hereunder, and such default is not cured within thirty-five (35) days after written notice of default and of election to sell said property given in the manner provided by N.R.S. 107.080 as in effect on the date of this Deed of Trust, Beneficiary may declare all obligations, notes, debts, and sums secured hereby or payable hereunder immediately due and payable although the date of maturity has not yet arrived.

8. In case of condemnation of the property subject hereto, or any part thereof, by

paramount authority, all of any condemnation award to which the Grantor shall be entitled, less costs and expenses of litigation, is hereby assigned by the Grantor to the Beneficiary, to the extent the Beneficiary is entitled thereto, who is hereby authorized to receive and receipt for the same, and apply such proceeds as received, toward the payment of the indebtedness hereby secured, whether due or not.

9. Grantor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these trusts, to collect the rents, issues and profits of the property, **RESERVING UNTO GRANTOR, HOWEVER**, the right, prior to any default by Grantor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time by a receiver or agent, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, and/or in the Beneficiary's own name sue for or otherwise collect such rents, issues and profits (including those past due and unpaid), and apply the same less costs and expenses of operation and collection, including reasonable attorneys' fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collection of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

10. The Promissory Note secured by this Deed of Trust is made a part hereof as if fully herein set out.

11. The commencement of any proceeding under the bankruptcy or insolvency laws by or against Grantor, or against any guarantor of any guaranty secured hereby; or the appointment of a receiver for any of the assets of any Grantor hereof or any guarantor of any guaranty secured hereby; or the making by Grantor or any guarantor of any guaranty secured hereby of a general assignment for the benefit of creditors, shall constitute a default under this Deed of Trust.

12. Default under any other Deed of Trust, mortgage, contract, or other instrument, which is, or which creates, a lien, encumbrance, charge or interest of any nature on or in any of the property subject hereto having priority over any lien, right or interest created or existing under this Deed of Trust, or failure to pay or discharge when due any obligation which is secured by, or which constitutes a lien, encumbrance, charge or interest of any nature on or in any property subject hereto having priority over any lien, right or interest created or existing under this Deed of Trust, whether such obligation or the lien thereof is created by writing or otherwise, shall constitute a default under this Deed of Trust.

13. To the extent permitted by the laws of the State of Nevada, Grantor agrees to pay any deficiency arising from any cause after application of the proceeds of any sale held in accordance with the provisions hereof and agrees to pay all costs and reasonable attorneys' fees incurred in any action brought to collect said deficiency.

14. The rights and remedies herein granted shall not exclude any other rights or remedies granted by law, and all rights or remedies granted hereunder or permitted by law shall be concurrent and cumulative.

15. All the provisions of this instrument shall inure to and bind the heirs, legal representatives, successors, and assigns of each party hereto respectively as the context permits. All obligations of each Grantor hereunder shall be joint and several.

16. Any notice given to Grantor under Section 107.080 of Nevada Revised Statutes in connection with this Deed of Trust shall be given by registered or certified letter to the Grantor addressed to the address set forth near the signature on this Deed of Trust, or at such substitute address as Grantor may direct in writing to Beneficiary and such notice shall be binding upon the Grantor and all assignees or grantees or the Grantor.

17. The Grantor hereby covenants and agrees that neither the acceptance or existence, now or hereafter, of other security for the indebtedness secured hereby, or the full or partial release or discharge hereof, shall operate as a waiver of the security of this Deed of Trust, nor shall this Deed of Trust nor its satisfaction nor reconveyance made hereunder operate as a waiver of any such other security now held or hereafter acquired.

18. If any provision hereof should be held unenforceable or void, then such provision shall be deemed separate from the remaining provisions and shall in no way affect the validity of this Deed of Trust.

19. Grantor shall not sell, transfer, convey or alienate the property, or any portion thereof or any interest therein, unless:

- (1) Full payment is made of the Promissory Note and all payments secured hereby; or,
- (2) The Beneficiary herein gives prior written consent.

20. In addition to the fixtures described or referred to in the description of property in this Deed of Trust, the following are included in the property subject to this Deed of Trust which shall, for all purposes, be deemed to be fixtures: (a) all buildings, structures and improvements now on or hereafter built, placed, constructed or installed on any portion of the premises; (b) all building fixtures, appliances and equipment that now or hereafter are attached to or installed in, or placed in or upon any building or improvement or any portion of the described real property, including but not limited to all furnaces, boilers, hot water heaters, heating and cooling and air conditioning installations with equipment, appliances and compressors; all wiring, panels, lighting fixtures, other electrical or electronic equipment and installations; all plumbing, plumbing fixtures and equipment; (c) all fences, cattleguards, and gates; and (d) all pipelines, pivots, wheel lines, well casings, well pumps, motors and panels and pumping equipment, troughs, tanks and stockwater and domestic water systems; all storage tanks and all corrals. improvements are, and shall become a permanent accession to the land contained in the described real property and to such building or improvements, and a part of the real property conveyed under this Deed of Trust, whether or not the same may be subject to any security agreement.

21. To the extent this Deed of Trust contains fixtures and personal property, it is intended to be a fixture filing, financing statement and security agreement and to perfect a security interest in the personal property and fixtures pursuant to the Nevada Uniform Commercial Code.

22. It is expressly agreed that the trusts created hereby are irrevocable by the Grantor.
