**RIO TINTO PRODUCTION ROYALTY DEED**

FOR GOOD AND VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby expressly acknowledged, by this Rio Tinto Production Royalty Deed (the "**Rio Tinto Royalty Deed**"), Kennecott Explorations (Australia) Ltd., a Delaware corporation (hereinafter referred to as "**Royalty Holder**"), hereby reserves to itself, its successors and assigns, from the transfers of interest to Barrick Gold Finance, Inc., a Delaware corporation (which, together with its transferees, successors and assigns, is hereinafter referred to as "**Barrick**") made pursuant to the Purchase Agreement (as defined below), and certain deeds, assignments and assumptions pursuant to the Purchase Agreement, each of even date herewith, a certain "**Production Royalty**" as hereinafter defined and computed, with respect to the "**Property**" as defined below. The parties hereto are referred to individually as a "**Party**" and collectively as the "**Parties**".

The Royalties described in this Rio Tinto Royalty Deed are reserved pursuant to that certain Purchase Agreement dated February 21, 2008 (the "**Purchase Agreement**") and the Quitclaim Deeds and Assignments of even date herewith and recorded contemporaneously herewith by which the Royalty Holder has transferred to Barrick all its rights, titles and interests in the Cortez Joint Venture, as defined in the Purchase Agreement, including its undivided 40% participating interest, other than the Royalty herein described. The Royalty herein applies to all production of Refined Gold and Refined Silver for the account of Barrick from the Property. Accordingly, there is reserved by Royalty Holder from the conveyance of Royalty Holder's 40% undivided interest as a tenant in common in the Property made in this Rio Tinto Royalty Deed a Production Royalty in favor of and payable to Royalty Holder as follows.

1. **Definition of Production Royalty.** The production royalty means the royalty reserved by Royalty Holder pursuant to this Rio Tinto Royalty Deed out of the 40% undivided tenancy in common interest transferred to Barrick pursuant to the Purchase Agreement, which shall be a percentage of the Returns realized with respect to Refined Gold and Refined Silver delivered with respect to such 40% undivided tenancy in common interest from and after the Commencement Date. The percentages of such royalty shall be determined upon Returns realized from Refined Gold and Refined Silver in accordance with the following schedule:

Monthly Average Gold Price for Applicable Month	Percentage Royalty
Less than \$400	0%
\$400 and up to but not including \$500	0.5%
\$500 and up to but not including \$600	1.0%
\$600 and up to but not including \$700	1.5%
\$700 and up to but not including \$800	2.0%
\$800 and up to but not including \$900	2.5%
Greater than \$900	3.0%

As an example of the foregoing, if 100 ounces of Refined Gold are delivered from a refinery from all operations on the Property (regardless of ownership), and if the Monthly Average Gold Price is then \$1000 per ounce, then the Production Royalty payable under this Rio Tinto Royalty Deed (without taking into account any Allowable Deductions), would be 3% of the product of 40 ounces of Refined Gold attributed to Barrick's undivided 40% interest (40% of 100 ounces) multiplied by \$1,000, or \$1,200.

2. **Definitions.** Additional terms governing the determination and payment of the Production Royalty are as follows:

A. **Property** means all interests held as of the date hereof by Barrick in the Cortez Joint Venture properties, including without limitation, the undivided 40% interest held in the following:

- (1) the patented and unpatented mining claims and millsites and fee land identified on Exhibit A-1 attached hereto;
- (2) the leased areas covered by the leases identified on Exhibit A-2 attached hereto (the "**Leases**"), subject to the provisions of such leases; and
- (3) the joint venture agreements identified on Exhibit A-3 attached hereto (the "**Joint Venture Agreements**") as to which the Cortez Joint Venture holds, or has the right to acquire, a participating interest, subject to the provisions of such joint venture agreements.

For greater certainty, the term "Property" does not include any Cortez Joint Venture properties within the "Area of Interest" (as such term is defined in the Cortez Joint Venture) in which, as of the date of this Rio Tinto Royalty Deed, neither Barrick nor any of its Affiliates hold any mining claims, joint venture interests, leasehold interests, or other real property interests or the right to acquire the same.

B. **Refined Gold** means gold recovered after the treatment of ores mined from the Property that has been refined to meet or exceed generally accepted commercial standards for the "good delivery" of gold bullion on the U.S. or London commodity exchanges. If only a portion of the gold mined from any part of the Property is delivered to the Cortez

Joint Venture as a participant in a Joint Venture Agreement, only the refined gold that is attributable to such portion shall be considered to be Refined Gold for purposes of determining the Royalty.

