WHEREAS, NRS 284.173 authorizes elective officers, heads of departments, boards, commissions or institutions to engage services of persons as independent contractors; and

WHEREAS, it is deemed that the service of Contractor is both necessary and in the best interests of the citizens of Eureka County;

NOW, THEREFORE, in consideration of the aforesaid premises, the parties mutually agree as follows:

1. REQUIRED APPROVAL. This Contract shall not become effective until and unless approved by the Board of the Eureka County Television District.

2. DEFINITIONS. "District" means the Eureka County Television District. "County" means the County of Eureka, a political subdivision of the State of Nevada. "State" means the State of Nevada and any state agency identified herein,

its officers, employees and immune contractors as defined in NRS 41.0307. "Independent Contractor" means a person or entity that performs services and/or provides goods for the District under the terms and conditions set forth in this Contract. "Fiscal Year" is defined as the period beginning July 1 and ending June 30 of the following year.

3. CONTRACT TERM. This Contract shall be effective from November 1, 2009 to October 31, 2010, unless sooner terminated by either party as specified in paragraph ten (10).

4. NOTICE. Unless otherwise specified, termination shall not be effective until 30 calendar days after a party has served written notice of default, or without cause upon the other party. All notices or other communications required or permitted to be given under this Contract shall be in writing and shall be deemed to have been duly given if delivered personally in hand, by telephonic facsimile with simultaneous regular mail, or mailed certified mail, return receipt requested, postage prepaid on the date posted, and addressed to the other party at the address specified above.

5. INCORPORATED DOCUMENTS. The parties agree that the scope of work shall be specifically described. This Contract incorporates the following attachments in descending order of constructive precedence:

ATTACHMENT A: DISTRICT SOLICITATION OR RFP # N/A and AMENDMENT(S) # N/A ;
ATTACHMENT B: INSURANCE SCHEDULE (NONE); AND
ATTACHMENT C: CONTRACTOR'S RESPONSE

A Contractor's Attachment shall not contradict or supersede any District specifications, terms or conditions without written evidence of mutual assent to such change appearing in this Contract:

6. CONSIDERATION. The parties agree that Contractor will provide the services specified in paragraph five (5) at a minimum cost not to exceed \$60,000.00 per contract year, payable in monthly installments of \$5,000.00 upon receipt of invoice. The District does not agree to reimburse Contractor for expenses unless otherwise specified in the incorporated attachments. Any intervening end to an appropriation period shall be deemed an automatic renewal (not changing the overall Contract term) or a termination as the results of the Board of the Eureka County Television District's appropriation may require.

7. ASSENT. The parties agree that the terms and conditions listed on incorporated attachments of this Contract are also specifically a part of this Contract and are limited only by their respective order of precedence and any limitations specified.

8. TIMELINESS OF BILLING SUBMISSION. The parties agree that timeliness of billing is of the essence to the contract and recognize that the District is on a fiscal year. All billings for dates of service prior to July 1 must be submitted to the District no later than the first Friday in August of the same year.

9. INSPECTION & AUDIT.

a. Books and Records. Contractor agrees to keep and maintain under generally accepted accounting principles (GAAP) full, true and complete records, contracts, books, and documents as are necessary to fully disclose to the District, the County, the State or United States Government, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all state and federal regulations and statutes.

b. Inspection & Audit. Contractor agrees that the relevant books, records (written, electronic, computer related or otherwise), including, without limitation, relevant accounting procedures and practices of Contractor or its subcontractors, financial statements and supporting documentation, and documentation related to the work product shall be subject, at any reasonable time, to inspection, examination, review, audit, and copying at any office or location of Contractor where such records may be found, with or without notice by the District, the County Auditor, State Auditor, the relevant state agency or its contracted examiners, the Department of Administration, Budget Division, the Nevada State Attorney General's Office or its Fraud Control Units, the State Legislative Auditor, and with regard to any federal funding, the relevant federal agency, the Comptroller General, the General Accounting Office,

the Office of the Inspector General, or any of their authorized representatives. All subcontracts shall reflect requirements of this paragraph.

c. Period of Retention. All books, records, reports, and statements relevant to this Contract must be retained a minimum three (3) years, and for five (5) years if any federal funds are used pursuant to the Contract. The retention period runs from the date of payment for the relevant goods or services by the District, or from the date of termination of the Contract, whichever is later. Retention time shall be extended when an audit is scheduled or in progress for a period reasonably necessary to complete an audit and/or to complete any administrative and judicial litigation which may ensue.

