WARRANTY DEED

RUBY HILL MINING COMPANY, a Nevada corporation with its principal place of business at 2959 North Rock Road, Wichita, Kansas 67226-1911 ("Ruby Hill") hereby grants, conveys, and warrants to HOMESTAKE MINING COMPANY OF CALIFORNIA, a California corporation with its principal place of business at 650 California Street, San Francisco, California 94108 ("Homestake"), and its successors and assigns forever, in fee simple absolute, those lands situate in Eureka County, Nevada which lands are more particularly described in Exhibit A, together with all tailings, mine dumps, water rights, decreed or undecreed, easements, rights of way, rights of ingress and egress, and other rights, privileges and franchises, incidental, appendant or appurtenant thereto, as well as all improvements, fixtures, mining machinery and tools and other personal property thereon ("Mining Property"), RESERVING unto Ruby Hill a production royalty of three percent of Net Smelter Returns for all ores and minerals mined or otherwise recovered from the Mining Property and thereafter sold by or for the account of Homestake before or after processing, smelting, or refining ("Ores and Minerals"). Notwithstanding the foregoing, Homestake shall have no obligation to pay, and Ruby Hill shall have no right to receive, any Net Smelter Return royalty with respect to any Ores and Minerals unless and until Homestake and its successors in interest have recovered and sold 500,000 ounces of gold and/or quantities of other Ores and Minerals expressed as "Gold Ounce Equivalent". "Gold Ounce Equivalent" shall mean the number of ounces of gold calculated by dividing the dollar amount received by Homestake in each month from the sale of such other Ores and Minerals in any form by the average of the London P.M. Fixes for one troy ounce of gold for each trading day in the same month.

For example, if Homestake were to sell in the same month copper for which Homestake received \$25,000 and 12,000 ounces of gold, and the average of the London P.M. Gold Fixes for such month were \$350, the total number of gold ounces and the quantity of copper expressed as Gold Ounce Equivalent sold in such month would be: 12,000 ounces of gold + [\$25,000 ÷ \$350, or 71.43 ounces of copper Gold Ounce Equivalent] = 12,071.43 ounces.

"Net Smelter Returns" means amounts actually received by Homestake from sale of Ores and Minerals, less, but only to the extent actually incurred and borne by Homestake:

(i) sales, use, gross receipts, severance, ad valorem and other taxes, if any, however denominated, payable with respect to the existence, severance, production, removal, sale or disposition of Ores and Minerals by Homestake or its successors in interest, excluding any taxes on net income. For purposes of this

section Homestake shall not have the right to deduct any such taxes payable prior to the time Homestake has actually recovered and sold 500,000 ounces of gold or Gold Ounce Equivalent;

(ii) charges and costs, if any, for transportation to places where Ores and Minerals are milled, treated, processed, or otherwise beneficiated, smelted, refined, and sold; and

(iii) charges, costs, and penalties, if any, for smelting, refining and marketing.

In the event smelting or refining are carried out in facilities owned or controlled, in whole or in part, by Homestake, charges, costs, and penalties with respect to such operations, including transportation, shall mean reasonable charges, costs, and penalties for such operations but not in excess of the amounts that Homestake would have incurred if such operations were carried out at facilities not owned or controlled by Homestake then offering comparable custom services.

Royalties shall be paid to Ruby Hill on or before the 45th day after the last day of each Homestake fiscal quarter in which Homestake receives payment for sale of Ores and Minerals accompanied by a statement showing the factors used in determining the amount of the royalty payment. Each such payment shall be provisional and subject to adjustment as of the end of each Homestake fiscal year.

Within ninety days after the end of each Homestake fiscal year, Homestake shall deliver to Ruby Hill an unaudited statement of royalties paid Ruby Hill during the year and calculation thereof. All year-end statements shall be deemed true and correct three months after presentation, unless within that period Ruby Hill delivers notice to Homestake specifying with particularity the grounds for each exception. Ruby Hill shall be entitled at Ruby Hill's expense to an annual independent audit of the statement by a certified public accountant of recognized standing acceptable to Homestake, but only if Ruby Hill delivers a demand for audit to Homestake within two months after presentation of the related year-end statement.

This Deed reserves to Ruby Hill only the royalty provided for herein. This deed does not reserve to Ruby Hill (i) any other right or interest in the Property; (ii) any right of possession of the Property or (iii) any right to explore, develop or mine the Property.

If Ruby Hill should own less than the entire ownership interest in the Property, royalties payable to Ruby Hill shall be paid only in proportion to Ruby Hill's actual ownership.

If any third person asserts any claim to the Property, to any royalty or interest in production or to any amounts payable by Homestake, Homestake may deposit any amounts otherwise due Ruby Hill in escrow until the dispute is finally resolved. Homestake may deduct all costs and expenses, including attorney's fees and court costs, it incurs by reason of such claim from all amounts otherwise due Ruby Hill.

Homestake may commingle ores and minerals from the Mining Property with other ores and minerals. Before commingling, Homestake shall weigh (or calculate by volume), sample, and assay such ores and minerals in accordance with sound mining and metallurgical practices for moisture and payable content. Homestake shall keep records of such determinations for one year after the end of the Homestake fiscal year in which such determinations are made.

At reasonable times and with reasonable advance notice to Homestake, Ruby Hill may at Ruby Hill's risk and expense enter the Property to make reasonable inspections of Homestake's records necessary to substantiate Homestake's payment of the production royalty pursuant to this Deed. Homestake shall have no obligation to disclose to Ruby Hill any interpretive data or exploration concepts prepared or developed by Homestake.

Homestake shall have no obligation whatsoever, express or implied, to explore, develop, produce, mine or carry out any work upon the Property. All decisions as to whether any exploration, development or mining, production, or other operations shall be conducted on the Property, or any portion thereof, products marketed therefrom, and the nature, manner and extent thereof shall be determined solely and exclusively by Homestake.

The royalty provided for in this agreement is in lieu of any obligation of Homestake of any kind except as expressly set forth in this Deed.

Homestake shall have no obligation to Ruby Hill to protect or defend if any third party asserts any claim to the Mining Property for any reason. All notices and other communications to either party shall be in writing and delivered personally or sent by prepaid mail. Notices sent by ordinary mail shall be effective five days after mailing; and notices sent by certified or registered mail shall be effective on the next business day after the date of actual delivery. Until a change of address is so given, notices shall be addressed to Homestake and Ruby Hill, respectively:

All payments due Ruby Hill shall be deemed received by Ruby Hill if paid into Ruby Hill's Account No. 010010009809 at Bank IV, 100 North Broadway, Wichita, Kansas 67201 ("Financial Institution"). Homestake shall not be liable for distribution of payments from such account. Ruby Hill shall bear all charges of Financial Institution.

All covenants, conditions and terms of this Deed shall be of benefit to and run with the Mining Property and shall bind and

inure to the benefit of the parties hereto, their respective successors and assigns. The only relationship between the parties is that of grantor/grantee and that created by the obligation to pay the production royalty. Nothing herein shall be construed to create, expressly or by implication, a partnership, joint enterprise, the relationship of master and servant or principal and agent, or the like, between the parties.

Ruby Hill covenants and warrants that (1) Ruby Hill is now lawfully seized of an indefeasible estate in fee simple in the Mining Property, (2) Ruby Hill has full right and power to convey the Mining Property, (3) Ruby Hill will defend title against all persons claiming any interest in the Mining Property and (4) the Mining Property is free and clear of all encumbrances. Ruby Hill warrants to Homestake quiet and peaceful possession of the Mining Property.