C. Refined Silver means silver that is recovered after the treatment of ores mined from the Property that has been refined to meet or exceed generally accepted commercial standards for the "good delivery" of silver bullion on the U.S. or London commodity exchanges. If only a portion of the silver mined from any part of the Property is delivered to the Cortez Joint Venture as a participant in a Joint Venture Agreement, only the refined silver that is attributable to such portion shall be considered to be Refined Silver for purposes of determining the Royalty.

D. Gold Production means for a calendar month the number of troy ounces of Refined Gold delivered by a refinery attributable to Barrick's 40% undivided interest as a tenant in common in the Property and delivered to, or for the account of, Barrick (or to any Affiliate of Barrick to be allocated to Barrick) during that month.

E. Silver Production means for a calendar month the number of troy ounces of Refined Silver delivered by a refinery attributable to Barrick's 40% undivided interest as a tenant in common in the Property and delivered to, or for the account of, Barrick (or to any Affiliate of Barrick to be allocated to Barrick) during that month.

F. Monthly Average Gold Price means the average London Bullion Market Association P.M. Gold Fix in U.S. Dollars for a calendar month, calculated by dividing the sum of all such prices reported for the applicable month by the number of days for which such prices were reported, in each case as shown in the Financial Times or other similar publication, but corrected to the actual London Bullion Market Association price in the case of errors. If the London Bullion Market Association P.M. Gold Fix ceases to be made or published, all such references shall be replaced with references to prices of gold for immediate delivery in the most nearly comparable established market selected by Barrick, acting reasonably, as such prices are published in "Metals Week" or a similar publication.

G. Monthly Average Silver Price means the average London Bullion Market Association daily price fixing for silver in U.S. Dollars for a calendar month, calculated by dividing the sum of all such prices reported for the applicable month by the number of days for which such prices were reported, as reported in the Financial Times or other similar publication, but corrected to the actual London Bullion Market Association price in the case of errors. If the London Bullion Market Association daily price fixing for silver ceases to be made or published, all such references shall be replaced with references to prices of silver for immediate delivery in the most nearly comparable established market selected by Barrick, acting reasonably, as such prices are published in "Metals Week" or a similar publication.

H. Gross Value of Refined Gold for a calendar month means the Gold Production for such month multiplied by the Monthly Average Gold Price for that month.

I. Gross Value of Refined Silver for a calendar month means the Silver Production for such month multiplied by the Monthly Average Silver Price for that month.

J. Allowable Deductions means the pro rata portion of royalties as currently exist that are payable to lessors under the Leases or to other parties in respect of production from the Property with respect to the undivided 40% interest of Barrick in the Property, provided, however, that such deduction shall not continue to apply in respect of any such royalty that Barrick buys out or buys down.

K. Returns means the sum of (i) the Gross Value of Refined Gold and (ii) the Gross Value of Refined Silver for a calendar month; less Allowable Deductions.

L. Commencement Date means the date when the number of troy ounces of Refined Gold and gold equivalent of Refined Silver from the Property delivered after January 1, 2008, to Barrick and all Affiliates of Barrick (and not just with respect to the undivided 40% interest held by Barrick) totals fifteen (15) million ounces. Gold equivalent of Refined Silver shall be determined by determining the Gross Value of Refined Silver from the Property delivered to Barrick and all other Affiliates of Barrick during each month after January 1, 2008 and dividing such amount by the Monthly Average Gold Price for such month. The number so determined shall then be added to the number of ounces of Refined Gold delivered in such month for purposes of determining the Commencement Date.

M. Affiliate means, with respect to any person or entity, any other person or entity that directly or indirectly controls, is controlled by, or is under common control with such person or entity. For purposes of the preceding sentence, "control" means possession, directly or indirectly, of the power to direct or cause direction of management and policies through ownership of voting securities, contract, voting trust, or otherwise.

N. Ounces means troy ounces.

O. Trading Activities means any and all price hedging and price protection activities undertaken by Barrick or its Affiliates with respect to any production from the Property, raw materials, interest rates or currency exchanges including without limitation, any forward sale and/or purchase contracts, spot-deferred contracts, option contracts, speculative purchases and sales of forward, futures and option contracts, both on and off commodity exchanges.

