This Deed of Trust shall be valid and have priority as a lien on the Realty Collateral, to the extent of the maximum amount secured hereby, over all subsequent liens and encumbrances, including statutory liens, excepting solely taxes and assessments levied on the Realty Collateral given priority by law.

ARTICLE III

Proceeds from Production

3.1 **Assignment of Production.**

(a) In order to further secure the Obligations, Grantor has assigned, transferred, conveyed and delivered and does hereby assign, transfer, convey and deliver unto Beneficiary, effective as of the date hereof, all Hydrocarbons produced from, and which are attributable to, Grantor's interest, now owned or hereafter acquired, in and to the Oil and Gas Properties, or are allocated thereto pursuant to pooling or unitization orders, agreements or designations, and all proceeds therefrom.

(b) Subject to the provisions of subsection (f) below, all parties producing, purchasing, taking, possessing, processing or receiving any production from the Oil and Gas Properties, or having in their possession any such production, or the proceeds therefrom, for which they or others are accountable to Beneficiary by virtue of the provisions of this Section 3.1, are authorized and directed by Grantor to treat and regard Beneficiary as the assignee and

transferee of Grantor and entitled in its place and stead to receive such Hydrocarbons and the proceeds therefrom.

(c) Subject to the provisions of subsection (f) below, Grantor directs and instructs each of such parties to pay to Beneficiary, for its benefit, all of the proceeds of such Hydrocarbons until such time as such party has been furnished evidence that all of the Obligations have been paid and that the Lien evidenced hereby has been released; provided, however, that until Beneficiary shall have exercised the rights as herein to instruct such parties to deliver such Hydrocarbons and all proceeds therefrom directly to Beneficiary, such parties shall be entitled to deliver such Hydrocarbons and all proceeds therefrom to Grantor for Grantor's use and enjoyment, and Grantor shall be entitled to execute division orders, transfer orders and other instruments as may be required to direct all proceeds to Grantor without the necessity of joinder by Beneficiary in such division orders, transfer orders or other instruments. Grantor agrees to perform all such acts, and to execute all such further assignments, transfers and division orders, and other instruments as may be reasonably required or desired by Beneficiary or any party in order to have said revenues and proceeds so paid to Beneficiary. None of such parties shall have any responsibility for the application of any such proceeds received by Beneficiary. Subject to the provisions of subsection (f) below, Grantor authorizes Beneficiary to receive and collect all proceeds of such Hydrocarbons.

(d) Subject to the provisions of subsection (f) below, Grantor will execute and deliver to Beneficiary any instruments Beneficiary may from time to time reasonably request for the purpose of effectuating this assignment and the payment to Beneficiary of the proceeds assigned.

(e) Neither the foregoing assignment nor the exercise by Beneficiary of any of its rights herein shall be deemed to make Beneficiary a "Beneficiary-in-possession" or otherwise responsible or liable in any manner with respect to the Oil and Gas Properties or the use, occupancy, enjoyment or operation of all or any portion thereof, unless and until Beneficiary, in person or by agent, assumes actual possession thereof, nor shall appointment of a receiver for the Oil and Gas Properties by any court at the request of Beneficiary or by agreement with Grantor or the entering into possession of the Oil and Gas Properties or any part thereof by such receiver be deemed to make Beneficiary a "Beneficiary-in-possession" or otherwise responsible or liable in any manner with respect to the Oil and Gas Properties or the use, occupancy, enjoyment or operation of all or any portion thereof.

(f) Notwithstanding anything to the contrary contained herein, so long as no Event of Default shall have occurred and is continuing, Grantor shall have the right to collect all revenues and proceeds attributable to the Hydrocarbons that accrue to the Oil and Gas Properties or the products obtained or processed therefrom, as well as any Liens and security interests securing any sales of said Hydrocarbons and to retain, use and enjoy same.

(g) Notwithstanding anything to the contrary contained herein, if there is an Event of Default, Beneficiary (i) may endorse and cash any and all checks and drafts payable to the order of Grantor or Beneficiary for the account of Grantor, received from or in connection with the proceeds of the Hydrocarbons affected hereby, and the same may be applied as provided herein, and (ii) Beneficiary may execute any transfer or division orders in the name of Grantor or otherwise, with warranties and indemnities binding on Grantor; provided that Beneficiary shall not be held liable to Grantor for, nor be required to verify the accuracy of, Grantor's interests as represented therein.

(h) Beneficiary shall have the right at Beneficiary's election and in the name of Grantor, or otherwise, to prosecute and defend any and all actions or legal proceedings deemed advisable by Beneficiary in order to collect such proceeds and to protect the interests of Beneficiary or Grantor, with all costs, expenses and attorneys fees incurred in connection therewith being paid by Grantor. In addition, should any purchaser taking production from the Oil and Gas Properties fail to pay promptly to Beneficiary in accordance with this Article, Beneficiary shall have the right to demand a change of connection and to designate another purchaser with whom a new connection may be made without any liability on the part of Beneficiary in making such election, so long as ordinary care is used in the making thereof, and upon failure of Grantor to consent to such change of connection, the entire amount of all the Obligations may, at the option of Beneficiary, be immediately declared to be due and payable and subject to foreclosure hereunder.

(i) Without in any way limiting the effectiveness of the foregoing provisions, if Grantor receives any proceeds which under this Section 3.1 are payable to Beneficiary, Grantor shall hold the same in trust and remit such proceeds, or cause them to be remitted, immediately, to Beneficiary.

3.2 **Application of Proceeds.** All payments received by Beneficiary pursuant to this Article III attributable to the interest of Grantor in and to the Hydrocarbons shall be applied in accordance with the Purchase Agreement.

3.3 **Grantor's Payment Duties.** Nothing contained herein will limit Grantor's duty to make payment of the sums due pursuant to the Note Documents regardless of whether the proceeds assigned by this Article III are sufficient to pay the same, and the receipt by Beneficiary of proceeds from Hydrocarbons under this Deed of Trust will be in addition to all other security now or hereafter existing to secure payment and performance of the Obligations.