10. CONTRACT TERMINATION.

a. Termination Without Cause. Any discretionary or vested right of renewal notwithstanding, this Contract may be terminated upon written notice by mutual consent of both parties, or unilaterally by either party without cause.

b. Termination for Non-appropriation. The continuation of this Contract beyond the current fiscal year is subject to and contingent upon sufficient funds being appropriated, budgeted, and otherwise made available by the Board of the Eureka County Television District, county, state and/or federal sources. The District may terminate this Contract, and Contractor waives any and all claim(s) for damages, effective immediately upon receipt of written notice (or any date specified therein) if for any reason the Contracting Agency's funding from State and/or federal sources is not appropriated or is withdrawn, limited, or impaired.

c. Cause Termination for Default or Breach. A default or breach may be declared with or without termination. This Contract may be terminated by either party upon written notice of default or breach to the other party as follows:

- i. If Contractor fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this Contract within the time requirements specified in this Contract or within any granted extension of those time requirements; or
- ii. If any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this Contract is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or
- iii. If Contractor becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the bankruptcy court; or
- iv. If the District materially breaches any material duty under this Contract and any such breach impairs Contractor's ability to perform; or
- v. If it is found by the District that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of the District with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such contract; or
- vi. If it is found by the District or the County that Contractor has failed to disclose any material conflict of interest relative to the performance of this Contract.

d. Time to Correct. Termination upon a declared default or breach may be exercised only after service of formal written notice as specified in paragraph four (4), and the subsequent failure of the defaulting party within fifteen (15) calendar days of receipt of that notice to provide evidence, satisfactory to the aggrieved party, showing that the declared default or breach has been corrected.

e. Winding Up Affairs Upon Termination. In the event of termination of this Contract for any reason, the parties agree that the provisions of this paragraph survive termination:

- i. The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;
- ii. Contractor shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by the Contracting Agency;
- iii. Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this Contract if so requested by the Contracting Agency;
- iv. Contractor shall preserve, protect and promptly deliver into District possession all proprietary information in accordance with paragraph twenty-one (21).

11. REMEDIES. Except as otherwise provided for by law or this Contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorneys' fees and costs. It is specifically agreed that reasonable attorneys' fees shall include without limitation one hundred and twenty-five dollars (\$125.00) per hour for County-employed attorneys.

12. LIMITED LIABILITY. The District will not waive and intends to assert available NRS chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to punitive damages. Liquidated damages shall not apply unless otherwise specified in the incorporated attachments. Damages for any County breach shall never exceed the amount of funds appropriated for payment under this Contract, but not yet paid to Contractor, for the fiscal year budget in existence at the time of the breach. Damages for any Contractor breach shall not exceed one hundred and fifty percent (150%) of the contract maximum "not to exceed" value. Contractor's tort liability shall not be limited.

13. FORCE MAJEURE. Neither party shall be deemed to be in violation of this Contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of the Contract after the intervening cause ceases.

14. INDEMNIFICATION. To the fullest extent permitted by law Contractor shall indemnify, hold harmless and defend, not excluding the District's right to participate, the District from and against all liability, claims, actions, damages, losses, and expenses, including, without limitation, reasonable attorneys' fees and costs, arising out of any alleged negligent or willful acts or omissions of Contractor, its officers, employees and agents.

15. INDEPENDENT CONTRACTOR. Contractor is associated with the District only for the purposes and to the extent specified in this Contract, and in respect to performance of the contracted services pursuant to this Contract, Contractor is and shall be an independent contractor and, subject only to the terms of this Contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. Nothing contained in this Contract shall be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create any liability for the District whatsoever with respect to the indebtedness, liabilities, and obligations of Contractor or any other party. Contractor shall be solely responsible for, and the District and County shall have no obligation with respect to: (1) withholding of income taxes, FICA or any other taxes or fees; (2) industrial insurance coverage; (3) participation in any group insurance plans available to employees; (4) participation or contributions by either Contractor or the District to the Public Employees Retirement System; (5) accumulation of vacation leave or sick leave; or (6) unemployment compensation coverage provided by the District. Contractor shall indemnify and hold District harmless from, and defend District against, any and all losses, damages, claims, costs, penalties, liabilities, and expenses arising or incurred because of, incident to, or otherwise with respect to any such taxes or fees. Neither Contractor nor its employees, agents, nor representatives shall be considered employees, agents, or representatives of the District. The District and Contractor shall evaluate the nature of services and the term of the Contract negotiated in order to determine "independent contractor" status, and shall monitor the work relationship throughout the term of the Contract to ensure that the independent contractor relationship remains as such. To assist in determining the appropriate status (employee or independent contractor), Contractor represents as follows:

1. Does the Contracting Agency have the right to require control of when, where and how the independent contractor is to work?
2. Will the Contracting Agency be providing training to the independent contractor?

