Assignment and Assumption of Mining Lease

This Assignment and Assumption of Mining Lease ("Assignment and Assumption") is made by and between Great American Minerals, Inc., a Nevada corporation ("Assignor"), and Wolfpack Gold (Nevada) Corp., a Nevada corporation ("Wolfpack US").

Recitals

A. Assignor is the successor-in-interest of Platte River Gold (US) Inc., a Nevada corporation ("PRG"), under the Mining Lease and Agreement among H. Deworth Williams and Blue Cap Development dated October 2, 2006 (the "Mining Lease") concerning the unpatented mining claims situated in Eureka County, Nevada, described in Exhibit A attached to and by this reference incorporated in this Assignment and Assumption.

B. Assignor desires to assign to Wolfpack US all of the Assignor's right, title and interest in, to and under the Mining Lease, subject to a production royalty (the "Royalty") granted by Wolfpack US to Assignor on the mining claims subject to the Mining Lease under the Royalty Deed dated effective the date of this Assignment and Assumption, to be recorded in the Office of the Eureka County Recorder.

Now, therefore, in consideration of the sum of Ten Dollars (\$10.00), and other good and valuable consideration, the receipt and sufficiency of which the parties acknowledge, the parties agree as follows:

1. Assignor assigns, conveys and transfers to Wolfpack US, and Wolfpack US's successors and assigns forever, all of Assignor's right, title and interest in, to and under the Mining Lease, free and clear of all charges, encumbrances and claims, except the Royalty granted by Wolfpack US to Assignor.

2. Wolfpack US assumes and agrees to perform Assignor's obligations under the Lease effective the date stated below.

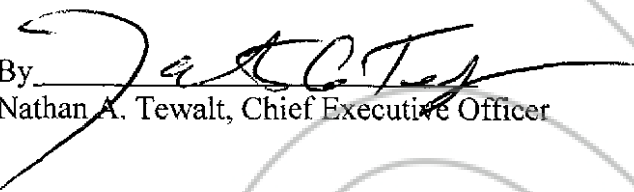

3. This Assignment and Assumption may be executed in any number of counterparts, each of which shall be deemed to be an original, but all of which shall constitute the same Agreement.

Dated effective June 26, 2012.