3.4 **Liability of Beneficiary.** Beneficiary is hereby absolved from all liability for failure to enforce collection of any of such proceeds, and from all other responsibility in connection therewith except the responsibility to account to Grantor for proceeds actually received by Beneficiary.

3.5 **Actions to Effect Assignment.** During the existence and continuation of any Event of Default, Grantor covenants to cause all operators, pipeline companies, production purchasers and other remitters of said proceeds to pay promptly to Beneficiary the proceeds from such Hydrocarbons in accordance with the terms of this Deed of Trust, and to execute, acknowledge and deliver to said remitters such division orders, transfer orders, certificates and other documents as may be necessary, requested or proper to effect the intent of this assignment; and Beneficiary shall not be required at any time, as a condition to its right to obtain the proceeds of such Hydrocarbons, to warrant its title thereto or to make any guaranty whatsoever. In addition, upon the occurrence and during the continuation of an Event of Default, Grantor covenants to provide to Beneficiary the name and address of every such remitter of proceeds from such Hydrocarbons, together with a copy of the applicable division orders, transfer orders, sales contracts and governing instruments. All expenses incurred by the Trustee or Beneficiary in the collection of said proceeds shall be repaid promptly by Grantor; and prior to such repayment, such expenses shall be a part of the Obligations secured hereby. If under any existing Contracts for the sale of Hydrocarbons, other than division orders or transfer orders, any proceeds of Hydrocarbons are required to be paid by the remitter direct to Grantor so that under such existing agreements payment cannot be made of such proceeds to Beneficiary in the

absence of foreclosure, Grantor's interest in all proceeds of Hydrocarbons under such existing Contracts shall, when received by Grantor, constitute trust funds in Grantor's hands and shall be immediately paid over to Beneficiary.

3.6 Power of Attorney. Without limitation upon any of the foregoing, Grantor hereby designates and appoints Beneficiary as true and lawful agent and attorney-in-fact (with full power of substitution, either generally or for such periods or purposes as Beneficiary may from time to time prescribe), with full power and authority, for and on behalf of and in the name of Grantor, during the existence of any Event of Default to execute, acknowledge and deliver all such division orders, transfer orders, certificates and other documents of every nature, with such provisions as may from time to time, in the opinion of Beneficiary, be necessary or proper to effect the intent and purpose of the assignment contained in this Article III; and Grantor shall be bound thereby as fully and effectively as if Grantor had personally executed, acknowledged and delivered any of the foregoing orders, certificates or documents. The powers and authorities herein conferred on Beneficiary may be exercised by Beneficiary through any person who, at the time of exercise, is the president, a senior vice president or a vice president of Beneficiary. **The power of attorney conferred by this Section 3.6 is granted for valuable consideration and coupled with an interest and is irrevocable so long as the Obligations, or any portion thereof, shall remain unpaid.** All persons dealing with Beneficiary, or any substitute, shall be fully protected in treating the powers and authorities conferred by this Section 3.6 as continuing in full force and effect until advised by Beneficiary that the Obligations are fully and finally paid. Notwithstanding the foregoing and anything to the contrary contained herein, so long as no Event of Default shall have occurred and is continuing, Beneficiary agrees not to exercise its right to use the power of attorney granted herein.

3.7 Indemnification. GRANTOR AGREES TO INDEMNIFY BENEFICIARY, THE PURCHASERS, THE TRUSTEE AND EACH OF THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES, AND AGENTS (COLLECTIVELY, THE "**INDEMNIFIED PARTIES**") FROM, AND DISCHARGE, RELEASE AND HOLD EACH OF THEM HARMLESS AGAINST ALL LOSSES, DAMAGES, CLAIMS, ACTIONS, LIABILITIES, JUDGMENTS, COSTS, ATTORNEYS FEES OR OTHER CHARGES OF WHATSOEVER KIND OR NATURE (HEREAFTER REFERRED TO AS "**CLAIMS**") MADE AGAINST, IMPOSED ON, INCURRED BY OR ASSERTED AGAINST ANY OF THEM IN ANY AS A CONSEQUENCE OF THE ASSERTION EITHER BEFORE OR AFTER THE PAYMENT IN FULL OF THE OBLIGATIONS THAT ANY OF THE INDEMNIFIED PARTIES RECEIVED HYDROCARBONS OR PROCEEDS PURSUANT TO THIS DEED OF TRUST OR PURSUANT TO ANY RIGHT TO COLLECT PROCEEDS DIRECTLY FROM ACCOUNT DEBTORS WHICH ARE CLAIMED BY THIRD PERSONS. THE INDEMNIFIED PARTIES WILL HAVE THE RIGHT TO EMPLOY ATTORNEYS AND TO DEFEND AGAINST ANY SUCH CLAIMS AND UNLESS FURNISHED WITH REASONABLE INDEMNITY, THE INDEMNIFIED PARTIES WILL HAVE THE RIGHT TO PAY OR COMPROMISE AND ADJUST ALL SUCH CLAIMS. GRANTOR WILL INDEMNIFY AND PAY TO THE INDEMNIFIED PARTIES ALL SUCH AMOUNTS AS MAY BE PAID IN RESPECT THEREOF, OR AS MAY BE SUCCESSFULLY ADJUDICATED AGAINST ANY OF THE INDEMNIFIED PARTIES. THE INDEMNITY UNDER THIS SECTION SHALL APPLY TO CLAIMS ARISING OR INCURRED BY REASON OF THE PERSON BEING INDEMNIFIED'S OWN NEGLIGENCE

BUT SHALL NOT APPLY TO CLAIMS ARISING OR INCURRED BY REASON OF THE PERSON BEING INDEMNIFIED'S OWN GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. THE LIABILITIES OF GRANTOR AS SET FORTH IN THIS SECTION 3.7 SHALL SURVIVE THE TERMINATION OF THIS DEED OF TRUST.

