On June 9, 2009 after selling a house to Home Health nurse here in Eureka and her coming on board, I made arrangements to get my husband on your home health care with home health nursing service and for the PCA program. Your services this past year have been greatly appreciated. However, we will no longer need your services in the future. We have six children and 23 grandchildren who are willing to help if needed.

This is effective as of May 6, 2010.

Sincerely yours,

Robert D. Morrow