3. **Negation of Trading Activities.** Trading Activities, and the profits and losses generated thereby, shall not, in any manner, be taken into account in the calculation of royalties due to Royalty Holder, whether in connection with the determination of price, the date of sale, or the date any royalty payment is due. The Royalty Holder acknowledges that Barrick and its Affiliates engaging in Trading Activities may result in Barrick and its Affiliates realizing from time to time fewer or more profits for products than does Royalty Holder, since Royalty Holder's Production Royalty is established by published prices. Similarly, Royalty Holder shall not be obligated to share in any losses

generated by any such Trading Activities with respect to the sales of any product covered by this Rio Tinto Royalty Deed, or otherwise.

4. **Obligation to Refine.** Barrick shall cause gold and silver obtained from ores mined from the Property to be refined to Refined Gold and Refined Silver on an arm's length basis from reputable independent first class refineries such as Johnson Mathey, or other similar first class refineries. Should any gold or silver ore be required to be processed at any facility of Barrick or its Affiliates outside of the Property in order to produce a product that can be shipped to a refinery to produce Refined Gold and Refined Silver, such processing will be done on arm's length terms that are no less advantageous to Barrick as to any other Barrick Affiliate using such facilities. Barrick shall at all times be responsible for tracking and accounting for such gold and silver through delivery of Refined Gold and Refined Silver from the refinery for purposes of the determining the Royalty Commencement Date and the Royalty. In the event any gold or silver ore or any intermediate products are lost after transport off of the Property (other than through normal processing loss), then the amount of the ounces of gold and silver in such lost material shall be included as the Gross Value of Refined Gold or the Gross Value of Refined Silver, as the case may be.

5. **Calculation and Payment of Royalty.**

A. **Prior to Commencement Date.** Prior to the Commencement Date, Barrick shall provide statements in reasonable detail by each February 1 showing the quantity of Refined Gold (including gold equivalent of Refined Silver) from the Property that has been delivered to Barrick and to each Affiliate of Barrick during the prior calendar year and the cumulative quantity of Refined Gold (including gold equivalent of Refined Silver) from the Property that has been so delivered since January 1, 2008. Barrick shall promptly give notice to Royalty Holder when the Commencement Date has occurred.

B. **Production Royalty After Commencement Date.** Beginning on the Commencement Date the Production Royalty shall be computed and accrued on a monthly basis and shall be paid on a quarterly basis within 45 days after the end of each calendar quarter. Production Royalty payments shall be accompanied by a statement in reasonable detail sufficient to allow Royalty Holder to determine the method of computation of each Production Royalty payment and the accuracy thereof.

C. **Method of Making Payments.** All payments of money required to be made by Barrick to Royalty Holder hereunder shall be made by wire transfer in immediately available funds to Royalty Holder on or before the due date at an account designated by Royalty Holder. Upon making payment as provided herein, Barrick shall be relieved of any responsibility for the distribution of such payment among Royalty Holder and any of its successors and assigns.

6. Accounting Principles.

A. Standards. Barrick shall maintain, or cause to be maintained, true and correct records in accordance with GAAP of all ores mined from the Property and the amounts of gold and silver recovered therefrom and converted to Refined Gold and Refined Silver and any intermediate treatment, including without limitation, records with respect to tonnage, volume of products, analyses of products, weight, moisture, assays of payable metal content and other records, as appropriate. All royalty calculations affecting the Production Royalty shall be determined in accordance with GAAP as applied by Barrick.

B. Audit. Royalty Holder shall have the right to audit such records at Barrick's office, or at such other office where such records are kept, during normal business hours upon reasonable prior notice, provided such audit is conducted by Royalty Holder or by an accounting firm of recognized standing, at least one of whose members is a member of the American Institute of Certified Public Accountants. Royalty Holder shall make available all books and records, refinery statements, and other invoices, receipts and records necessary for purposes of such audit, and shall make available work space and copying facilities, or permit Royalty Holder's representatives to install copying facilities for use in connection with its audit activities.

C. Disputes. The Royalty Holder shall be deemed to have waived any right it may have had to object to a payment made for any calendar quarter, unless it provides notice in writing of such objection within twenty four (24) months after receipt of final payment for the calendar quarter.

D. Dispute Resolution.

(1) The Parties will attempt in good faith to resolve promptly any claim or controversy arising out of or relating to any dispute arising under this Rio Tinto Royalty Deed. It is understood that such negotiations shall be deemed to be settlement discussions for purposes of any future proceeding.