ARTICLE IV

Grantor's Warranties and Covenants

4.1 **Payment of Obligations.** Grantor covenants that Grantor shall timely pay and perform the Obligations secured by this Deed of Trust.

4.2 **Representations and Warranties.** Grantor represents and warrants as follows:

(a) *Title to Collateral.* Subject to and except for Permitted Encumbrances, Grantor has good and marketable title to the Collateral free from all Liens, claims, security interests or other encumbrances except as permitted by the provisions of Section 4.4(i) below. The descriptions set forth in Exhibit A of the quantum and nature of the interests of Grantor in and to the Oil and Gas Properties include the entire interests of Grantor in the Oil and Gas Properties and are complete and accurate in all respects. There are no "back-in" or "reversionary" interests held by third parties which could reduce the interests of Grantor in the Oil and Gas Properties except as set forth on Exhibit A. No operating or other agreement to which Grantor is a party or by which Grantor is bound affecting any part of the Collateral requires Grantor to bear any of the costs relating to the Collateral greater than the leasehold interest of Grantor in such portion of the Collateral, except in the event Grantor is obligated under an operating agreement to assume a portion of a defaulting party's or non-consenting Party's share of costs.

(b) *Status of Leases and Contracts.* All of the leases in the Oil and Gas Properties are valid, subsisting and in full force and effect, and Grantor has not received a written notice of material default under any of the terms or provisions, express or implied, of any of such leases or interests or under any agreement to which the same are subject. To Grantor's knowledge, all of the Contracts and obligations of Grantor that relate to the Oil and Gas Properties are in full force and effect and constitute legal, valid and binding obligations of Grantor. Grantor has not received a written notice of material default with respect to the Contracts and obligations of Grantor that relate to the Oil and Gas Properties that remains uncured. Neither Grantor nor, to the knowledge of Grantor, any other party to any leases in the Oil and Gas Properties or any Contract (A) is in material breach of or default, or with the lapse of time or the giving of notice, or both, would be in breach or material default, with respect to any obligations thereunder, whether express or implied, or (B) has given or threatened to give written notice of any material default under or inquiry into any possible default under, or action to alter, terminate, rescind or procure a judicial reformation of, any lease in the Oil and Gas Properties or any Contract.

(c) *Production Burdens, Taxes, Expenses and Revenues.* All rentals, royalties, overriding royalties, shut-in royalties and other payments due under or with respect to the Oil and Gas Properties have been properly and timely paid. All taxes have been properly and timely paid except for such taxes that are being contested in good faith by appropriate proceedings in the ordinary course of business. All expenses payable under the terms of the

Contracts have been properly and timely paid except for such expenses being contested in good faith by appropriate proceedings, and for which reserves shall have been made therefor and except for such expenses as are being currently paid prior to delinquency in the ordinary course of business. Except for Grantor's interests in certain Oil and Gas Properties, all of the proceeds from the sale of Hydrocarbons produced from the Realty Collateral are being properly and timely paid to Grantor by the purchasers or other remitters of production proceeds without suspense.

(d) *Production Balances.* Except as set forth below, none of the purchasers under any production sales contracts are entitled to "make-up" or otherwise receive deliveries of Hydrocarbons at any time after the date hereof without paying at such time the full contract price therefor. Except as set forth below, no person is entitled to receive any portion of the interest of Grantor in any Hydrocarbons or to receive cash or other payments to "balance" any disproportionate allocation of Hydrocarbons under any operating agreement, gas balancing and storage agreement, gas processing or dehydration agreement, or other similar agreements. Grantor believes that certain third parties may be entitled to receive "make-up" deliveries of Hydrocarbons or cash or other payments to "balance" a disproportionate allocation of Hydrocarbons produced from certain Oil and Gas Properties; provided, however, Grantor represents and warrants that such deliveries or payments are not material in aggregate amount when compared to the value of the Collateral and all other Properties of Grantor securing the Obligations.

(e) *Drilling Obligations.* Except as set forth in the oil and gas leases, there are no obligations under any Oil and Gas Property or Contract which require the drilling of additional wells or operations to earn or to continue to hold any of the Oil and Gas Properties in force and effect.

(f) *Compliance With Laws.* To the extent that Grantor is the operator of the applicable well, and to Grantor's knowledge if Grantor is a non-operating working interest owner, all wells on or attributable to the Oil and Gas Properties have been drilled, completed and operated, and all production therefrom has been accounted for and paid to the persons entitled thereto, in compliance with all applicable federal, state and local laws and applicable rules and regulations of the federal, state and local regulatory authorities having jurisdiction thereof.

(g) *Regulatory Filings.* To the extent that Grantor is the operator of the applicable well, and to Grantor's knowledge if Grantor is a non-operating working interest owner, all necessary regulatory filings have been properly made in connection with the drilling, completion and operation of the wells on or attributable to the Oil and Gas Properties and all other operations related thereto.

(h) *Allowables.* To the extent that Grantor is the operator of the applicable well, and to Grantor's knowledge if Grantor is a non-operating working interest owner, all production and sales of Hydrocarbons produced or sold from the Oil and Gas Properties have been made in accordance with any applicable allowables (plus permitted tolerances) imposed by any Governmental Authorities.

(i) *Refund Obligations.* Grantor has not collected any proceeds from the sale of Hydrocarbons produced from the Oil and Gas Properties which are subject to any refund obligation.

(j) *Proceed Suspense.* All proceeds from the sale of Grantor's interest in the Hydrocarbons from the Oil and Gas Properties are being received by Grantor in a timely manner and are not held in suspense for any reason.

(k) *Grantor's Address.* The address of Grantor's place of business, residence, chief executive office and office where Grantor keeps its records concerning accounts, contract rights and general intangibles is as set forth in Section 7.13, and there has been no change in the location of Grantor's place of business, residence, chief executive office and office where it keeps such records and no change of Grantor's name during the four months immediately preceding the date of this Deed of Trust. Grantor hereby represents and warrants that its organizational number is E0871052006-8, the state of its formation is Nevada and the correct spelling of Grantor is as set forth in its signature block below.

