The undersigned certifies as follows:

1. The name of the locator and owner of the unpatented mining claim subject to this Amended Certificate of Location is Carlin Gold US Inc., a Nevada corporation.
2. The locator of the mining claim subject to this Amended Certificate of Location located the mining claim, recorded the location document and mining claim map and filed the location documents with the United States Bureau of Land Management as follows: BLM NMC No. 1050273, Eureka County Recorder Document No. 218240.

5. This Amended Certificate of Location is made in accordance with NRS 517.200 and is made without waiver of any previously acquired rights.
