Governing Law

2. This Trust will be governed by both the law of Nevada and any applicable federal law ("Applicable Law"). All rights and obligations contained in this Trust are subject to any requirements and limitations of Applicable Law.

MATTERS RELATING TO PAYMENT

Promise to Pay

3. The Trustor, for value received, promises to pay to the Beneficiary, on demand, the Principal Amount, interest and all fees and costs on the terms set out in this Trust or in any amendment, extension or renewal of the Trust and any additional amounts secured by this Trust on the terms elsewhere provided for such debts and liabilities.

7. If there is a surplus of Funds held in escrow, the Beneficiary will provide the Trustor with the excess funds in accordance with RESPA. Should the Trustor make any claim against the Beneficiary either initially or by way of abatement, set-off or counterclaim, the Trustor agrees that any such claim will not diminish or delay his obligations to make the payments as provided in this Trust.

Application of Payments and Interest after Default

12. All monthly payments received by the Beneficiary will first be applied in payment of the interest calculated at the Interest Rate, and second in payment of the Principal Amount. However, if the Trustor is in default, then the Beneficiary will apply any payments received during this period as the Beneficiary chooses. If the Trustor is in default in payment of any amount including interest, interest will be payable on the interest and other arrears at the Interest Rate compounded monthly.

Acceleration on Default

29. If at any time the Trustor should be in default under this Trust, then the Principal Amount, interest and all amounts secured by this Trust will, at the option of the Beneficiary, become due and payable immediately.
30. If at any time the Trustor is in default and the Beneficiary does not require the Trustor to pay immediately in full as described above, the Beneficiary will retain the right to seek full immediate payment if the Trustor is in default at a later time. Any forbearance on the part of the Beneficiary upon default, which includes but not limited to acceptance of late payment, acceptance of payment from third parties, or acceptance of payments less than the amount then due, will not constitute as waiver to enforce acceleration on default.
31. In the event that the Beneficiary elects to accelerate the Trust, the Beneficiary will provide notice to the Trustor in accordance with Applicable Law.

Additional Charges

32. The Trustor may be charged with fees in association with the default of this Trust or for the protection of the Beneficiary's interest for this Trust, which may include, but is not limited to attorneys' fees and property inspections (the "Additional Fees"). Any amount disbursed by the Beneficiary in relation to the protection of the Beneficiary's security will become Additional Fees payable by the Trustor. The Additional Fees' total including interest will become due upon written request by the Beneficiary.

33. If at any time the Trustor should fail to uphold the covenants in this Trust, or if a legal proceeding commences which materially affects the Beneficiary's interest in the Property, the Beneficiary may pay or perform any reasonable action as necessary to protect the Beneficiary's interest, which includes, but is not limited to:

 - c. payment of legal fees in relations to any legal proceedings or legal costs arising from the Property; and
 - d. payment of reasonable costs in repairing and maintaining the Property.
34. Any action referred to in this section is optional for the Beneficiary and the Beneficiary has no duty or obligation to carry out any of the remedies listed in this section and will not incur any liability in the failure to perform such tasks.
35. Any amount disbursed by the Beneficiary in relation to the protection of the Beneficiary's security will become Additional Fees payable by the Trustor.

Power of Sale

36. If at any time the Trustor should be in default under this Trust, the Beneficiary will have the right to foreclose and force the sale of the Property without any judicial proceeding. Any delay in the exercising of this right will not constitute as waiver on the part of the Beneficiary to exercise this option at a subsequent time should the Trustor remains in default or if the Trustor becomes default again in the future.

Remedies on Default

37. The Beneficiary will have the right to pursue all remedies for the collection of the amounts owing on this Trust that are provided for by Applicable Law (both federal and state), whether or not such remedies are expressly granted in this Trust, including but without limitation foreclosure proceedings.

After the time required by Applicable Law, the Trustee, without demand on the Trustor, will sell the Property at public auction to the highest bidder, at the time and place and subject to the terms indicated in the notice of sale. The Trustee may postpone sale of the Property by public announcement at the time and place of any scheduled sale.