(2) In the event that (i) any dispute arising out of or relating to this Rio Tinto Royalty Deed or its breach, termination or validity has not been resolved after good faith negotiation pursuant to the above procedures within thirty (30) days following either Party delivering notice of such dispute to the other party hereto, and (ii) if such dispute involves (x) monetary claims in an amount of \$2,000,000 or less or (y) any other matter arising under this Rio Tinto Royalty Deed, or if both Parties consent in writing to the resolution of any other matter by Arbitration, then and only then shall such claim, controversy or dispute, upon written notice by either Party to the other, be finally settled by arbitration administered by the American Arbitration Association ("AAA") in accordance with the rules then pertaining, as modified below:

(a) The arbitration shall be heard by a panel of three (3) independent and impartial arbitrators all of whom shall be selected from a list of neutral arbitrators supplied by the AAA with experience in the hard rock mining field. From

such list, each Party shall select one (1) arbitrator, and the arbitrators so selected shall select a third. The panel shall designate one (1) among them to serve as chair.

(b) The arbitration proceedings shall be conducted in the city of Reno, Nevada.

(c) Any Party may seek interim or provisional remedies under the Federal Rules of Civil Procedure and the United States Federal Arbitration Act as necessary to protect the rights or property of the party pending the decision of the arbitrators.

(d) The Parties shall allow and participate in limited discovery for the production of documents and taking of depositions, which shall be conducted in accordance with the rules of AAA Arbitration. All discovery shall be completed within sixty (60) days following the filing of the answer or other responsive pleading. Unresolved discovery disputes shall be brought to the attention of the chair of the arbitration panel and may be disposed of by the chair.

(e) Each Party shall have up to fifty (50) hours to present evidence and argument in a hearing before the panel of arbitrators, provided that the chair of the panel of arbitrators may establish such longer times for presentations as the chair deems appropriate.

(f) The arbitration award shall be rendered by the arbitrators within fifteen (15) business days after conclusion of the hearing of the matter, shall be in writing and shall specify the factual and legal basis for the award.

(g) The arbitrators are empowered to order money damages in compensation for a Party's actual damages, specific performance or other appropriate relief to cure a breach; provided, however, that the arbitrators will have no authority to award special, punitive, exemplary, consequential or liquidated damages, loss of profits or any other money damages that are not measured by the prevailing Party's actual damages.

(h) Any judgment upon the award rendered by the arbitration may be entered in any court of competent jurisdiction and shall be deemed to be a final and non-appealable order.

(3) For any claim, controversy or dispute not specifically described in Subsection D(1) or Subsection D(2) above that is not resolved as provided above, such claim, controversy or dispute shall not be subject to resolution by arbitration absent the prior consent of each Party to the same and shall be subject to resolution by litigation. Each of the Parties hereby agrees that if either it or any of its Affiliates commences any litigation against any other Party or its Affiliates arising under or relating to this Rio Tinto Royalty Deed then the following shall apply:

(a) Under all circumstances, any litigation shall be instituted only in a court of competent jurisdiction, whether state or federal, located within the city of Reno, Nevada.

(b) If any such litigation is commenced, each Party and its Affiliates irrevocably consents and submits to personal jurisdiction of any such court and to the service of process upon them in accordance with the rules or statutes governing service of process; provided that nothing in this Subsection shall be deemed to prevent either Party from seeking to remove any action to federal court in Reno, Nevada; and

(c) Each Party and its Affiliates waive to the full extent permitted by law (i) the right to trial by jury, (ii) any objection that it may now or hereafter have to venue in any such litigation in a court of competent jurisdiction, whether state or federal, in Reno, Nevada, and (iii) any claim that any such litigation has been brought in an inconvenient forum.

(4) Each Party is required to continue to perform its obligations under this Agreement pending final resolution of any dispute arising out of or relating to this Agreement, unless to do so would be commercially impossible under the circumstances.

7. **General.**

A. **Right to Inspect.** The Royalty Holder or its authorized representative during normal business hours upon reasonable prior notice and not more frequently than twice annually, may inspect and copy all records and data directly pertaining to the computation of its interest and valuation at the office where such records are kept, including without limitation such records and data which are maintained electronically. The Royalty Holder or its authorized representative on reasonable notice to Barrick may enter upon all surface and subsurface portions of the Property for the purpose of inspection the Property, all improvements thereto and operations thereon for the limited purpose of verifying procedures directly related to computation of the Production Royalty and only to the extent and at such frequency as is reasonably necessary to achieve such verification. Royalty Holder shall enter such property at the Royalty Holder's own risk and may not unreasonably hinder operations on or pertaining to the Property. The Royalty Holder shall indemnify and hold harmless Barrick and its Affiliates (including without limitation direct and indirect parent companies), and its or their respective directors, officers, shareholders, employees, agents and attorneys, from and against any liabilities which may be imposed upon, asserted against or incurred by any of them by reason of injury to the Royalty Holder or any of its agents or representatives caused by the Royalty Holder's exercise of its rights herein on such property.