4.3 **Further Assurances.**

(a) Grantor covenants that Grantor shall execute and deliver such other and further instruments, and shall do such other and further acts as in the opinion of Beneficiary may be reasonably necessary or desirable to carry out more effectively the purposes of this Deed of Trust, including without limiting the generality of the foregoing, (i) prompt correction of any defect in the execution or acknowledgment of this Deed of Trust, any written instrument comprising part or all of the Obligations, or any other document used in connection herewith; (ii) prompt correction of any defect which may hereafter be discovered in the title to the Collateral; (iii) prompt execution and delivery of all division or transfer orders or other instruments which in Beneficiary's opinion are required to transfer to Beneficiary, for its benefit the assigned proceeds from the sale of Hydrocarbons from the Oil and Gas Properties; and (iv) subject to Grantor's contest rights as may be contained in the Purchase Agreement, prompt payment when due and owing of all taxes, assessments and governmental charges imposed on this Deed of Trust, upon the interest of Beneficiary or the Trustee or upon the income and profits from any of the above.

(b) Grantor covenants that Grantor shall maintain and preserve the Lien and security interest herein created so long as any of the Obligations remain unpaid.

(c) Grantor shall immediately notify Beneficiary of any discontinuance of or change in the address of Grantor's place of business, residence, chief executive office or office where it keeps records concerning accounts, contract rights and general intangibles.

4.4 **Operation of Oil and Gas Properties.** As long as any of the Obligations remain unpaid or unsatisfied, whether or not Grantor is the operator of the Oil and Gas Properties, and except as otherwise permitted in the Purchase Agreement, Grantor shall (at Grantor's own expense) cause the Collateral to be kept free and clear of Liens, charges, security interests and encumbrances of every character other than (i) the Liens and security interests created and assigned by this Deed of Trust, (ii) the Permitted Liens and (iii) Permitted Encumbrances.

4.5 **Recording.** Grantor shall promptly (at Grantor's own expense) record, register, deposit and file this Deed of Trust and every other instrument in addition or supplement hereto, including applicable financing statements, in such offices and places within the state where the Collateral is located and in the state where the Grantor is registered as a corporation and at such times and as often as may be necessary to preserve, protect and renew the Lien and security interest herein created on real or personal property as the case may be, and otherwise shall do and perform all matters or things necessary or expedient to be done or observed by reason of any

Legal Requirement for the purpose of effectively creating, perfecting, maintaining and preserving the Lien and security interest created hereby in and on the Collateral.

4.6 **Records, Statements and Reports.** Grantor shall keep proper books of record and account in which complete and correct entries shall be made of Grantor's transactions in accordance with the method of accounting required in the Purchase Agreement and shall furnish or cause to be furnished to Beneficiary the reports required to be delivered pursuant to the terms of the Purchase Agreement.

ARTICLE V

Default

5.1 **Events of Default.** An Event of Default under the terms of the Purchase Agreement shall constitute an "**Event of Default**" under this Deed of Trust.

5.2 **Acceleration Upon Default.** Upon the occurrence and during the continuance of any Event of Default, the required Purchasers may declare the entire unpaid principal of, and the interest accrued on, and all other amounts owed in connection with, the Obligations to be forthwith due and payable, whereupon the same shall become immediately due and payable without any protest, presentment, demand, notice of intent to accelerate, notice of acceleration or further notice of any kind, all of which are hereby expressly waived by Grantor. Whether or not the required Purchasers elect to accelerate as herein provided, Beneficiary may simultaneously, or thereafter, without any further notice to Grantor, exercise any other right or remedy provided in this Deed of Trust or otherwise existing under the Purchase Agreement or any other Note Documents.

ARTICLE VI

Beneficiary's Rights

6.1 **Rights to Realty Collateral Upon Default.**

(a) *Operation of Property by Beneficiary.* Upon the occurrence and during the continuance of an Event of Default, and in addition to all other rights of Beneficiary, Beneficiary shall have the following rights and powers (but no obligation):

(i) To enter upon and take possession of any of the Realty Collateral and exclude Grantor therefrom;

(ii) To hold, use, administer, manage and operate the Realty Collateral to the extent that Grantor could do so, and without any liability to Grantor in connection with such operations; and

(iii) To the extent that Grantor could do so, to collect, receive and receipt for all Hydrocarbons produced and sold from the Realty Collateral, to make repairs, to purchase machinery and equipment, to conduct workover operations, to drill additional wells, and to exercise every power, right and privilege of Grantor with respect to the Realty Collateral.

Beneficiary may designate any person, firm, corporation or other entity to act on its behalf in exercising the foregoing rights and powers. When and if the expenses of such operation and development (including costs of unsuccessful workover operations or additional wells) have been paid, and the Obligations have been paid, the Realty Collateral shall be returned to Grantor (providing there has been no foreclosure sale).

(b) *Judicial Proceedings.* Upon the occurrence and during the continuance of an Event of Default, the Trustee and/or Beneficiary, in lieu of or in addition to exercising the power of sale hereafter given, may proceed by a suit or suits, in equity or at law (i) for the specific performance of any covenant or agreement herein contained or in aid of the execution of any power herein granted, (ii) for the appointment of a receiver whether or not there is then pending any foreclosure hereunder, (iii) for judicial foreclosure of this Deed of Trust, or (iv) for the enforcement of any other appropriate legal or equitable remedy.

(c) *Foreclosure by Private Power of Sale of Collateral.* Upon the occurrence and during the continuance of an Event of Default, the Trustee shall have the right and power to sell, as the Trustee may elect, all or a portion of the Collateral at one or more sales as an entirety or in parcels, in accordance with NRS Section 107,080 and other applicable state law. Grantor hereby designates as Grantor's address for the purpose of notice the address set out in Section 7.13; provided that Grantor may by 5 days written notice to Beneficiary designate a different address for notice purposes otherwise notice given in accordance with this Section 6.1(c) shall suffice. Any purchaser or purchasers will be provided with a quitclaim deed binding Grantor and Grantor's successors and assigns. Sale of a part of the Realty Collateral will not exhaust the power of sale, and sales may be made from time to time until all of the Realty Collateral is sold or all of the Obligations are paid in full.