Contractor's Initials

YES 11/25/09 NO 11/25/09

3. Will the Contracting Agency be furnishing the independent contractor with worker's space, equipment, tools, supplies or travel expenses?
4. Are any of the workers who assist the independent contractor in performance of his/her duties employees of the District?
5. Does the arrangement with the independent contractor contemplate continuing or recurring work (even if the services are seasonal, part-time, or of short duration)?
6. Will the District incur an employment liability if the independent contractor is terminated for failure to perform?
7. Is the independent contractor restricted from offering his/her services to the general public while engaged in this work relationship with the District?

16. **INSURANCE SCHEDULE.** Unless expressly waived in writing by the District, Contractor, as an independent contractor and not an employee of the District, must carry policies of insurance and pay all taxes and fees incident hereunto. Policies shall meet the terms and conditions as specified within this Contract along with the additional limits and provisions as described in Attachment B, incorporated hereto by attachment. The District and/or the County shall have no liability except as specifically provided in the Contract.

The Contractor shall not commence work before:

- 1) Contractor has provided the required evidence of insurance to the Contracting Agency of the District, and
- 2) The District has approved the insurance policies provided by the Contractor.

Prior approval of the insurance policies by the District shall be a condition precedent to any payment of consideration under this Contract and the District's approval of any changes to insurance coverage during the course of performance shall constitute an ongoing condition subsequent this Contract. Any failure of the District to timely approve shall not constitute a waiver of the condition.

Insurance Coverage: The Contractor shall, at the Contractor's sole expense, procure, maintain and keep in force for the duration of the Contract insurance conforming to the minimum limits as specified in Attachment B, incorporated hereto by attachment. Unless specifically stated herein or otherwise agreed to by the District, the required insurance shall be in effect prior to the commencement of work by the Contractor and shall continue in force as appropriate until:

1. Final acceptance by the District of the completion of this Contract; or
2. Such time as the insurance is no longer required by the District under the terms of this Contract;

whichever occurs later. Any insurance or self-insurance available to the District shall be in excess of, and non-contributing with, any insurance required from Contractor. Contractor's insurance policies shall apply on a primary basis. Until such time as the insurance is no longer required by the District, Contractor shall provide the County with renewal or replacement evidence of insurance no less than thirty (30) days before the expiration or replacement of the required insurance. If at any time during the period when insurance is required by the Contract, an insurer or surety shall fail to comply with the requirements of this Contract, as soon as Contractor has knowledge of any such failure, Contractor shall immediately notify the District and immediately replace such insurance or bond with an insurer meeting the requirements.

General Requirements:

- a. **Additional Insured:** By endorsement to the general liability insurance policy evidenced by Contractor, the District, its officers, employees and immune contractors as defined in NRS 41.0307 shall be named as additional insureds for all liability arising from the Contract.
- b. **Waiver of Subrogation:** Each insurance policy shall provide for a waiver of subrogation against the District, its officers, employees and immune contractors as defined in NRS 41.0307 for losses arising from work/materials/equipment performed or provided by or on behalf of the Contractor.
- c. **Cross-Liability:** All required liability policies shall provide cross-liability coverage as would be achieved under the standard ISO separation of insureds clause.
- d. **Deductibles and Self-Insured Retentions:** Insurance maintained by Contractor shall apply on a first dollar basis without application of a deductible or self-insured retention unless otherwise specifically agreed to by the County.

Such approval shall not relieve Contractor from the obligation to pay any deductible or self-insured retention. Any deductible or self-insured retention shall not exceed fifty thousand dollars (\$50,000.00) per occurrence, unless otherwise approved by the District.

- e. Policy Cancellation: Except for ten (10) days notice for non-payment of premium, each insurance policy shall be endorsed to state that without thirty (30) days prior written notice to the District, c/o Contracting Agency, the policy shall not be canceled, non-renewed or coverage and /or limits reduced or materially altered, and shall provide that notices required by this paragraph shall be sent by certified mailed to the address shown on page one (1) of this contract.
- f. Approved Insurer: Each insurance policy shall be:
 - 1) Issued by insurance companies authorized to do business in the State of Nevada or eligible surplus lines insurers acceptable to the State and having agents in Nevada upon whom service of process may be made; and
 - 2) Currently rated by A.M. Best as "A-VII" or better.