B. **No Development Covenants.** Barrick shall have no obligation to mine, to continue mining, or to mine any particular quantities of gold-bearing or silver-bearing ores from the Property or to recover gold or silver therefrom in respect of the Royalty. Barrick's only obligation is to pay the Royalty to Royalty Holder on any gold or silver

that is recovered from ores mined from the Property subject to the terms and conditions in this Rio Tinto Royalty Deed. Royalty Holder's interest in the Property shall be solely that of a non-participating royalty holder and it shall have no rights to participate or influence management or decision-making regarding operations on the Property. Royalty Holder expressly disclaims any implied covenants of diligence with respect to operations on the Property, including without limitation all exploration, development, mining, and processing operations.

C. Interest in Real Property. The Royalty interest provided in this Rio Tinto Royalty Deed shall attach to (i) any amendments, relocations, adjustments, resurvey, additional locations of any existing mining claims or conversions of any mining claims comprising the Property, and any extralateral rights claimed by Barrick pertaining to any interests within the Property, and (ii) to any renewal, amendment or other modification or extensions of any leases of any real property interests now existing or hereafter arising comprising the Property. The Royalty interest is a real property interest that runs with the Property, is perpetual, and shall be applicable to Barrick and its transferees, successors and assigns of the Property; provided, however, that the Royalty shall not be applicable to any lands subject to a joint venture agreement as to which the Cortez Joint Venture has no further participating interest. Barrick acknowledges that the Royalty Holder will record this Rio Tinto Royalty Deed, the costs of which shall be borne by Royalty Holder.

D. Confidentiality. Except as provided in Subsection 7D(1), all information and data provided to the Royalty Holder under the terms of this Rio Tinto Royalty Deed shall not be disclosed by the Royalty Holder to any third party or the public without the prior written consent of Barrick, which consent shall not be unreasonably withheld.

(1) The consent required by this Section shall not apply to a disclosure:

(a) By a Royalty Holder to a potential successor of all or any significant portion of its interests under this Rio Tinto Royalty Deed, or to a potential successor by consolidation or merger, or to a proposed joint venture or partnership in which such Royalty Holder may become a participating partner or venturer;

(b) To an Affiliate or representative that has a bona fide need to be informed (but subject to the obligations of confidentiality herein);

(c) To a governmental agency or to the public which the disclosing Party believes in good faith is required by applicable laws or the rules of any stock exchange; or

(d) Made in connection with litigation or arbitration involving a Party where such disclosure is required by the applicable tribunal or is, on the advice of counsel for such Party, necessary for the prosecution of the case, but subject to prior notification to the other Party to enable such Party to seek appropriate protective orders.

(2) Prior to any disclosure described in Subsections 7D(1)(a) or (b) above, such third party shall first agree to protect the confidential information from further disclosure to the same extent as the Parties are obligated under this Section 7D.

E. Commingling. Barrick shall have the right to commingle ore mined from the Property or intermediate products derived after the treatment thereof with ores or intermediate products from lands other than the Property after such ores or products have been weighed or measured, sampled and analyzed in accordance with sound mining and metallurgical practices such that Royalty Holder's Royalty can be reasonably and accurately determined. Upon request to Barrick, and at Royalty Holder's expense, Royalty Holder shall have the right to have a representative present at the time all such samples and measurements are taken. Royalty Holder's representative shall have the right to secure sample splits for the purpose of confirming the accuracy of all measurements. If Royalty Holder's assay results differ from Barrick's, Barrick shall perform a check assay. Any remaining disputes concerning assays, or other disputes concerning commingling procedures or results, shall be subject to arbitration as provided in Section 6D hereof.