(d) *Certain Aspects of Sale.* Beneficiary will have the right to become the purchaser at any foreclosure sale and to credit the then outstanding balance of the Obligations against the amount payable by Beneficiary as purchaser at such sale. Statements of fact or other recitals contained in any conveyance to any purchaser or purchasers at any sale made hereunder will conclusively establish the occurrence of an Event of Default, any acceleration of the maturity of the Obligations, the advertisement and conduct of such sale in the manner provided herein, the appointment of any successor-Trustee hereunder and the truth and accuracy of all other matters stated therein. Grantor does hereby ratify and confirm all legal acts that the Trustee may do in carrying out the Trustee's duties and obligations under this Deed of Trust, and Grantor hereby irrevocably appoints Beneficiary to be the attorney-in-fact of Grantor and in the name and on behalf of Grantor to execute and deliver any deeds, transfers, conveyances, assignments, assurances and notices which Grantor ought to execute and deliver, or which may be necessary in order to fully transfer any part of the Collateral to Beneficiary or other purchaser at any foreclosure sale and do and perform any and all such acts and things which Grantor ought to do and perform under the covenants herein contained and generally to use the name of Grantor in the exercise of all or any of the powers hereby conferred on Trustee including, without limitation, to execute and file any assignment or transfer application with the Bureau of Land Management or other appropriate governmental agency as required to transfer the BLM Leases listed on Exhibit A to the purchaser at a foreclosure sale. Upon any sale, whether under the power of sale hereby given or by virtue of judicial proceedings, it shall not be necessary for Trustee or any public officer acting under execution or by order of court, to have physically present or constructively in his possession any of the Collateral, and Grantor hereby agrees to deliver to the purchaser or purchasers at such sale on the date of sale the Collateral purchased by

such purchasers at such sale and if it should be impossible or impracticable to make actual delivery of such Collateral, then the title and right of possession to such Collateral shall pass to the purchaser or purchasers at such sale as completely as if the same had been actually present and delivered.

(e) *Effect of Sale.* Any sale or sales of the Realty Collateral will operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, of Grantor in and to the premises and the Realty Collateral sold, and will be a perpetual bar, both at law and in equity, against Grantor, Grantor's successors or assigns, and against any and all persons claiming or who shall thereafter claim all or any of the Realty Collateral sold by, through or under Grantor, or Grantor's successors or assigns. Nevertheless, if requested by the Trustee so to do, Grantor shall join in the execution and delivery of all proper conveyances, assignments and transfers of the Property so sold. The purchaser or purchasers at the foreclosure sale will receive as incident to his, her, its or their own ownership, immediate possession of the Realty Collateral purchased and Grantor agrees that if Grantor retains possession of the Realty Collateral or any part thereof subsequent to such sale, Grantor will be considered a tenant at sufferance of the purchaser or purchasers and will be subject to eviction and removal by any lawful means, with or without judicial intervention, and all damages by reason thereof are hereby expressly waived by Grantor.

(f) *Application of Proceeds.* The proceeds of any sale of the Realty Collateral or any part thereof, whether under the power of sale herein granted and conferred or by virtue of judicial proceedings, shall either be, at the option of Beneficiary, applied at the time of receipt, or held by Beneficiary in a cash collateral account as additional Collateral, and in either case, applied in accordance with the Loan Agreement.

(g) *Grantor's Waiver of Appraisalment and Marshalling.* Grantor agrees, to the full extent that Grantor may lawfully so agree, that Grantor will not at any time insist upon or plead or in any manner whatever claim the benefit of any appraisalment, valuation, stay, extension or redemption law, now or hereafter in force, in order to prevent or hinder the enforcement or foreclosure of this Deed of Trust, the absolute sale of the Collateral, including the Realty Collateral, or the possession thereof by any purchaser at any sale made pursuant to this Deed of Trust or pursuant to the decree of any court of competent jurisdiction; and Grantor, for Grantor and all who may claim through or under Grantor, hereby waives the benefit of all such laws and, to the extent that Grantor may lawfully do so under any applicable law, any and all rights to have the Collateral, including the Realty Collateral, marshaled upon any foreclosure of the Lien hereof or sold in inverse order of alienation. Grantor agrees that the Trustee may sell the Collateral, including the Realty Collateral, in part, in parcels or as an entirety as directed by Beneficiary.

6.2 Rights to Personalty Collateral Upon Default. Upon the occurrence and during the continuance of an Event of Default, Beneficiary or the Trustee may proceed against the Personalty Collateral in accordance with the rights and remedies granted herein with respect to the Realty Collateral, or will have all rights and remedies granted by the Uniform Commercial Code as in effect in the State of Nevada and this Deed of Trust. Beneficiary shall have the right to take possession of the Personalty Collateral, and for this purpose Beneficiary may enter upon any premises on which any or all of the Personalty Collateral is situated and, to the extent that Grantor could do so, take possession of and operate the Personalty Collateral or remove it therefrom. Beneficiary may require Grantor to assemble the Personalty Collateral and make it

available to Beneficiary at a place to be designated by Beneficiary which is reasonably convenient to both parties. Unless the Personalty Collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, Beneficiary will send Grantor reasonable notice of the time and place of any public sale or of the time after which any private sale or other disposition of the Personalty Collateral is to be made. This requirement of sending reasonable notice will be met if such notice is mailed, postage prepaid, to Grantor at the address designated in Section 7.13 hereof (or such other address as has been designated as provided herein) at least ten days before the time of the sale or disposition. In addition to the expenses of retaking, holding, preparing for sale, selling and the like, Beneficiary will be entitled to recover attorney's fees and legal expenses as provided for in this Deed of Trust and in the writings evidencing the Obligations before applying the balance of the proceeds from the sale or other disposition toward satisfaction of the Obligations. Grantor will remain liable for any deficiency remaining after the sale or other disposition.