Evidence of Insurance:

Prior to the start of any Work, Contractor must provide the following documents to the contracting agency:

1) Certificate of Insurance: The Acord 25 Certificate of Insurance form or a form substantially similar must be submitted to the County to evidence the insurance policies and coverages required of Contractor. The certificate must name the District, its officers, employees and immune contractors as defined in NRS 41.0307 as the certificate holder. The certificate should be signed by a person authorized insurer to bind coverage on its behalf. The District project/contract number; description and contract effective dates shall be noted on the certificate, and upon renewal of the policies listed Contractor shall furnish the District with replacement certificates as described within Insurance Coverage, section noted above.

Mail all required insurance documents to the Contracting Agency identified on page one of the contract.

PROOF OF INSURANCE IS WAIVED BY THE DISTRICT

- 2) Additional Insured Endorsement: An Additional Insured Endorsement (CG 20 10 11 85 or CG 20 26 11 85) , signed by an authorized insurance company representative, must be submitted to the District to evidence the endorsement of the District as an additional insured per General Requirements, subsection a above.
- 3) Schedule of Underlying Insurance Policies: If Umbrella or Excess policy is evidenced to comply with minimum limits, a copy of the Underlyer Schedule from the Umbrella or Excess insurance policy may be required.
- 4) Review and Approval: Documents specified above must be submitted for review and approval by the District prior to the commencement of work by Contractor. Neither approval by the District nor failure to disapprove the insurance furnished by Contractor shall relieve Contractor of Contractor's full responsibility to provide the insurance required by this Contract. Compliance with the insurance requirements of this Contract shall not limit the liability of Contractor or its sub-contractors, employees or agents to the District or others, and shall be in addition to and not in lieu of any other remedy available to the District under this Contract or otherwise. The District reserves the right to request and review a copy of any required insurance policy or endorsement to assure compliance with these requirements.

17. COMPLIANCE WITH LEGAL OBLIGATIONS. Contractor shall procure and maintain for the duration of this Contract any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this Contract. Contractor will be responsible to pay all taxes, assessments, fees, premiums, permits, and licenses required by law. Real property and personal property taxes are the responsibility of Contractor in accordance with NRS 361.157 and NRS 361.159. Contractor agrees to be responsible for payment of any such government obligations not paid by its subcontractors during performance of this Contract.

18. WAIVER OF BREACH. Failure to declare a breach or the actual waiver of any particular breach of the Contract or its material or nonmaterial terms by either party shall not operate as a waiver by such party of any of its rights or remedies as to any other breach.

Revised 08/09

Page 6 of 13

19. SEVERABILITY. If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract shall be construed as if such provision did not exist and the non-enforceability of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.

20. ASSIGNMENT/DELEGATION. To the extent that any assignment of any right under this Contract changes the duty of either party, increases the burden or risk involved, impairs the chances of obtaining the performance of this Contract, attempts to operate as a novation, or includes a waiver or abrogation of any defense to payment by the District, such offending portion of the assignment shall be void, and shall be a breach of this Contract. Contractor shall neither assign, transfer nor delegate any rights, obligations nor duties under this Contract without the prior written consent of the District.

21. OWNERSHIP OF PROPRIETARY INFORMATION. Any reports, histories, studies, tests, manuals, instructions, photographs, negatives, blue prints, plans, maps, data, system designs, computer code (which is intended to be consideration under the Contract), or any other documents or drawings, prepared or in the course of preparation by Contractor (or its subcontractors) in performance of its obligations under this Contract shall be the exclusive property of the District and all such materials shall be delivered into District possession by Contractor upon completion, termination, or cancellation of this Contract. Contractor shall not use, willingly allow, or cause to have such materials used for any purpose other than performance of Contractor's obligations under this Contract without the prior written consent of the District. Notwithstanding the foregoing, the County shall have no proprietary interest in any materials licensed for use by the District that are subject to patent, trademark or copyright protection.

22. PUBLIC RECORDS. Pursuant to NRS 239.010, information or documents received from Contractor may be open to public inspection and copying. The District has a legal obligation to disclose such information unless a particular record is made confidential by law or a common law balancing of interests. Contractor may label specific parts of an individual document as a "trade secret" or "confidential" in accordance with NRS 333.333, provided that Contractor thereby agrees to indemnify and defend the District for honoring such a designation. The failure to so label any document that is released by the District shall constitute a complete waiver of any and all claims for damages caused by any release of the records.

23. CONFIDENTIALITY. Contractor shall keep confidential all information, in whatever form, produced, prepared, observed or received by Contractor to the extent that such information is confidential by law or otherwise required by this Contract.