F. Transfers.

(1) Right of First Offer. Royalty Holder shall not assign or otherwise sell all or any portion of its Royalty interest or its rights established herein as to the Royalty unless Royalty Holder first offers to sell the interest to be assigned or otherwise transferred (the "**Offered Interest**") to Barrick as provided in this Section 7F(1). Within thirty (30) days of receipt of such offer, Barrick shall deliver to Royalty Holder the proposed terms of sale of the Offered Interest which shall provide for a price payable in cash in U.S. currency. The said delivery shall constitute an offer by Barrick to purchase the Offered Interest at the price and upon the terms set out in the offer. The Royalty Holder shall have 30 days after receipt of the offer within which to deliver written notice to Barrick of its acceptance or rejection of the offer. If Royalty Holder delivers written notice accepting the offer within the period provided, both parties shall be bound by the terms thereof. If Royalty Holder fails to deliver such acceptance notice within the period provided, the offer shall be deemed not to have been accepted by Royalty Holder. If the Royalty Holder does not deliver the acceptance notice within such period, Royalty Holder may sell the Offered Interest to any other third party upon terms that are no less favorable to Royalty Holder than the terms set forth in the offer from Barrick. If Royalty Holder does not close the transaction within 180 days after expiration of the 30-day acceptance or rejection period referred to above, then Royalty Holder shall once again be obligated to comply with the provisions of this Section prior to selling the Offered Interest. Provided, however, that nothing in the foregoing shall be deemed to apply to any pledge or assignment of the Royalty Interest as collateral in connection with any financing of the Royalty Holder by a non-Affiliate third party.

(2) Notice of Transfer. No assignment or other transfer of all or any portion of Royalty Holder's Royalty interest or its rights established herein as to the Royalty shall

be binding upon Barrick, regardless of whether Barrick has actual or constructive knowledge of the change of ownership, until the date upon which Barrick has received from the transferee a certified copy of the instrument or instruments of transfer satisfactory, in the opinion of Barrick acting reasonably to evidence the change of ownership and to establish the right, title, or interest of the claiming party and the extent thereof.

(3) Transfer Conditions. No change or division in the ownership of the Production Royalty, however accomplished, shall enlarge the obligations or diminish the rights of Barrick. Royalty Holder covenants that any change in ownership of the Production Royalty shall be accomplished in such a manner that Barrick shall be required to make payments and give notice to no more than one Person, and upon breach of this covenant, Barrick and its Affiliates may retain all payments otherwise due in escrow until the breach has been cured. No change or division in the ownership of the Royalties shall be binding on Barrick until a certified copy of the recorded instrument evidencing the change or division in ownership has been received by Barrick.

(4) Assignment by Barrick. Subject always to this Rio Tinto Royalty Deed, if Barrick transfers all or any portion of its interest in the Property, upon obtaining from the transferee a written assumption of the obligations of Barrick pursuant to this Rio Tinto Royalty Deed with respect to the interest so transferred, Barrick shall thereupon be relieved of all liability for payment of Royalties under this Rio Tinto Royalty Deed for any Royalties that may thereafter arise with respect to such transferred interest, so long as the Royalty established hereby remains a real property interest running with the Property and the effect of which is not thereby threatened. Barrick shall not be relieved of any accrued Royalties unpaid at the time of the transfer.

G. Notices. All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given (i) when delivered personally, (ii) when received by the addressee, if sent by Federal Express or other generally recognizable express delivery service, or (iii) five business days after being sent by certified mail, return receipt requested at the following addresses (or to such other address for a Party as shall be specified by like notice; provided that notices of a change of address shall be effective only upon receipt thereof).

H. Governing Law. The provisions hereof regarding the Royalty shall be interpreted and enforced in accordance with the internal laws of the State of Nevada, excluding any conflict of law principles that would require the application of the laws of any other jurisdiction.

I. Amendment and Waiver. This Rio Tinto Royalty Deed may only be amended by an instrument in writing signed by the Parties hereto. Any term or provision of this Agreement may be waived at any time by the Party or Parties entitled to the benefits thereof but (a) no such waiver shall be effective unless in writing and signed by the Party claimed to have made such waiver, and (b) no waiver of any term, provision or breach of this Rio Tinto Royalty Deed shall operate or be construed as a waiver of the same or any other term or provision, or any other breach of this Rio Tinto Royalty Deed, on any other occasion.

J. Severability. In case any one or more of the provisions contained in this Rio Tinto Royalty Deed shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not effect any other provision hereof, and this Rio Tinto Royalty Deed shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

K. Limitation of Damages. No Party shall be liable to the other hereunder for special, punitive, exemplary, consequential or liquidated damages, loss of profits or any other monetary damages that are not measured by the prevailing Party's actual damages.