6.3 **Rights to Fixture Collateral Upon Default.** Upon the occurrence and during the continuance of an Event of Default, Beneficiary may elect to treat the Fixture Collateral as either Realty Collateral or as Personalty Collateral (but not both) and proceed to exercise such rights as apply to the type of Collateral selected.

6.4 **Account Debtors.** Beneficiary may, in its discretion, after the occurrence and during the continuance of an Event of Default, notify any account debtor to make payments directly to Beneficiary and contact account debtors directly to verify information furnished by Grantor. Beneficiary shall not have any obligation to preserve any rights against prior parties.

6.5 **Costs and Expenses.** All sums advanced or costs or expenses incurred by Beneficiary (either by it directly or on its behalf by the Trustee or any receiver appointed hereunder) in protecting and enforcing its rights hereunder shall constitute a demand obligation owing by Grantor to Beneficiary as part of the Obligations. Grantor hereby agrees to repay such sums on demand plus interest thereon from the date of the advance or incurrence until reimbursement of Beneficiary at the Default Rate.

6.6 **Set-Off.** Upon the occurrence and during the continuance of any Event of Default, Beneficiary shall have the right to set-off any funds of Grantor in the possession of Beneficiary against any amounts then due by Grantor to Beneficiary pursuant to this Deed of Trust.

ARTICLE VII

Miscellaneous

7.1 **Successor Trustees.** The Trustee may resign in writing addressed to Beneficiary or be removed at any time with or without cause by an instrument in writing duly executed by Beneficiary. In case of the death, resignation or removal of the Trustee, a successor Trustee may be appointed by Beneficiary by instrument of substitution complying with any applicable requirements of law, and in the absence of any requirement, without other formality other than an appointment and designation in writing and recorded in the offices of the county recorders in which the Realty Collateral is located. The appointment and designation will vest in the named successor Trustee all the estate and title of the Trustee in all of the Collateral and all of the rights, powers, privileges, immunities and duties hereby conferred upon the Trustee. All references

herein to the Trustee will be deemed to refer to any successor Trustee from time to time acting hereunder.

7.2 Advances by Beneficiary or The Trustee. Each and every covenant of Grantor herein contained shall be performed and kept by Grantor solely at Grantor's expense. If Grantor fails to perform or keep any of the covenants of whatsoever kind or nature contained in this Deed of Trust, Beneficiary (either by it directly or on its behalf by the Trustee or any receiver appointed hereunder) may, but will not be obligated to, make advances to perform the same on Grantor's behalf, and Grantor hereby agrees to repay such sums and any reasonable attorneys' fees incurred in connection therewith on demand plus interest at the rate payable on the Notes from the date of the advance until reimbursement of Beneficiary. In addition, Grantor hereby agrees to repay on demand any costs, expenses and reasonable attorney's fees incurred by Beneficiary or the Trustee which are to be obligations of Grantor pursuant to, or allowed by, the terms of this Deed of Trust, including such costs, expenses and reasonable attorney's fees incurred pursuant to Section 3.1(h), Section 6.4 or Section 7.3 hereof, plus interest thereon from the date of the advance by Beneficiary or the Trustee until reimbursement of Beneficiary or the Trustee, respectively. Such amounts will be in addition to any sum of money which may, pursuant to the terms and conditions of the written instruments comprising part of the Obligations, be due and owing. No such advance will be deemed to relieve Grantor from any default hereunder.

7.3 Defense of Claims. Grantor shall promptly notify Beneficiary in writing of the commencement of any legal proceedings affecting Grantor's title to the Collateral or Beneficiary's Lien or security interest in the Collateral, or any part thereof, and shall take such action, employing attorneys agreeable to Beneficiary, as may be necessary to preserve Grantor's, the Trustee's and Beneficiary's rights affected thereby. If Grantor fails or refuses to adequately or vigorously, in the sole judgment of Beneficiary, defend Grantor's, the Trustee's or Beneficiary's rights to the Collateral, the Trustee or Beneficiary may take such action on behalf of and in the name of Grantor and at Grantor's expense. Moreover, Beneficiary or the Trustee on behalf of Beneficiary, may take such independent action in connection therewith as they may in their discretion deem proper, including the right to employ independent counsel and to intervene in any suit affecting the Collateral. All costs, expenses and attorneys' fees incurred by Beneficiary or the Trustee pursuant to this Section 7.3 or in connection with the defense by Beneficiary of any claims, demands or litigation relating to Grantor, the Collateral or the transactions contemplated in this Deed of Trust shall be paid by Grantor as provided in Section 7.2 above.

7.4 Termination. If all the Obligations are paid in full and the covenants herein contained are well and fully performed then all of the Collateral will revert to Grantor and the entire estate, right, title and interest of the Trustee and Beneficiary will thereupon cease; and Beneficiary in such case shall, upon the request of Grantor and the payment by Grantor of all reasonable attorneys' fees and other expenses, deliver to Grantor proper instruments acknowledging satisfaction of this Deed of Trust.

7.5 Renewals, Amendments and Other Security. Without notice or consent of Grantor, renewals and extensions of the written instruments constituting part or all of the Obligations may be given at any time and amendments may be made to agreements relating to any part of such written instruments or the Collateral. Beneficiary may take or hold other security for the Obligations without notice to or consent of Grantor. The acceptance of this Deed of Trust by Beneficiary shall not waive or impair any other security Beneficiary may have or

hereafter acquire to secure the payment and performance of the Obligations nor shall the taking of any such additional security waive or impair the Lien and security interests herein granted. The Trustee or Beneficiary may resort first to such other security or any part thereof, or first to the security herein given or any part thereof, or from time to time to either or both, even to the partial or complete abandonment of either security, and such action will not be a waiver of any rights conferred by this Deed of Trust. This Deed of Trust may not be amended, waived or modified except in a written instrument executed by both Grantor and Beneficiary.

