Section 3.01. The Trustee is authorized to retain in the trust for such time as it may deem advisable any property, including shares of its own stock, received by it from the Settlor, whether or not such property is of the character permitted by law for the investment of trust funds, and to operate at the risk of the Trust Estate any business or property received by it from the Settlor.

Management of Trust Property

Section 3.02. The Trustee shall with respect to any and all property which may at any time be held by it in trust pursuant to this Declaration, whether such property constitutes principal or accumulated income of any trust provided for in this Declaration, have power, exercisable in the Trustee's discretion at any time and from time to time on such terms and in such manner as Trustee may deem advisable, to:

- (a) Sell, convey, exchange, convert, improve, repair,

manage, operate and control.

(b) Lease for terms within or beyond the term of any trust provided for in this Declaration and for any purpose, including exploration for and removal of gas, oil, and other minerals; and enter into any covenants and agreements relating to the property so leased or any improvements which may then or thereafter be erected on such property.

(c) Encumber or hypothecate for any trust purpose by mortgage, deed of trust, pledge, or otherwise.

(d) Carry insurance of such kinds and in such amounts at the expense of the trusts provided for in this Declaration as the Trustee may deem advisable.

(e) Commence or defend at the expense of any trust provided for in this Declaration such litigation with respect to any such trust or any property of the Trust Estate as it may deem advisable.

(f) Invest and reinvest the trust funds in such property as the Trustee may deem advisable, whether or not of the character permitted by law for the investment of trust funds.

(g) Vote and give proxies to vote any securities, including stock of the Trustee, held by it in trust pursuant to this Declaration, having voting rights.

(h) Pay any assessments or other charges levied on any stock or other security held by it in trust pursuant to this

Declaration.

(i) Exercise any subscription, conversion, or other rights or options which may at any time attach, belong, or be given to the holders of any stocks, bonds, securities, or other instruments held by it in trust pursuant to this Declaration.

(j) Participate in any plans or proceedings for the foreclosure, reorganization, consolidation, merger, or liquidation of any corporation or organization that has issued securities held by it in trust pursuant to this Declaration, and incident to such participation to deposit securities with and transfer title of securities to any protective or other committee established to further or defeat any such plan or proceeding.

(k) Enforce any mortgage or deed of trust or pledge held by it in trust pursuant to this Declaration and at any sale under any such mortgage, deed of trust, or pledge to bid and purchase at the expense of any trust provided for in this Declaration any property subject to such security instrument.

(l) Compromise, submit to arbitration, release with or without consideration, and otherwise adjust any claims in favor of or against any trust provided for in this Declaration.

(m) Subject to any limitations expressly set forth in this Declaration and the faithful performance of its fiduciary obligations, to do all such acts, take all such proceedings, and exercise all such rights and privileges as could be done, taken,

or exercised by an absolute owner of the trust property.

Power to Borrow Money

Section 3.03. The Trustee is authorized to loan or advance its own funds to the trust for any trust purpose at the rate of interest being charged by the Trustee at the time such loan or advance is made to other persons having a net worth equal to that of the Trust Estate for similar loans or advances. Any such loan or advance, together with the interest accruing on such loan or advance, shall be a first lien against and shall be repaid from the Trust Estate.

Dealings With Settlor's Estate

Section 3.04. The Trustee is authorized to purchase securities or other property from and to make loans and advancements from the Trust Estate with or without security to the executor or other representative of the Settlor's estate.

Manner of Holding Trust Property

Section 3.05. The Trustee may hold securities or other property subject to this Declaration in its name as Trustee under this Declaration, in its own name without a designation showing it to be Trustee under this Declaration or in the name of its nominee, or the Trustee may hold such securities unregistered in such condition that ownership will pass by delivery.

Determination of Principal and Income

Section 3.06. Except as otherwise specifically provided

in this Declaration, the Trustee shall have full power and authority to determine, in its discretion, what shall constitute principal of the Trust Estate, gross income, or net income of the Trust Estate distributable under the terms of this Declaration. The determination of the Trustee as to what constitutes principal, gross income, or net income of the Trust Estate shall, except as may be otherwise expressly provided in this Declaration, be conclusive and binding on all persons in any manner interested in any trust created or to be created pursuant to this Declaration.

Taxes and Expenses of Trust

Section 3.07. All property taxes, assessments, fees, charges, and other expenses incurred by the Trustee in the administration or protection of the trusts created by this Declaration, including the compensation of the Trustee provided for in this Declaration, shall be a charge on the Trust Estate and shall be paid by the Trustee prior to final distribution of the Trust Estate in full out of the principal or in full out of the income of the Trust Estate, or partially out of the income of the Trust Estate, in such manner and proportions as the Trustee may deem to be advisable. The determination of the Trustee to pay such expenses and charges from the principal or income of the Trust Estate or partially from each shall be conclusive and binding on all persons in any manner interested in any trust created or

pursuant to this Declaration.

Employment Benefits

Section 3.08. Notwithstanding Section 2.03, no assets of the Trust Estate shall be used which are excludable from the Settlor's gross estate for Federal Estate Tax purposes because of the provisions of Section 2039(c) of the Internal Revenue Code of 1954, as amended, or any like provision in effect at the Settlor's death, to make payments to or for the benefit of the Settlor's estate. However, this provision shall not prevent the use of such assets to purchase properties from or make loans to the Settlor's estate pursuant to Section 3.04.

Elections Under Tax Laws

Section 3.09. The Trustee may make such elections under the Federal and State income and estate tax laws applicable to the Trust Estate as the Trustee determines should be made for the benefit of the trust beneficiaries, generally. No compensating adjustments between principal and income shall be made even though the elections made under the tax laws by the executor of Settlor's estate or the Trustee may affect, beneficially or adversely, the interests, of the beneficiaries. The actions of the Trustee shall be binding upon all beneficiaries.

Closing Period

Section 3.10. To permit the orderly use of trust assets to

meet obligations arising by reason of the death of a Settlor or other beneficiary and to provide for the orderly disposition or distribution of assets of the trust, notwithstanding any provision which might require immediate distribution of this trust, such trust shall be deemed to continue and the Trustee is authorized to hold, administer, and manage the same during a closing period which shall continue until a final determination of Federal estate or generation-skipping transfer taxes shall have been made. No beneficiary shall be entitled to demand payment or distribution of his share before the end of the closing period, but the Trustee, in its sole discretion, may make partial or complete distribution of any share at such times and in such amounts as are determined to be equitable by the Trustee. Retention of a beneficiary's share shall not affect his right to the income therefrom (if any) or his power of disposition over such property.

Employment of Attorneys and Advisors

Section 3.11. The Trustee may employ any attorney, investment advisor, accountant, broker, tax specialist or any other agent deemed necessary in the discretion of the Trustee; and to pay from the Trust Estate reasonable compensation for all services performed by any of them.

The decision of the Trustee, either prior to or on any division or distribution of such assets, as to what constitutes a proper division of such assets of the Trust Estate or any trust provided for in the Declaration shall be binding on all persons in any manner interested in any trust provided for in this Declaration.

Definition of "Issue" and "Children"

Section 4.08. The terms "issue", "child", and "children" include a person born out of wedlock if a parent-child relationship, as defined under the California Uniform Parentage Act, exists between this person and one through whom this person claims benefits under this trust.