24. FEDERAL FUNDING. In the event federal funds are used for payment of all or part of this Contract:

- a. Contractor certifies, by signing this Contract, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. This certification is made pursuant to the regulations implementing Executive Order 12549, Debarment and Suspension, 28 C.F.R. pt. 67, § 67.510, as published as pt. VII of the May 26, 1988, Federal Register (pp. 19160-19211), and any relevant program-specific regulations. This provision shall be required of every subcontractor receiving any payment in whole or in part from federal funds.
- b. Contractor and its subcontractors shall comply with all terms, conditions, and requirements of the Americans with Disabilities Act of 1990 (P.L. 101-136), 42 U.S.C. 12101, as amended, and regulations adopted thereunder contained in 28 C.F.R. 26.101-36.999, inclusive, and any relevant program-specific regulations.
- c. Contractor and its subcontractors shall comply with the requirements of the Civil Rights Act of 1964, as amended, the Rehabilitation Act of 1973, P.L. 93-112, as amended, and any relevant program-specific regulations, and shall not discriminate against any employee or offeror for employment because of race, national origin, creed, color, sex, religion, age, disability or handicap condition (including AIDS and AIDS-related conditions.)

25. LOBBYING. The parties agree, whether expressly prohibited by federal law, or otherwise, that no funding associated with this contract will be used for any purpose associated with or related to lobbying or influencing or attempting to lobby or influence for any purpose the following:

- a. Any federal, state, county or local agency, legislature, commission, counsel or board;
- b. Any federal, state, county or local legislator, commission member, counsel member, board member, or other elected official; or
- c. Any officer or employee of any federal, state, county or local agency; legislature, commission, counsel or board.

26. WARRANTIES.

a. General Warranty. Contractor warrants that all services, deliverables, and/or work product under this Contract shall be completed in a workmanlike manner consistent with standards in the trade, profession, or industry; shall conform to or exceed the specifications set forth in the incorporated attachments; and shall be fit for ordinary use, of good quality, with no material defects.

b. System Compliance. Contractor warrants that any information system application(s) shall not experience abnormally ending and/or invalid and/or incorrect results from the application(s) in the operating and testing of the business of the District. This warranty includes, without limitation, century recognition, calculations that accommodate same century and multi-century formulas and data values and date data interface values that reflect the century.

27. PROPER AUTHORITY. The parties hereto represent and warrant that the person executing this Contract on behalf of each party has full power and authority to enter into this Contract. Contractor acknowledges that as required by statute or regulation this Contract is effective only after approval by the Eureka County Television District Board and only for the period of time specified in the Contract. Any services performed by Contractor before this Contract is effective or after it ceases to be effective are performed at the sole risk of Contractor.

28. GOVERNING LAW; JURISDICTION. This Contract and the rights and obligations of the parties hereto shall be governed by, and construed according to, the laws of the State of Nevada, without giving effect to any principle of conflict-of-law that would require the application of the law of any other jurisdiction. The parties consent to the exclusive jurisdiction of the Seventh Judicial District Court, Eureka, Nevada for enforcement of this Contract.

29. ENTIRE CONTRACT AND MODIFICATION. This Contract and its integrated attachment(s) constitute the entire agreement of the parties and as such are intended to be the complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Unless an integrated attachment to this Contract specifically displays a mutual intent to amend a particular part of this Contract, general conflicts in language between any such attachment and this Contract shall be construed consistent with the terms of this Contract. Unless otherwise expressly authorized by the terms of this Contract, no modification or amendment to this Contract shall be binding upon the parties unless the same is in writing and signed by the respective parties hereto and approved by the Eureka County Television District Board.

IN WITNESS WHEREOF, the parties hereto have caused this Contract to be signed and intend to be legally bound thereby.

Eureka County TV District
P.O. Box 163
Eureka, NV 89316

Eureka County TV District Board of Directors and those concerned, Dave
Pastorino, President;

It is my intention to provide your television translator district the services required to move your analog television translator system into the digital television translator era. This endeavor will include but should not be limited to the following:

1. Research analog and digital television projects previously undertaken and make recommendation to the Eureka County TV District regarding matters of interest.
2. Provide services and guidance through your Federal Communication Commission (FCC) digital and analog television translator application, construction permit and licensing process.
3. Provide services and guidance through your National Telecommunication and Information Administration (NTIA) grant and/or reimbursement application process.
4. Provide services for construction, research, development and installation of new analog and digital television for the Eureka County TV District to include equipment specification, sales and installation.

I am interested in contracting my services to Eureka County TV District. Compensation will be \$50.00 per hour not to exceed \$60,000.00 annually (1200 hours annually) except as authorized by the Eureka County TV District payable \$5,000.00 each month to Alan Greager upon invoice. Job related out of pocket expenses will be reimbursed as invoice. Hours earned in excess of 1200 hours annually will be paid at a rate of \$50.00 per hour as invoice.

Respectfully;

Alan Greager