7.6 Security Agreement, Financing Statement and Fixture Filing. This Deed of Trust will be deemed to be and may be enforced from time to time as an assignment, chattel mortgage, contract, deed of trust, financing statement, real estate mortgage, or security agreement, and from time to time as any one or more thereof if appropriate under applicable state law. As a financing statement, this Deed of Trust is intended to cover all Personalty Collateral including Grantor's interest in all Hydrocarbons as and after they are extracted and all accounts arising from the sale thereof at the wellhead. **THIS DEED OF TRUST SHALL BE EFFECTIVE AS A FINANCING STATEMENT FILED AS A FIXTURE FILING WITH RESPECT TO FIXTURE COLLATERAL INCLUDED WITHIN THE COLLATERAL.** This Deed of Trust shall be filed in the real estate records or other appropriate records of the county or counties in the state in which any part of the Realty Collateral and Fixture Collateral is located as well as the Uniform Commercial Code records of the Secretary of State or other appropriate office of the state where the Grantor is registered as a corporation, limited liability company or limited partnership. At Beneficiary's request Grantor shall execute financing statements covering the Personalty Collateral, including all Hydrocarbons sold at the wellhead, and Fixture Collateral, which financing statements may be filed in the Uniform Commercial Code records of the Secretary of State or other appropriate office of the state in which any of the Collateral is located or where Grantor is registered as a corporation, limited liability company or limited partnership. Furthermore, Grantor hereby irrevocably authorizes Beneficiary and any affiliate, employee or agent thereof, at any time and from time to time, to file in any Uniform Commercial Code jurisdiction any financing statement or document and amendments thereto, without the signature of Grantor where permitted by law, in order to perfect or maintain the perfection of any security interest granted under this Deed of Trust. A photographic or other reproduction of this Deed of Trust shall be sufficient as a financing statement.

7.7 Unenforceable or Inapplicable Provisions. If any term, covenant, condition or provision hereof is invalid, illegal or unenforceable in any respect, the other provisions hereof will remain in full force and effect and will be liberally construed in favor of the Trustee and Beneficiary in order to carry out the provisions hereof.

7.8 Rights Cumulative. Each and every right, power and remedy herein given to the Trustee or Beneficiary will be cumulative and not exclusive, and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by the Trustee, or Beneficiary, as the case may be, and the exercise, or the beginning of the exercise, of any such right, power or remedy will not be deemed a waiver of the right to exercise, at the same time or thereafter, any other right, power or remedy. No delay or omission by the Trustee or by Beneficiary in the exercise of any right, power or remedy will impair any such right, power or remedy or operate as a waiver thereof or of any other right, power or remedy then or thereafter existing.

7.9 Waiver by Beneficiary. Any and all covenants in this Deed of Trust may from time to time by instrument in writing by Beneficiary be waived to such extent and in such

manner as the Trustee or Beneficiary may desire, but no such waiver will ever affect or impair either the Trustee's or Beneficiary's rights hereunder, except to the extent specifically stated in such written instrument.

7.10 **Terms.** The term "Grantor" as used in this Deed of Trust will be construed as singular or plural to correspond with the number of persons executing this Deed of Trust as Grantor. If more than one person executes this Deed of Trust as Grantor, his, her, its, or their duties and liabilities under this Deed of Trust will be joint and several. The terms "Beneficiary", "Grantor", and "Trustee" as used in this Deed of Trust include the heirs, executors or administrators, successors, representatives, receiver, trustees and assigns of those parties. Unless the context otherwise requires, terms used in this Deed of Trust which are defined in the Uniform Commercial Code of Nevada are used with the meanings therein defined.

7.11 **Counterparts.** This Deed of Trust may be executed in any number of counterparts, each of which will for all purposes be deemed to be an original, and all of which are identical except that, to facilitate recordation, in any particular counties counterpart portions of Exhibit A hereto which describe Properties situated in counties other than the counties in which such counterpart is to be recorded may have been omitted.

7.12 **Governing Law.** This Deed of Trust shall be governed by and construed in accordance with the laws of the State of Nevada.

7.13 **Notice.** All notices required or permitted to be given by Grantor, Beneficiary or the Trustee shall be made in the manner set forth in the Purchase Agreement and shall be addressed as follows:

7.14 **Duties of Trustee.** It shall be no part of the duty of the Trustee to see to any recording, filing or registration of this Deed of Trust or any other instrument in addition or supplemental hereto, or to see to the payment of or be under any duty with respect to any tax or assessment or other governmental charge which may be levied or assessed on the Collateral, any part thereof, or against Grantor, or to see to the performance or observance by Grantor of any of the covenants and agreements contained herein. Trustee shall not be responsible for the execution, acknowledgment or validity of this Deed of Trust or of any instrument in addition or supplemental hereto or for the sufficiency of the security purported to be created hereby, and makes no representation in respect thereof or in respect of the rights of Beneficiary. Trustee shall have the right to seek the advice of counsel upon any matters arising hereunder and shall be fully protected in relying as to legal matters on the advice of counsel. Trustee shall not incur any personal liability hereunder except for his own willful misconduct or gross negligence; and the Trustee shall have the right to rely on any instrument, document or signature authorizing or supporting any action taken or proposed to be taken by him hereunder, believed by him in good faith to be genuine.

7.15 **Condemnation.** All awards and payments heretofore and hereafter made for the taking of or injury to the Collateral or any portion thereof whether such taking or injury be done under the power of eminent domain or otherwise, are hereby assigned, and shall be paid to Beneficiary. Beneficiary is hereby authorized to collect and receive the proceeds of such awards and payments and to give proper receipts and acquittances therefor. Grantor hereby agrees to make, execute and deliver, upon request, any and all assignments and other instruments sufficient for the purpose of confirming this assignment of the awards and payments to Beneficiary free and clear of any encumbrances of any kind or nature whatsoever. Any such award or payment may, at the option of Beneficiary, be retained and applied by Beneficiary after payment of attorneys' fees, costs and expenses incurred in connection with the collection of such award or payment toward payment of all or a portion of the Obligations, whether or not the Obligations are then due and payable, or be paid over wholly or in part to Grantor for the purpose of altering, restoring or rebuilding any part of the Collateral which may have been altered, damaged or destroyed as a result of any such taking, or other injury to the Collateral.

7.16 **Successors and Assigns.** This Deed of Trust is binding upon Grantor, Grantor's successors and assigns, and shall inure to the benefit of the Trustee, the Beneficiary, and each of their respective successors and assigns, with the prior consent of the Beneficiary, and the provisions hereof shall likewise be covenants running with the land.

7.17 **No Offsets, Etc.** Grantor hereby represents, warrants and covenants to Beneficiary and the Trustee that there are no offsets, counterclaims or defenses at law or in equity against this Deed of Trust.

7.18 **Article and Section Headings.** The article and section headings in this Deed of Trust are inserted for convenience of reference and shall not be considered a part of this Deed of Trust or used in its interpretation.

7.19 **Usury Not Intended.** It is the intent of Grantor and Beneficiary in the execution and performance of this Deed of Trust, the Purchase Agreement and the other Note Documents to contract in strict compliance with applicable usury laws governing the Obligations including such applicable usury laws of the State of Nevada and the United States of America as are from time-to-time in effect. In furtherance thereof, Beneficiary and Grantor stipulate and agree that none of the terms and provisions contained in this Deed of Trust, the Purchase Agreement or the other Note Documents shall ever be construed to create a contract to pay, as consideration for the use, forbearance or detention of money, interest at a rate in excess of the rate payable on the Notes and that for purposes hereof "interest" shall include the aggregate of all charges which constitute interest under such laws that are contracted for, charged or received under this Deed of Trust, the Purchase Agreement and the other Note Documents; and in the event that, notwithstanding the foregoing, under any circumstances the aggregate amounts taken, reserved, charged, received or paid on the Obligations, include amounts which by applicable law are deemed interest which would exceed the rate payable on the Notes, then such excess shall be deemed to be a mistake and Beneficiary shall credit the same on the principal of the Obligations (or if the Obligations shall have been paid in full, refund said excess to Grantor). In the event that the maturity of the Obligations is accelerated by reason of any election of Beneficiary resulting from any Event of Default, or in the event of any required or permitted prepayment, then such consideration that constitutes interest may never include more than the rate payable on the Notes and excess interest, if any, provided for in this Deed of Trust, the Purchase Agreement or other Note Documents shall be canceled automatically as of the date of such acceleration and prepayment and, if theretofore paid, shall be credited on the Obligations or, if the Obligations shall have been paid in full, refunded to Grantor. In determining whether or not the interest paid or payable under any specific contingencies exceeds the rate payable on the Notes, Grantor and Beneficiary shall to the maximum extent permitted under applicable law amortize, prorate, allocate and spread in equal part during the period of the full stated term of the Obligations, all amounts considered to be interest under applicable law of any kind contracted for, charged, received or reserved in connection with the Obligation.

7.20 **Purchase Agreement.** To the fullest extent possible, the terms and provisions of the Purchase Agreement shall be read together with the terms and provisions of this Deed of Trust so that the terms and provisions of this Deed of Trust do not conflict with the terms and provisions of the Purchase Agreement; provided, however, notwithstanding the foregoing, if the terms or provisions of this Deed of Trust conflict with any terms or provisions of the Purchase Agreement, the terms or provisions of the Purchase Agreement shall govern and control to the extent of the conflict; provided that the inclusion in this Deed of Trust of terms and provisions, supplemental rights or remedies in favor of the Beneficiary not addressed in the Purchase Agreement shall not be deemed to be a conflict with the Purchase Agreement and all such additional terms, provisions, supplemental rights or remedies contained herein shall be given full force and effect. Grantor and Beneficiary intend that the terms of the Purchase Agreement remain separate and distinct from and not merge into the terms of this Deed of Trust.

7.21 **Due Authorization.** Grantor hereby represents, warrants and covenants to Beneficiary and the Trustee that the obligations of Grantor under this Deed of Trust are the valid, binding and legally enforceable obligations of Grantor, that the execution, ensealing and delivery

of this Deed of Trust by Grantor has been duly and validly authorized in all respects by Grantor, and that the persons who are executing and delivering this Deed of Trust on behalf of Grantor have full power, authority and legal right to so do, and to observe and perform all of the terms and conditions of this Deed of Trust on Grantor's part to be observed or performed.

7.22 **Bankruptcy Limitation.** Notwithstanding anything contained herein to the contrary, it is the intention of the Grantor and the Beneficiary that the amount of the Obligation secured by the Grantor's interests in any of its Property shall be in, but not in excess of, the maximum amount permitted by fraudulent conveyance, fraudulent transfer and other similar law, rule or regulation of any Governmental Authority applicable to the Grantor. Accordingly, notwithstanding anything to the contrary contained in this Deed of Trust in any other agreement or instrument executed in connection with the payment and performance of any of the Obligations, the amount of the Obligations secured by the Grantor's interests in any of its Property pursuant to this Deed of Trust shall be limited to an aggregate amount equal to the largest amount that would not render the Grantor's obligations hereunder or the liens and security interest granted to the Beneficiary hereunder subject to avoidance under Section 548 of the United States Bankruptcy Code or any comparable provision of any other applicable law.

7.23 **Statutory Covenants.** Where not inconsistent with the above, the following covenants, Nos. 1; 2 (full replacement value); 3; 4 (Default Rate); 5; 6; 7 (a reasonable percentage); 8 and 9 of NRS 107.030 are hereby adopted and made a part of this Deed of Trust.
